the demon saul has broken the seal that had held his army trapped inside the god of war has returned to lead the heroes of the past and the men of the future against the army that threatens to sweep across the world but before they can do anything else they must fight the dead sometimes the roads we take are skewered into an alternate reality unseen to the naked eye you may pass them by without ever knowing that youave been there one of these places is a town called price a place you pray that you never come across whatas so bad about that you ask you may never make it back alive to tell the tale your history may be erased entirely from existence to some this is a godsend a place to start over and make amends with yourself your sins and to those around you however what you receive depends on how much you are willing to sacrifice if you are unfortunate enough to stay your life will always be in jeopardy if you make it out alive you may never want to return the choice is yours the time is now
