*Swahili People and Their Language* 2014-03-22 history is a testament to what happened to a people or a place it shows how things were and their transformation while explaining why the changes happened not only does history allow human beings to trace their trajectory in dealing with specific issues they face in the affairs of making a living it also highlights movements between people around the world while showing their role in creating systems still in place today history reveals to us major contributors of the trading systems along the east coast of africa documenting the role of the swahili people and their interactions with different people of the world the swahili people and their language discusses ways in which the swahili people came to occupy a prominent position in the world s trading system and how they lost their wealth through their contact with the outside world the book highlights the strategic position occupied by the swahili people their natural resources their skills and their rich cultural mix and how the contact with the outside world played a major influence that is clearly noticeable to date the book

contributes to the on going discussion about africans and their participation in today s development and reminds readers that the creation of the current economic social and political situation of the swahili people mirrors the history and positioning of many other formerly independent societies that became colonized nation states the authors provide discussions that shade light on critical questions such as who are the swahili people and why are they important is there such a thing as a swahili civilization if so what is it and how does it relate to modern civilization what place does the swahili language occupy both in its history and usage on the continent and in the rest of the world

Swahili Grammar for Introductory and Intermediate Levels 2014-09-24 this book is intended for university students and anyone interested in learning standard swahili grammar as spoken in the east african community of tanzania kenya and uganda the most comprehensive grammar book currently available some of the concepts covered in this book are greetings numerals telling the time the noun class system simple tenses such the past present and future adjectives and possessives the book then progresses to more complex concepts such as direct and reported speech various verb typologies other tenses prepositions and conjunctions adverbs and relative pronouns each chapter includes many examples and sample sentences easy to read charts practice questions answers to the practice questions and a list of new vocabulary used within the chapter on completing this book the reader will be able to read write and converse in swahili with confidence

**Kiswahili** 1998 kiswahili is the fastest growing african language the author professor of kiswahili at egerton university here describes this growth and examines kiswahili as an alternative to european languages in east africa and as an

international language for africa he covers the controversial theories of the origination and development of kiswahili the effects of the use of english as the language of instruction in kenya and the status of kiswahili in trade religion and politics in east and central africa within a continental context a country analysis of tanzania kenya and uganda reveals the spread of kiswahili as a mother tongue and second language its use in creative writing and music and its status in language policies the argument for kiswahili as the language of africa is also discussed The Swahili 1994 an indepth look at swahili culture language and the people *Swahili-English Dictionary* 2001 colloquial swahili the complete course for beginners has been carefully developed by an experienced teacher to provide a step by step course to swahili as it is written and spoken today combining a clear practical and accessible style with a methodical and thorough treatment of the language it equips learners with the essential skills needed to communicate confidently and effectively in swahili in a broad range of situations no prior knowledge of the language is required colloquial swahili is exceptional each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice a full answer key a grammar summary bilingual glossaries and english translations of dialogues can be found at the back as well as useful vocabulary lists throughout key features include a clear user friendly format designed to help learners progressively build up their speaking listening reading and writing skills jargon free succinct and clearly structured explanations of grammar an extensive range of focused and dynamic supportive exercises realistic and entertaining dialogues covering a broad variety of narrative situations helpful cultural points explaining the customs and features of life in swahili speaking countries an

Swahili: the Rise of a National Language 1969 spoken originally along the eastern coast of africa the name kiswahili means coastal language and now the official language of tanzania as well as a major language in kenya uganda and the eastern congo swahili is the lingua franca of eastern africa a significant fraction of swahili vocabulary is derived from arabic through contact with arabic speaking muslim inhabitants of the swahili coast it has also incorporated german portuguese english hindustani and french words into its vocabulary through contact with empire builders traders and slavers during the past five centuries the earliest known documents written in swahili are letters written in kilwa in 1711 a d in the arabic script that were sent to the portuguese of mozambique and their local allies another ancient written document dated to 1728 is an epic poem in the arabic script titled utendi wa tambuka the history of tambuka one key step in spreading swahili was to create a standard written language in june 1928 an inter territorial conference took place at mombasa at which the zanzibar dialect kiunguja was chosen to be the basis for standardising swahili today s standard swahili the version taught as a second language is for practical purposes zanzibar swahili swahili has become a second language spoken by tens of millions in three african great lakes countries tanzania kenya and the democratic republic of the congo drc where it is an official or

national language the neighbouring nation of uganda made swahili a required subject in primary schools in 1992 some 80 percent of approximately 49 million tanzanians speak swahili in addition to their first languages many of the rising generation of tanzania however speak swahili as a primary language because of a decrease of the traditional cultures and the rise of a more unified culture in urban areas kenya s population is comparable as well with a greater part of the nation being able to speak swahili most educated kenyans are able to communicate fluently in swahili since it is a compulsory subject in school from grade one to high school and a distinct academic discipline in many of the public and private universities the five eastern provinces of the drc are swahili speaking nearly half the 66 million congolese reportedly speak it and it is starting to rival lingala as the most important national language of that country swahili speakers may number 120 to 150 million this english swahili and swahili english dictionary kamusi ya kiswahili kiingereza contains 11 000 entries it is based on our words r us wordnet implementation wordsrus info which enables pairing the swahili language with hundreds of others it was created using dozens of sources including academic papers on the language as well as native speakers

**Colloquial Swahili** 2012 colloquial swahili is the ideal introduction to the major language of east africa written by experienced teachers the course provides a step by step approach to swahili no previous knowledge of the language is required

