what if the colonization of a large portion of north america had been dominated by one of europe s small nations instead of as actually happened by the great powers of france britain and spain specifically denmark in real history denmark did have a few small settlements in the caribbean but they never amounted to much but what if given the very different parameters of the power equations produced by the arrival of grantville denmark had been able to dominate a large portion of what is today called canada the possible ramifications were fascinating to me a nation like early 17th century denmark didn t have the military power or the population to simply overwhelm the indigenous peoples of north america willy nilly whether they wanted to or not danish settlers would have to develop a modus vivendi with the people they encountered in the new world the hybrid societies which the french settlements originally produced such as the metis which were cut short by the british victory in the seven years war might have emerged and become more stable and long lasting who could say it seemed to me that herb s project was interesting enough to support and no matter what the final outcome was bound to produce a number of good stories so here we are with the second volume of that project i hope you enjoy it uses maps to illustrate the development of canada from the last ice sheet to the end of the eighteenth century this edition of the canadian encyclopedia is the largest most comprehensive book ever published in canada for the general reader it is complete every aspect of canada from its rock formations to its rock bands is represented here it is unabridged all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume it has been expanded since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50 to over 4 000 000 words it has been updated the researchers and contributors worked hard to make the information as current as possible other words apply to this extraordinary work of scholarship authoritative reliable and readable every entry is compiled by an expert equally important every entry is written for a canadian reader from the canadian point of view the finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country this book deserves pride of place on the bookshelf in every canadian home it is no accident that the cover of this book is based on the canadian flag for the proud truth is that this volume represents a great national achievement from its formal inception in 1979 this encyclopedia has always represented a vote of faith in canada in canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated at the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this canadian encyclopedia is offered in a spirit of defiance and of faith in our future the statistics behind this volume are staggering the opening sixty pages list the 250 consultants the roughly 4 000 contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project the 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest canadian book ever published there are of course many special features these include a map of canada a special page comparing the key statistics of the 23 major canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers but above all the book is encyclopedic which the canadian oxford dictionary describes as embracing all branches of learning this means that with rare exceptions there is satisfaction for the reader who seeks information on any canadian subject from the first entry a mari usque ad mare from sea to sea which is canada s motto and a good description of this volume s range to the zouaves who mustered in quebec to fight for

the beleaguered papacy there is the required summary of information clearly and accurately presented for the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination the word encyclopedia derives from greek expressions alluding to a grand circle of knowledge our knowledge has expanded immeasurably since the time that one mind could encompass all that was known yet now canada's finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume the result is a book for every canadian who values learning and values canada in the sixteenth and seventeenth centuries to be english and catholic was to face persecution financial penalties and sometimes death yet some english catholics prospered reconciling their faith and loyalty to their country among the most prominent was george calvert a talented and ambitious man who successfully navigated the politics of court and became secretary of state under king james i a conforming protestant from the age of twelve calvert converted back to catholicism when a political crisis forced him to resign his position in 1625 the king rewarded calvert by naming him baron of baltimore in ireland insulated by wealth with the support of powerful friends and no longer occupied with court business baltimore sought to exploit his land grants in ireland and newfoundland seeking to increase his own fortune and status while enlarging the king's dominions he embarked on a series of colonial enterprises that eventually led to maryland the experiences of calvert and his heirs foster our understanding of politics and faith in jacobean england they also point to one of the earliest codifications of religious liberty in america for in founding maryland calvert and his son cecil envisioned a prosperous society based on freedom of conscience in english and catholic john d krugler traces the development of the maryland design the novel solution the calverts devised to resolve the conflict of loyalty they faced as english catholics in doing so krugler places the founding and early history of maryland in the context of pervasive anxieties in england over identity allegiance and conscience explaining the evolution of the calvert vision krugler ties together three main aspects of george calvert's career his nationalism and enthusiasm for english imperialism his aim to find fortune and fame and his deepening sense of himself as a catholic skillfully told here the story of the calverts bold experiment in advancing freedom of conscience is also the story of the roots of american liberty jerome de groot what was life like for americans who lived fought and perhaps died in and around maryland during the french and indian war the american revolution the war of 1812 what effect did those events have on the destiny of a young nation who was this man that wrote the song that brings all united states citizens to their feet hats in hand snapping off sharp salutes or standing with hands over hearts this book provides some possible answers to those questions canada has become a leader among the modern nations of the world it has emerged as a modern industrial nation and as a key player in the resource commodities and financial institutions that make up today's world this third edition of the historical dictionary of canada contains a chronology an introduction and an extensive bibliography it includes over 700 cross referenced entries on a wide range of topics covering the broad sweep of canadian history from long before european contact until present day topics include indigenous peoples women religion regions politics international affairs arts and culture the environment the economy language and war this is an excellent resource for students researchers and anyone wanting to know more about canada it introduces readers to the successes and failures the conflicts and accommodations the events and trends that have shaped canadian history this book traces the development of the standard property rights over five kinds of natural resource inland rivers ocean fisheries petroleum resources gold and base metals and forest resources from classical times through to the 19th century completely private resources and those in the public or crown lands are given equal attention and a simple supply and demand model is used to explain how property rights are altered over time scott also provides the reader with a unique set of characteristics for defining rights and numerous case studies and examples of their evolution highlighting the increasing recourse to common law courts and government legislation and the problems caused by competing demands on the same limited resources this book provides a unique insight into the historical development of

