please note this is a companion version not the original book sample  
book insights 1 i was with erwin bach the love of my life for three  
years before he asked me to marry him i said yes and yes to love a  
commitment that didn't come easily to me i was seventy three years old  
when i was married for the first time 2 i was not the type of girl who  
fantasized about getting married i had four children with ike and we  
shared a career i did not want to marry him but i had no choice i  
figured if we were going to get married i should at least look the  
part 3 i was married three times and each time i was miserable the  
first two were nightmares and the third was a dream wedding to a  
castle in switzerland i was determined to make it happen my way 4 the  
wedding was a marriage of two people and i wanted it to be about them  
rather than about me i didn't want to overpower erwin so i decided not  
to wear white i invited four adorable little girls and one darling boy  
to join us as our wedding party

the narrative of tumult the incredible life and music of tina turner is an extended exploration of the magical transformation of shy

country girl anna mae bullock into the boisterous force of nature we know today as tina turner this is creative alchemy in action turning into turner is actually also the captivating tale of someone who was already precociously there a stellar talent just waiting to emerge and grab the global spotlight far from the early myths attached to her name by association with her talented but tormenting producer husband she was not a svengali like creation at all but rather a fully formed if vulnerable young musical prodigy who was going to burst out of the creative shell imposed upon her one way or the other even though it took sixteen years to do so her second career as a solo pop artist is the achievement for which she is rightly remembered in turner we have a case study in triumph over adversity and sheer creative will power singer songwriter dancer actress feminist icon often referred to as the queen of rock and roll she has sold over two hundred million records and sold more live concert tickets than any other solo performer in history in 2019 she celebrated her eightieth birthday and was also lionized in the live Broadway version of her incredible life story tina the musical starring adrienne warren in tumult we unearth and examine what uncanny skills enabled her to connect with so many people at such a deep heart to heart level she is in fact a beating human heart in high heels
