The Breakthrough Company 2010-06-21

in the breakthrough company keith mcfarland pinpoints how everyday companies become extraordinary showing that luck is a negligible factor rather breakthrough success turns out to be associated with a clearly identifiable set of strategies and skills that anyone in any business can emulate from small startup to industry paragon encouraged by experts such as business legend peter drucker and good to great author jim collins to identify the drivers that enable a company to push past the entrepreneurial phase mcfarland spent five years building and analyzing the world s largest growth company performance database and interviewing more than 1 500 growth company executives on four continents his goal was simple to identify the secrets of breakthrough this book is the result winnowing a study pool of more than 7 000 companies down to nine that have made the transition to major player status mcfarland highlights real world tools and myth busting insights that can be used by anyone wanting his or her business to join this exclusive circle

The Breakthrough Experience 2002-03-01

this book is about breaking through the barriers that keep us from experiencing our true nature as light it presents inspiring science and philosophy in a way that is completely accessible to anyone to reveal and explore the universal laws and principles that underlie our very existence those principles are set forth in extraordinary but true stories of ordinary people having astonishing and moving life experiences and they make the most profound concepts easily understood most important it is an extremely real and practical manual for understanding why we live the way we do and how to transform our lives into our highest vision you will learn a formula to manifest your dreams discover the secrets of opening your heart beyond anything you have imagined find out how to increase love and appreciation for every aspect of your life receive profound insights on how to create more fulfilling and caring relationships reawaken your birthright as a true genius transcend the fears and illusions surrounding the myth of death and reconnect with your true mission and purpose on earth that is all true but mainly this book will deeply touch and inspire you with respect to your own greatness and potential and the magnificence of every single human soul this is not just a book it is what the title implies an experience and it is impossible to go through it without being moved challenged and changed welcome to the breakthrough experience

The Breakthrough Company 2008

the vast majority of small businesses stay small and not by choice only the most savvy and persistent a tiny one tenth of one percent break through to annual sales above 250 million in the breakthrough company keith mcfarland pinpoints how everyday companies become extraordinary showing that luck is a negligible factor rather breakthrough success turns out to be associated with a clearly identifiable set of strategies and skills that anyone in any business can emulate from small startup to industry leader encouraged by experts such as business legend peter drucker and good to great author jim collins to identify the drivers that enable a company to push past the entrepreneurial phase mcfarland spent five years building and analyzing the world s largest growth company performance database and interviewing more than 1 500 growth company executives on four continents his goal was simple to identify the secrets of breakthrough the breakthrough company is the result winnowing a study pool of more than 7 000 companies down to nine that have made the transition to major player status mcfarland highlights real world tools and myth busting insights that can be used by anyone wanting his or her business to join this exclusive circle among the book s takeaways common wisdom holds that the founders and core entrepreneurial leaders of a company must step aside for the business to reach the next level not true as long as founders crown the company instead of themselves it s not reckless to make ever escalating bets on your company s future even going nose to nose with competitors many times your size in fact it turns out that the only safety comes in constantly upping the ante in exactly this way a business bermuda triangle does exist gobbling up companies on the verge of breakthrough presented here are three ways to navigate this potentially deadly hazard successfully however good you are or think you are you can t do it alone learn how to surround your company with networks of outside resources aka scaffolding and how to enlist the aid of insultants people who are willing to question a firm s existing assumptions and ways of doing business with powerful and specific action steps concluding each chapter and invaluable advice on virtually every page from business leaders who ve taken their companies to extraordinary levels of growth and profitability the breakthrough company is one of the most provocative inspiring and instructive business books you ll ever read from the hardcover edition