Swahili - English Dictionary (Kamusi Ya Kiswahili - Kiingereza) 2016-11-16 africa is a marriage of cultures african and asian islamic and euro christian nowhere is this fusion more evident than in the formation of swahili eastern africa s lingua franca and its cultures swahili beyond the boundaries literature language and identity

addresses the moving frontiers of swahili literature under the impetus of new waves of globalization in the twentieth and twenty first centuries these momentous changes have generated much theoretical debate on several literary fronts as swahili literature continues to undergo transformation in the mill of human creativity swahili literature is a hybrid that is being reconfigured by a conjuncture of global and local forces as the interweaving of elements of the colonizer and the colonized this hybrid formation provides a representation of cultural difference that is said to constitute a third space blurring existing boundaries and calling into question established identitarian categorizations this cultural dialectic is clearly evident in the swahili literary experience as it has evolved in the crucible of the politics of african cultural production however swahili beyond the boundaries demonstrates that from the point of view of swahili literature while hybridity evokes endless openness on questions of home and identity it can simultaneously put closure on specific forms of subjectivity in the process of this contestation a new synthesis may be emerging that is poised to subject swahili literature to new kinds of challenges in the politics of identity compounded by the dynamics and counterdynamics of post cold war globalization

number of key areas gender disability media sports literature religion land and youth music through an examination of the situation in kenya the essays opens new ways of understanding forms of local

*Swahili Picture Dictionary* 2020-09-13 a groundbreaking interrogation of the myriad causes and effects of african migration from the pre colonial to the modern era

**Swahili Book for Beginners** 2008 covering the political social and historical background of each language dictionary of languages offers a unique insight into human culture and communication every language with official status is included as well as all those that have a written literature and 175 minor languages with special historical or anthropological interest we see how with the rapidly increasing uniformity of our culture as media s influence spreads more languages have become extinct or are under threat of extinction the text is highlighted by maps and charts of scripts while proverbs anecdotes and quotations reveal the features that make a language unique

Miaka Hamsini ya Kiswahili Nchini Kenya 2014-05-08 music and queerness interact in many different ways the oxford handbook of music and queerness brings together many topics and scholarly disciplines reflecting the diversity of current research and methodology each of the book s six sections exemplifies a particular rhetoric of queer music studies the section kinds of music explores queer interactions with specific musics such as edm hip hop and country versions explores queer meanings that emerge in the creation of a version of a pre existing text for instance in musical settings of biblical texts or practices of karaoke voices and sounds turns in various ways to the materiality of music and sound lives focuses on interactions of people s lives with music and queerness histories addresses moments in the past

beginning with times when present conceptualizations of sexuality had not yet developed and moving to cases studies of more recent history including the creation of pop songs in response to hiv aids and the eurovision song contest the final section cross cultural queerness asks how to understand gender and sexuality in locations where recent euro american concepts may not be appropriate

TUKI English-Swahili dictionary 1996 vol 1 spring 1970 include a bibliography of american doctoral dissertations on african literature compiled by nancy j schmidt

**Kamusi ya Kiswahili sanifu : [a standard Swahili-Swahili dictionary]** 1981 an historical overview provides new insights into the literatures of africa both oral and written

*Habari ya English? What about Kiswahili?* 2015-04-28 marginality and crisis globalization and identity in contemporary africa extends the scope and understanding of the effects of globalization and its forces on africa with each chapter written by specialists who recognize that the future of africa is entwined with that of the rest of the world this volume explains with fresh vigor the new thinking on the historical specificity value opportunity and shortcomings of globalization for a continent many regard as marginalized and in crisis in the face of much pessimism several questions have engaged the attention of this young generation of african scholars where is africa in relation to globalization where are the things that make africa africa such as economy politics culture identity and human relations headed are africa s communities helpless against global forces or empowered by new avenues of access how do scholars and policymakers engage the problems of globalization vis vis africa s ethnic linguistic and other identities what are the economic and political trajectories in various countries and localities

an invaluable source for scholars students and the general reader the essays in this book have confidently and clearly explored and explained the crises that have engulfed the continent in the age of globalization unlike other works that have dwelt only on the continent's victimhood this volume identifies key areas in which africa can become more proactive and outward looking in response to the forces and values that take the globe as their reference points

*English-Swahili Conversations* 1983 as the british empire expanded throughout the world the english language played an important role in power relations between britain and its colonies english was used as a colonizing agent to suppress the indigenous cultures of various peoples and to make them subject to british rule with the end of world war ii many countries became gradually decolonized and their indigenous cultures experienced a renaissance colonial mores and power systems clashed and combined with indigenous traditions to create postcolonial texts this volume treats postcoloniality as a process of cultural and linguistic interplay in which british culture initially suppressed indigenous cultures and later combined with them after the decline of the british empire the first section of this book provides an introductory overview of english postcoloniality this section is followed by chapters discussing postcoloniality and literature from an historical perspective in particular countries around the world the third section gives special attention to the literature and culture of indigenous peoples a selected bibliography concludes the work

Utangulizi wa fasihi ya Kiswahili 2017 this study presents challenging findings on language choice and discourse formation in participatory development co operation situated in the framework of two rural development programs in tanzania it questions

multilingual routines in development co operation and deals with issues of linguistic exclusion in postcolonial societies at the same time it demonstrates how development objectives are negotiated at grass root level addressing persistent questions of agency in donor driven planning processes
