PROMOTING ADAPTIVE SYSTEM TO THE CURRENT TURBULENCE WITHIN CRISIS

ENVIRONMENTS 2020-08-12 the extraordinary works and contributions of writers with different backgrounds ranging from academics to bureaucrats make this book rich in treasures to see how far the scientific development of public administration is dealing with global conditions which are currently starting to show signs of revival at the same time we can learn from when local to national governments have to work hard to provide public policies in the form of a stimulus to help the country get out of the problems caused by disease outbreaks this book is contained of 38 selected writings that can be an excellent literature for for those who seek for reference on public policy in addition this book is expected to ignite further discussions within the scientific scope apart from the various shortcomings we apologize profusely and hopefully this book can provide benefits to the wider community we thank the authors and editors who have contributed their best energy thoughts

and works

THE STUDENTS' SPEAKING SKILL 2021-11-23 teaching speaking is one of the duties that has to be conducted by teachers of English to improve the students' speaking ability. It is also necessary to mention that speaking is one of the items on some language tests. A reason beside the enjoyable activities a learner may find in the target language is the demand that the learner exercise this skill. The writer aims to find out the solutions of the students' problem on speaking skill through implementing pair work activities using functional languages examples.

ICAS-PGS 2019 2020-10-06 following the successful of previous conference 3rd international conference on administrative science policy and governance studies icas pgs in strategic alliance with 4th international conference of business administration and policy icbap 2019 will be held on October 30-31 2019 in Universitas Indonesia Depok West Java Indonesia. This year's conference theme is strengthening strategic administrative reform policy to promote competitiveness and innovation in industrial revolution 4.0: the opportunities and challenges. This conference is hosted by Faculty of Administrative Science Universitas Indonesia FIA UI. The conference covers debates over problematic situation, theoretical frameworks as well as prescribed policies, the way that governments, businesses and civil societies essentially need to outline strategies to realize reform commitment and achieve change efficacy for purposes of harnessing innovation while considering the opportunities and challenges as well as maintaining sustainability engaging in a more dynamic predicament such as regulatory frameworks that affect relations of multiple governance actors in today's dynamic towards industrial revolution 4.0. The main objective of this conference is to discuss and debate the recent trends in administrative science on a range of issues such as public business and fiscal and the interconnectedness of all in industrial revolution 4.0. This conference is aimed to bring researchers, academicians, scientists, policymakers, professional managers, students and other related stakeholders together to participate and present their latest research findings, developments and practical solutions related to the various aspects of administrative challenges in public and private sector. The general theme of 3rd ICAS-PGS and 4th ICBAP 2019 is strengthening strategic administrative reform policy to promote competitiveness and innovation in industrial revolution 4.0: the opportunities and challenges. The conferences consist of three streams representing differences of focus and scopes of research interests within the discipline of public business and fiscal administration and policy. We convey our gratitude to our esteemed committee speakers and participants for giving their best to the success of the conference.