The Breakthrough Manifesto 2023-10-30

building a better path to breakthrough by design innovation is a process by which new ideas services and sources of value are brought to life yet approaches to the pursuit of innovation are often far from novel relying on stale methodologies applied against well defined problem sets or worse left to hope or happenstance transformative innovation requires something else not just methodologies but mindsets not just focusing on known challenges but on unknown opportunities not just hoping for breakthrough by default but realizing breakthrough by design in the breakthrough manifesto a renowned business innovation leader teams up with a social personality psychologist to offer that something else a collection of 10 visionary principles to obliterate barriers to change and ignite a whole new level of creative problem solving drawing upon decades of experience working with the world's best known organizations and their teams the authors provide practical advice that goes beyond business as usual for successfully tackling intractable challenges bursting with behavioral science stories from the field and pragmatic strategies the breakthrough manifesto explores why these principles are critical for the current times and how they can spark breakthrough and unlock potential for you and your teams whether you're an executive or manager product or service designer educator or student this book is a must read for anyone inspired to change the world or transform their own place in it

Quantum revolution 1994

dispatch the maimed the old the weak destroy the very world itself for what is the point of life if the promise of fulfilment lies elsewhere on the windswept coast of rural suffolk a deranged scientist attempts to extract the essence of life itself

The Breakthrough 2018-02

every general manager today all the way up to the ceo is expected by his or her stakeholders to achieve new breakthroughs in performance and fast those who don't make visible progress toward that goal within the first year or two will likely find themselves looking for another job it is precisely because of this growing breakthrough imperative that managers today whether in corporations or nonprofits need to get off to a fast start they don't have time for mistakes or for going back and redoing what they should have done right in the first place but despite the intensity of these pressures despite the high expectations and short time frames a number of ceos and general managers turn in truly exceptional results how do they meet and exceed the breakthrough imperative to answer this question consultants and former managers mark gottfredson and steve schaubert interviewed more than forty ceos from both industry and the nonprofit sector conducted an intensive study of what successful managers do right and what some do wrong and drew on their own combined fifty plus years of experience at bain company where their insights have consistently been found in the pages of the harvard business review together they came up with the four straightforward principles deceptively simple yet remarkably powerful that everyone must follow to succeed at achieving breakthrough results 1 costs and prices always decline 2 competitive position determines options 3 customers and profit pools don't stand still 4 simplicity gets results although seemingly simplistic mastering these four laws means mastering the basics of great management a foundation on which to build the rest of one's management strategy whether you're managing a small work group or a multinational corporation a single division or an entire nonprofit the breakthrough imperative presents these core laws of business to help you determine where you are just how far you can go and how to get there with stellar results

The Breakthrough Imperative 2009-10-13

boone drake the youngest bureau chief in chicago police history has to choose between being with his wife who desperately needs him or pursuing a human trafficking ring to china

The Breakthrough 2012

in the midst of a world coming apart be part of the coming together the breakthrough point explores the tumultuous times we're in why they are both dire and wonderful and how we can catch an upward spiraling wave of humanity evolving even as the world around us seems to be coming undone the book makes a compelling case for 2016 being a game changing year a tipping point in humanity's consciousness toward peaceful cooperation and love this is no utopian fantasy or obscure spiritual prophecy citing major trends in business science culture and politics along with spiritual indicators woodland identifies the signs of a collective quickening we have entered the new and unprecedented

territory with a bumpy road ahead as escalating crises coexist with increasing opportunities to thrive as never before what happens next is no longer up to them it s up to us to you as never before the power is in your hands and for those willing to reach for it wonderful possibilities await the spiritual exercises in the breakthrough point offer a path into a new world they invite you to participate in a miracle experiment begun in woodland s previous book holding a butterfly formerly titled making miracles this global experiment in joined consciousness will take you out of the predictable and into the extraordinary where frequent serendipities personal breakthroughs and miracles become the new normal this book s visionary looks at modern times will give you hope direction and practical steps for creating new realities for your life and our world as well as an understanding of why your wholehearted participation in our world is the only path to your happiness most importantly the breakthrough point will help you to become part of a world coming together in peaceful cooperation and wellbeing won t you join us

The Breakthrough Point 2018-07-25
