Manuals Combined: EOD, UXO, IED, DEMOLITION MATERIALS, LAND MINE WARFARE, MINE/COUNTERMINE OPERATIONS AND PHYSICAL SECURITY OF ARMS, AMMUNITION, AND EXPLOSIVES 2018-01-16 the national board for professional teaching standards nbpts in the usa is the most ambitious and successful attempt by any country to establish a certification system for recognizing and rewarding teachers who reach high professional standards this book focuses on the national board for professional teaching standards nbpts

Department of Defense Authorization for Appropriations for Fiscal Year , S.Hrg.113-465, Part 3, Feb. 26; March 26; April 2, 2014, 113-2 2015 serves as an index to eric reports microform *Department of Defense Authorization for Appropriations for Fiscal Year 2015 and the Future Years Defense Program: Readiness and management support* 2015 no detailed description available for international dictionary of abbreviations and acronyms of electronics electrical engineering computer technology and information processing

Assessing Teachers for Professional Certification 2008-02-04 this report asserts that mine resistant ambush protected mrp vehicles offer an excellent case study for investigating the current debate over the pentagon s approach to developing and fielding irregular warfare capabilities however it also contends improving irregular warfare capabilities will require more extensive reforms

MRAP, Management Review & Analysis Program, UCLA Library, 1974-77: pt. 2] Appendices of the Organization Task Force 1976 a revitalized version of the popular classic the encyclopedia of library and information science second edition targets new and dynamic movements in the distribution acquisition and development of print and online media compiling articles from more than 450 information specialists on topics including program planning in the digital era recruitment information management advances in digital technology and encoding intellectual property and hardware software database selection and design competitive intelligence electronic records preservation decision support systems ethical issues in information online library instruction telecommuting and digital library projects

Weapon Systems 2013 a revitalized version of the popular classic the encyclopedia of library and information science second edition targets new and dynamic movements in the distribution acquisition and development of print and online media compiling articles from more than 450 information specialists on topics including program planning in the digital era recruitment information management advances in digital technology and encoding intellectual property and hardware software database selection and design competitive intelligence electronic records preservation decision support systems ethical issues in information online library instruction telecommuting and digital library projects

Resources in Education 1991 following the volumes on henri fayol this next mini set in the series focuses on f w taylor the initiator of scientific management taylor set out to transform what had

previously been a crude art form in to a firm body of knowledge

The Acquisitive Librarian 1979 library services in theory and context provides a theoretical framework for considering the nature of library services this book is organized into four parts encompassing 16 chapters that focus on the management of library services the first part presents some basic problems in librarianship along with the scope and probable nature of appropriate theory the second part considers the five key aspects and use of library services including inquiries retrieval the process of becoming informed the demand for library services and the allocation of resources to and within library services the third part deals with the connection and extensions of library services specifically the problem of achieving internal consistency and the generalizability of conceptual framework to information services the fourth part reconsiders some of the basic conceptual problems in library services this book will be of great value to school administrators and librarians

Annual Review of Information Science and Technology 1975 v 52 includes the proceedings of the conference on the farmington plan 1959

International dictionary of abbreviations and acronyms of electronics, electrical engineering, computer technology, and information processing 2019-05-20 this book follows the evolution of a model for quick and efficient national defense war fighting asset acquisition during time of war it documents the case of a critically important war fighting acquisition program from initial needs identification and program start in 2006 through production and fielding in the period 2007 2010 the analysis focuses on the entire process of acquisition and contracting from concept development through getting the weapons system into action in iraq afghanistan and elsewhere the mine resistant ambush protected vehicles program mrp is a rapid acquisition program procured within the context of the us department of defense s acquisition management and joint capabilities integration and development system jcids framework the analysis in this book answers the following question what are the key factors that explain the success of the mrp program with success defined as meeting program objectives and warfighter needs in addition this book addresses the critical trade offs made within the mrp program to develop it rapidly and some of the potential long term impacts of these decisions both positive and negative for rapid defense asset acquisition in time of war

Current Status of the Joint Mine Resistant Ambush Protected (MRAP) Vehicle Program 2008 defence planning as strategic fact provides and elaborates on an upstream focus on the variegated organizational political and conceptual practices of military civilian administrative and political leaderships involved in defence planning offering an important security and strategic studies supplement to the traditional downstream focus on the use of force the book enables the reader to engage with the role of ideas in defence planning of organizational processes and biases path dependencies and administrative dynamics under the pressures of continuously changing domestic and international constraints the chapters show how defence planning must be seen as a constitutive element of defence and strategic studies that it is a strategic fact of its own which merits particular practical and scholarly attention as defence planning creates the conditions behind every peace upheld or broken and every war won or lost defence planning as strategic fact will be of great use to scholars of defence studies strategic studies and military studies this book was originally published as a special issue of defence studies

Research in Education 1974 when fighting the insurgency in iraq the coalition suffered an operational if not strategic surprise in the form of the ied threat to deal with that surprise both the united states and australia needed to make institutional responses in a cycle that took at least 6 years the subsequent impact of ieds in afghanistan suggests in fact that the response is still incomplete to minimize their impact it is critical that surprises be recognized quickly and responses initiated swiftly especially for those in contact it may take the appointment of new leadership to achieve the necessary impetus in the recovery originally published by the strategic studies institute
