the inconsistencies in the anti suffrage arguments tradition was first performed at a matinee for the woman suffrage party held at the berkeley theatre in new york city on saturday 24 january 1913 the plays featured articulate the arguments of the suffrage movement through a variety of styles both comic and serious and perfectly illustrate the use of drama as a medium for social change and entertainment together with illustrations and an introduction charting the history of the actresses franchise league and exploring the context and provenance of the plays this is an excellent resource for both study and performance
