Introduction to Christianity 2010-05-14 revised edition one of cardinal ratzinger s most important and widely read books this volume is a revised second edition with an improved translation and an in depth 20 page preface by the cardinal as he states in the preface since this book was first published over 30 years ago many changes and significant events have occurred in the world and in the church but even so he says he is firmly convinced that his fundamental approach in this book is still very timely and crucial for the spiritual needs of modern man that approach puts the question of god and the question about christ in the very center which leads to a narrative christology and demonstrates that the place for faith is in the church thus this remarkable elucidation of the apostle s creed gives an excellent modern interpretation of the foundations of christianity ratzinger s profound treatment of christianity s basic truths combines a spiritual outlook with a deep knowledge of scripture and the history of theology

Introduction to Christianity 1970 originally published in 1958 introduction to christianity considers the nature of christianity as a life shared in an historical continuing community divided into five parts the book is a comprehensive interpretation of christianity as a people created by god s activity in history with a focus on the proclamation of the gospel it highlights and examines the relevance of christian doctrine to reflections on the meaning of life and considers the significance of this at a time in which attitudes towards religion are increasingly ambiguous

introduction to christianity is ideal for those with an interest in the history of christianity christian theology and religious philosophy

Black News Digest 1990 an introduction to christianity examines the key figures events and ideas of two thousand years of christian history and places them in context it considers the religion in its material as well as its spiritual dimensions and explores its interactions with wider society such as money politics force gender and the family and non christian cultures and societies this introduction places particular focus on the ways in which christianity has understood embodied and related to power comprehensive and accessible this book will appeal to the student and general reader

A Short Introduction to the History of Christianity 2018-06-01

there has long been a need for a comprehensive but truly introductory single authored textbook in theology by introducing the reader to the biblical doctrinal and contemporary dimensions of christianity with the help of illustrated examples from selected primary texts the book provides an excellent grounding in theology for both students of the discipline and the general reader the work explores key tools for the scientific study of theology endeavouring both to affirm the rationale behind christian thinking and also to

familiarize the reader with significant contrary positions the solid foundations in biblical theology and hermeneutics given in the book will enable students to read judeo christian scripture intelligently key testimonies regarding jesus christ are scrutinized and the nature of the new testament discussed as well as the emergence of doctrinal orthodoxy and the later disagreements which have shaped contemporary christianity the reader will become familiar with the dimensions of current christian thinking in its dialogue with post modernity

A Brief Introduction to Christianity 2019-06-01 few books in theology have faced the twentieth century with all its horrors and yet revoiced the redemptive christian antidote as convincingly as joseph ratzinger s 1968 masterpiece introduction to christianity in gift to church and world john cavadini and donald wallenfang present papers from the conference held at the university of notre dame to celebrate the fiftieth anniversary of this classic book s publication and through it ratzinger s lasting influence on the world of christian theology bishops priests and lay men and women set their hands to the trowel of tribute honoring the legacy of joseph ratzinger and the pivotal role he has played in the recent history of the catholic church covering ratzinger s work on fundamental theology philosophical theology dogmatic theology spiritual theology and pedagogy the essays gathered here shed new light on ratzinger s theological genius throughout the authors return to his compelling expression of the divine call to reawaken to our true

identity as beloved children of god altogether readers will deepen their appreciation and understanding of the theological contributions of joseph ratzinger and his continued relevance to mission and evangelisation today

An Introduction to Christian Theology 2013-08-01 the most popular introduction to christianity ever published dowley s work tells in an engaging way the dramatic intriguing and often surprising story of christians in their 2000 year journey includes over 400 photographs and 30 maps charts and diagrams the cd rom new to this edition contains the fully searchable text in libronix software chapter summaries and questions links to further resources and even a guide to doing research papers in this area

part of keeping this knowledge alive and relevant

Introduction to Christianity 1991 a crossroad book translation of grundkurs des glaubens

An Introduction to Christianity 2019-08-03 originally published in 1938 an introduction to the study of christianity is a consideration of what is truly essential in the christian faith the book provides a detailed survey of key elements relating to the origin and growth of christianity and puts forward the argument that any apparent blemishes or mistakes are the result of human imperfection and misunderstanding of the real teaching of jesus and his immediate followers rather than of any shortcomings in the teaching itself it first sets out the foundations of christianity and then calls attention to the different interpretations that successive generations of christians have placed on them exploring the history of the christian faith up to the 1930s an introduction to the study of christianity will appeal to those with an interest in the history of religion christianity theology and religious studies

Introduction to Christianity 2009 a journey in christian theology through biblical historical and thematic perspectives with special attention to the context of today s world

An Introduction to Christianity 2012-08 students often find introductions to systematic theology too daunting or boring to wade through here author and teacher bradley hanson offers an attractive accessible alternative for undergraduates hanson draws on 16 years of successful teaching to create exciting and

pertinent presentations of major topics illuminate options on key issues and nudge students to formulate a personal stance

An Introduction to Christianity 2023-07-18 the life and death of jesus of nazareth and the beginnings of the movement which venerated him are of profound religious significance to christian believers today however these events are also part of our common history and have had enormous influence on the development of western civilization they are therefore legitimate subjects of historical enquiry the historical introduction to the new testament investigates the foundation of the new religious movement in the life of jesus the experiences which acted as a catalyst on missionary activity after his death the factors which led to a separation of the movement from judaism and the development of the ecclesiastical structure through which christianity has influenced subsequent secular and religious history

