ncert has developed exemplar problems in science for class x with the objective to cover the fundamentals of all class x topics this special edition of educart science ncert exemplar book for class x science will act as the bible for students preparing for their dream careers it is made by country s top cbse teachers in collaboration with educart experts after a year of rigorous research and development process this science educart

exemplar book is prepared by our country's top experts to give students a single reference book throughout the year to clear doubts. Below are the key differentiations of this Educart book, revised with 30% reduced syllabus. Every single question of this Educart NCERT Exemplar is solved keeping the basics in mind. Strict NCERT syllabus guidelines are followed when writing explanations. Special attention is put to explanations of MCQs and VSA as 25% of paper comes from them. Questions that have appeared in previous board examinations are identified so that students use that extra data to prioritize important questions. Extra examinable insight in certain solutions is given under the categories of definition, differentiation, concept applied, and extra information. NCERT recommended Diksha 2.0 platform launched February 2020. Questions important ones are solved at the end of each chapter. Educart NCERT Exemplar Science also serves the purpose of revision in the last moments before board examinations, especially as a major part of paper comes from this book. Statistically, we sincerely hope that the contents of this book will prove immensely beneficial to all students. We wish you the best of luck.