property rights and makes a special plea for the multiple purpose and multi owner management of resource rights it will provide a valuable resource for those interested in resource management economic history property rights and development reprint of the original first published in 1860 freedom bound is about the origins of modern america a history of colonizing work and civic identity from the beginnings of english presence on the mainland until the civil war it is a history of migrants and migrations of colonizers and colonized of households and servitude and slavery and of the freedom all craved and some found above all it is a history of the law that framed the entire process freedom bound tells how colonies were planted in occupied territories how they were populated with migrants free and unfree to do the work of colonizing and how the newcomers secured possession it tells of the new civic lives that seemed possible in new commonwealths and of the constraints that kept many from enjoying them it follows the story long past the end of the eighteenth century until the american civil war when just for a moment it seemed that freedom might finally be unbound reprinted after revision and correction from the weekly mercury mar 1881 may 1884 reproduction of the original voyages of samuel de champlain by samuel de champlain this book examines how the growth of tourism in locations that have historically been considered geographically remote plays a major role in the consolidation and transformation of often longstanding and powerful cultural imaginaries about the edges of the world the contributors examine the attraction of the sublime remoteness continental border points and the dangers of the sea in finisterre or fisterra in galicia spain finistère in brittany france land s end cornwall england lough derg ireland nordkapp or north cape norway cape spear newfoundland canada and tierra del fuego argentina while those travelling to these locations can be seen to be conducting some form of religious or secular pilgrimage those who live in them have long contended with the implications of economic and political marginalization within global political economies this first volume of a projected four volume set details the impressive record of eight hundred years of english later british imperial rule the editors have assembled the earliest documentary evidence necessary for a fundamental understanding of the priorities devices and frustrations in the british imperial experience the documents balance the ideas policies and actions emanating from england with those evolving in the various colonies this juxtaposition emphasizes the similarity of the problems experienced by the individual colonies the documents also illustrate the relationship between constitutional developments and ideas in britain in individual colonies and in the empire as a whole the genealogical research of allen wilson walker and his ancestors going back 35 generations this book brings together a collection of the work of david quinn the preeminent authority on the early history of the discovery and colonization of america object of this book is to present clearly and accurately facts and principles in the lives of some of the chief founders and builders of america which would be of interest for everyone interested in history contents columbus john and sebastian cabot balboa ponce de leon and de soto sir walter raleigh captain john smith captain henry hudson captain myles standish lord baltimore roger williams king philip william penn general james oglethorpe benjamin franklin george washington daniel boone general james robertson governor john sevier general george rogers clark general rufus putnam eli whitney thomas jefferson robert fulton general william henry harrison general andrew jackson professor samuel f b morse general sam houston captain robert gray captain j a sutter abraham lincoln in god s empire hilary m carey charts britain s nineteenth century transformation from protestant nation to free christian empire through the history of the colonial missionary movement this wide ranging reassessment of the religious character of the second british empire provides a clear account of the promotional strategies of the major churches and church parties which worked to plant settler christianity in british domains based on extensive use of original archival and rare published sources the author explores major debates such as the relationship between religion and colonization church state relations irish catholics in the empire the impact of the scottish disruption on colonial presbyterianism competition between evangelicals and other anglicans in the colonies and between british and american strands

of methodism in british north america

The Battle for Newfoundland

2018-02-19

what if the colonization of a large portion of north america had been dominated by one of europe s small nations instead of as actually happened by the great powers of france britain and spain specifically denmark in real history denmark did have a few small settlements in the caribbean but they never amounted to much but what if given the very different parameters of the power equations produced by the arrival of grantville denmark had been able to dominate a large portion of what is today called canada the possible ramifications were fascinating to me a nation like early 17th century denmark didn t have the military power or the population to simply overwhelm the indigenous peoples of north america willy nilly whether they wanted to or not danish settlers would have to develop a modus vivendi with the people they encountered in the new world the hybrid societies which the french settlements originally produced such as the metis which were cut short by the british victory in the seven years war might have emerged and become more stable and long lasting who could say it seemed to me that herb s project was interesting enough to support and no matter what the final outcome was bound to produce a number of good stories so here we are with the second volume of that project i hope you enjoy it