Foundations of Christian Faith 1978 how do we study christian life and thought how have political and cultural events influenced the experiences of christians in different places at different times how has the world s largest religion been lived in varied parts of the world the christian experience is the first textbook to unite traditional approaches to christianity with special attention to art music architecture and lived experiences the material individual and personal sides of christianity are brought to the fore throughout this chronological survey every chapter begins with a first encounter in order to bring the

subject matter to life for students mirroring the author's approach in his successful book *Experiencing the World's Religions*. This book on Christianity features over 100 color images, maps, and diagrams, and each chapter ends by pointing to additional print and electronic resources. Michael Molloy considers practices, insights, and artistic creations of Christians across the centuries. The book shows how Christian belief is being practiced in our own time and it invites readers to imagine how Christianity might evolve in the future.

An Introduction to the Study of Christianity 2020-12-17

publisher description

An Introduction to Christian Theology 2022-11-03 The new edition of this popular textbook by leading theologian Alister E. McGrath will be essential reading for anyone wanting to understand the dynamics of the world's largest religion fully. Revised to include greater coverage of the Catholic perspective, contemporary issues, non-Western Christianity, globalization, and women, this is a truly comprehensive, lively, and jargon-free introduction to Christianity written for beginners to this subject and assumes no knowledge of Christian beliefs or practices. Includes an introduction to biblical sources and discussion of the central figure of Jesus. Features comprehensive discussions of Christian theology, the history of Christianity from its origins to the present day, and Christianity in the modern world. Increases coverage of contemporary issues, the Catholic perspective, non-Western Christianity, globalization, and women. Contains accessible

and student friendly features including numerous illustrations suggestions for further reading a glossary of christian terms and brief readings from illustrative christian sources

Introduction to Christian Theology 1993-06-24 an introduction to christian ethics uses a christian approach while encouraging students to consider a variety of current ethical issues and apply relevant biblical and theological concepts to these issues the main goal of the text is to acquaint students with both the field of ethics in general and varieties of christian ethical systems in particular learning goals upon completing this book readers will be able to use a christian method of making moral decisions and view issues from a christian perspective

The Origins of Christianity 2017-04-06 for many people today only a vacuum exists where once there was a reconciling force between man and god the result is confusion and the author of this forceful book places the responsibility as much with the church as with the skeptics because the church still clings to outworn metaphysical tenets which modern man cannot accept yet when seen not as factual statements but as a means of religious communication through images christian orthodoxy can be shown to be pragmatically and psychologically true and essential to balanced living this the author maintains is especially evident in the realms of prayer and the eucharist from publisher description

The Christian Experience 2002-07-10 beginning as a marginal group in galilee the movement initiated by jesus of nazareth

became a world religion within 100 years why among various religious movements did christianity succeed this major work by internationally renowned scholar udo schnelle traces the historical cultural and theological influences and developments of the early years of the christian movement it shows how christianity provided an intellectual framework a literature and socialization among converts that led to its enduring influence senior new testament scholar james thompson offers a clear fluent english translation of the successful german edition *An Introduction to the New Testament and the Origins of Christianity* 2006-02-13 excerpt from an introduction to christianity designed to preserve young people from irreligion and vice in the following sheets the author is aware that he treads abatean and an ancient path and he is conscious of being much more solicitous to avoid error and to enrich the mind with solid instruction than to indulge in novelty of thought his sole wish is to meet the peculiar exigencies of the age and to contribute his mite with the multitude to the public store of sacred knowledge about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the

vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Christianity 2015-10-02 this book helps beginning theological students grasp the basics of christian theology consciously avoiding the perspective of one school of thought or confessional tradition the authors provide the reader with a brief broad overview of the questions and contents of theological study their accessible use of language clear organization and careful explanation will prove of invaluable aid to those who are getting their theological feet wet for the first time in the words of its authors this book offers an introduction to the fuller spectrum of christian theology as it has developed through the centuries few writers address the historical development of the classic doctrines and the contemporary resonance as adroitly as gonzalez and perez the chapter on jesus christ for example presents concise summaries of the treatments of christ s person leading up to chalcedon while suggesting a need for a multiplicity of images in understanding the work of christ that liberates the whole person and restores all creation beginning students as a result are invited into a living theological conversation where the contested claims of the past have continued relevance in a contemporary era beset by its undervaluing of the body and creation broadly ecumenical in tenor with reference to theologians from nearly every century the work should appeal to both a popular readership and

introductory students in college and seminary one disappointing aspect of the book is an absence of latino a feminist and liberation perspectives for a work that argues for the contextuality of all theology and from authors whose previous work has been monumental in hispanic theological education this lack is surprising david h jensen austin presbyterian theological seminary in religious studies review volume 29 number 3 july 2003

An Introduction to Christian Ethics (2-downloads) 1959 in this pathbreaking book award winning author douglas jacobsen describes global christianity and provides a framework for understanding the varied experiences of christians around the world focusing on the five big continents of africa asia europe latin america and north america jacobsen recounts their differing histories contemporary experiences and cultural theologies in the current era of massive and dynamic global challenges this accessible and fair minded volume sets the stage for christians worldwide to engage the gospel and each other more deeply global gospel contains numerous maps charts and illustrations that aid comprehension accompanying videos can be found on youtube s global christianity channel youtube com globalchristianity
