god needs giants today and we receive giant strength by waiting on him will j harney most believers do not rise to their full privilege in prayer successful prayer cannot be rushed if we want to hear from heaven we must allow time for god s voice to fully break through the din of life when we have a tremendous amount of work to be done for the day we dare not leave out prayer as martin luther observed i have so much to do that i shall spend the first three hours in prayer the real danger in not taking sufficient time to commune with god and implore him for our requests is the slow erosion of the spirit s voice when life s static distracts a believer from what is truly important and necessary for a successful life in this classic work on effective prayer will j harney reminds us that there are vast rewards in store for those who make prayer a priority prayer does not need to be a chore for the growing christian for it is one of the highest privileges accorded us but to receive our divine answer we must pray clear through that is pray continually and with urgency until at last we hear from heaven and this is the confidence that we have in him that if we ask any thing according to his will he heareth us and if we know that he hear us whatsoever we ask we know that we have the petitions that we desired of him 1 john 5 14 15

we are constantly on a stretch if not on a strain to devise new methods new plans new organizations to advance the church and secure enlargement and efficiency for the gospel this trend of the day has a tendency to lose sight of the man or sink the man in the plan or organization god s plan is to make much of the man far more of him than of anything else men are god s method the church is looking for better methods god is looking for better men there was a man sent from god whose name was john the dispensation that heralded and prepared the way for christ was bound up in that man john unto us a child is born unto us a son is given the world s salvation comes out of that cradled son when paul appeals to the personal character of the men who rooted the gospel in the world he solves the mystery of their success the glory and efficiency of the gospel is staked on the men who proclaim it when god declares that the eyes of the lord run to and fro throughout the whole earth to show himself strong in the behalf of them whose heart is perfect toward him he declares the necessity of men and his dependence on them as a channel through which to exert his power upon the world this vital urgent truth is one that this age of machinery is apt to forget the forgetting of it is as baneful on the work of god as would be the striking of the sun from his sphere darkness confusion and death would ensue
