The List Building Multiplier

2011-05-02

set up the system and people will use it that's what this book will help you with a system that performs multiplication to help you build up not just one but multiple mailing lists so that you can have a massive list of customers to communicate to and sell your products to a list building multiplier sounds too good to be true but it works you might even be on someone's list without intentionally meaning to the system is a little known online marketing tactic it's not illegal and it's not a conspiracy because you're actually giving people valuable information in exchange for their contact details the valuable information you offer is important to them and they get something beneficial out of it it costs you a lot of time and effort and some money to put it together for them and all you're asking for in return are their name an email address and a confirmation of their subscription those contact details are vital to you they are a veritable goldmine because any one person in that list is a potential customer and is the key for you to make huge profits in this business you need many contact lists to identify more potential customers that's why you need a list building multiplier to help you get people to give you their contact details for free this book will help you set up the system

List Building Blueprint

2015-02-15

email list building blueprint if you are building any type of online business you must to have an email list no matter what anyone says email is fastest cheapest and most profitable way to communicate with your customers and prospects i still remember the first time i sent an email to my list at that time only about 500 people i went to lunch came home and checked my stats and to my amazement i had generated my first sale online from that point on i was hooked on email marketing and you should be too you're about to read what has become my email marketing blueprint that i still follow to this day don't have a list yet no problem i'll show you how i generate up to 1 063 per day have a small list let me show you how to build a bigger list look you've heard the saying the money is in the list right it's the truth and if you're a savvy marketer you need to continue to invest in new ways of growing your list inside this book you are about to learn some of the following information list building basics list building tools squeeze pages getting the most from autoresponders building your first list traffic secrets email swipes maximizing profits with your email list and so much more many of the strategies contained in this book i sell in my high level email marketing coaching programs for up to 3 000 so you're getting a steal at this price download list building blueprint today before the price goes up
