Compton Census of 1676

The Compton Census of 1676

1866

Compton Census of 1676 is a historical document that provides a detailed record of the population and property of the village of Compton in 1676. The document is a list of names and their corresponding property values, which were used to determine the amount of tax they owed. The document is a valuable source of information for historians and genealogists alike. It provides a snapshot of the village's population and property at a specific point in time. The document is a list of names and their corresponding property values, which were used to determine the amount of tax they owed. The document is a valuable source of information for historians and genealogists alike.

Tipo 392

1964

Tipo 392 is a car model that was produced by the manufacturer. It is a four-door sedan with a 1.8-liter engine. The car is known for its reliability and performance. It was first introduced in 1964 and has since become a popular choice for many drivers. The car is a classic example of a well-engineered and durable vehicle. It has a long history and has been a popular choice for many drivers. The car is a classic example of a well-engineered and durable vehicle. It has a long history and has been a popular choice for many drivers.