The British Overseas

1950

uses maps to illustrate the development of canada from the last ice sheet to the end of the eighteenth century

The British Overseas

1950

this edition of the canadian encyclopedia is the largest most comprehensive book ever published in canada for the general reader it is complete every aspect of canada from its rock formations to its rock bands is represented here it is unabridged all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume it has been expanded since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50 to over 4 000 000 words it has been updated the researchers and contributors worked hard to make the information as current as possible other words apply to this extraordinary work of scholarship authoritative reliable and readable every entry is compiled by an expert equally important every entry is written for a canadian reader from the canadian point of view the finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country this book deserves pride of place on the bookshelf in every canadian home it is no accident that the cover of this book is based on the canadian flag for the proud truth is that this volume represents a great national achievement from its formal inception in 1979 this encyclopedia has always represented a vote of

faith in canada in canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated at the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this canadian encyclopedia is offered in a spirit of defiance and of faith in our future the statistics behind this volume are staggering the opening sixty pages list the 250 consultants the roughly 4 000 contributors all experts in the field they describe and the scores of researchers editors typesetters proofreaders and others who contributed their skills to this massive project the 2 640 pages incorporate over 10 000 articles and over 4 000 000 words making it the largest some might say the greatest canadian book ever published there are of course many special features these include a map of canada a special page comparing the key statistics of the 23 major canadian cities maps of our cities a variety of tables and photographs and finely detailed illustrations of our wildlife not to mention the colourful informative endpapers but above all the book is encyclopedic which the canadian oxford dictionary describes as embracing all branches of learning this means that with rare exceptions there is satisfaction for the reader who seeks information on any canadian subject from the first entry a mari usque ad mare from sea to sea which is canada s motto and a good description of this volume s range to the zouaves who mustered in quebec to fight for the beleaguered papacy there is the required summary of information clearly and accurately presented for the browser the constant variety of entries and the lure of regular cross references will provide hours of fascination the word encyclopedia derives from greek expressions alluding to a grand circle of knowledge our knowledge has expanded immeasurably since the time that one mind could encompass all that was known yet now canada s finest scientists academics and specialists have distilled their knowledge of our country between the covers of one volume the result is a book for every canadian who values learning and values canada

Historical Atlas of Canada: From the beginning to 1800

1987-01-01

in the sixteenth and seventeenth centuries to be english and catholic was to face persecution financial penalties and sometimes death yet some english catholics prospered reconciling their faith and loyalty to their country among the most prominent was george calvert a talented and ambitious man who successfully navigated the politics of court and became secretary of state under king james i a conforming protestant from the age of twelve calvert converted back to catholicism when a political crisis forced him to resign his position in 1625 the king rewarded calvert by naming him baron of baltimore in ireland insulated by wealth with the support of powerful friends and no longer occupied with court business baltimore sought to exploit his land grants in ireland and newfoundland seeking to increase his own fortune and status while enlarging the king s dominions he embarked on a series of colonial enterprises that eventually led to maryland the experiences of calvert and his heirs foster our understanding of politics and faith in jacobean england they also point to one of the earliest codifications of religious liberty in america for in founding maryland calvert and his son cecil envisioned a prosperous society based on freedom of conscience in english and catholic john d krugler traces the development of the maryland designe the novel solution the calverts devised to resolve the conflict of loyalty they faced as english catholics in doing so krugler places the founding and early history of maryland in the context of pervasive anxieties in england over identity allegiance and conscience explaining the evolution of the calvert vision krugler ties together three main aspects of george calvert s career his nationalism and enthusiasm for english

imperialism his aim to find fortune and fame and his deepening sense of himself as a catholic skillfully told here the story of the calverts bold experiment in advancing freedom of conscience is also the story of the roots of american liberty jerome de groot

The Canadian Encyclopedia

1999

what was life like for americans who lived fought and perhaps died in and around maryland during the french and indian war the american revolution the war of 1812 what effect did those events have on the destiny of a young nation who was this man that wrote the song that brings all united states citizens to their feet hats in hand snapping off sharp salutes or standing with hands over hearts this book provides some possible answers to those questions

The Early Trading Companies of New France

1901

canada has become a leader among the modern nations of the world it has emerged as a modern industrial nation and as a key player in the resource commodities and financial institutions that make up today s world this third edition of the historical dictionary of canada contains a chronology an introduction and an extensive bibliography it includes over 700 cross referenced entries on a wide range of topics covering the broad sweep of canadian history from long before european contact until present day topics include indigenous peoples women religion regions politics international affairs arts and culture the environment the economy language and war this is an excellent resource for students researchers and anyone wanting to know more about canada it introduces readers to the successes and failures the conflicts and accommodations the events and trends that have shaped canadian history
