Soulmates 2011-12-31

in soulmates resurrecting eve juliana geran pilon argues for a return to an egalitarian view of men and women found in the original genesis narrative as reflected through judaism christianity and islam in each of these abrahamic traditions it was understood that man and woman were created to be soulmates in god's image equal despite their different functions within society pilon writes that this original message has gradually been distorted with disastrous effect any hope for an ennobling human community begins by resurrecting eve as an equal partner to adam the work examines the biblical creation narrative comparing it to greek and other ancient mythologies pilon explains how the disturbing association of woman with sin and death led to eve's demise as adam's equal the final section of the work deals with the goddess myth love and marriage in early religious narratives and modern man's search for his soul no less than for a soulmate the book at its core is a meditation on the relationship between men and women but also among human beings the resurrection of eve is indispensable to attaining a true appreciation of love and faith pilon uses religious texts expert commentary and various works of fiction poetry and psychology to make her argument come alive the work is strengthened by the writing style alternately poetic and humorous and a clear and illuminating progression of ideas its emphasis on reconciliation and understanding and its post feminist outlook will find a receptive audience

Women in Science Fiction and Fantasy [2 volumes] 2008-12-30

works of science fiction and fantasy increasingly explore gender issues feature women as central characters and are written by women writers this book examines women's contributions to science fiction and fantasy across a range of media and genres such as fiction nonfiction film television art comics graphic novels and music the first volume offers survey essays on major topics such as sexual identities fandom women's writing groups and feminist spirituality the second provides alphabetically arranged entries on more specific subjects such as hindu mythology toni morrison magical realism and margaret atwood entries are written by expert contributors and cite works for further reading and the set closes with a selected general bibliography students and general readers love science fiction and fantasy and science fiction and fantasy works increasingly explore gender issues feature women as central characters and are written by women writers older works demonstrate attitudes toward women in times past while more recent works grapple with contemporary social issues this book helps students use science fiction and fantasy to understand the contributions of women writers the representation of women in the media and the experiences of women in society

Yes! No! But Wait...! 2023-06-15

yes no but wait is the most straightforward book on writing a novel ever published it is also the most practical honest and useful tim lott admits he can t teach someone how to write a novel that s one of the myths propagated by the novel writing industry but he can help anyone construct a solid platform on which they can stand to discover whether they have the talent will and imagination required of any novelist a distillation of a lifetime s reading writing and thinking about stories and how to tell them yes no but wait is the one book any aspiring author needs

for too long studies lumped women s mental health with that of men notwithstanding profound differences this groundbreaking work decisively addresses that oversight as a team of expert scholars and therapists spotlights common female mental disorders explores the causes and explains available therapies in the last two decades feminist therapists and scholars have called for new models of mental health that value women and femininity to that end the four volume women and mental disorders brings together recent research and theory to explore its subject from a feminist perspective this exhaustive set treats every aspect of women s mental health from diagnoses to treatment underlying the entire work is an awareness of varying cultural definitions of mental health and the importance of understanding a woman s cultural background if treatment is to be respectful and successful special attention is also paid to women who have been victims of violence whether in intimate relationships the workplace or at school and to how these experiences impact mental and physical health self concept interpersonal relationships and career development approaches to treating women with eating disorders agoraphobia anxiety and depression ptsd and personality disorders are covered as well finally the set provides resources to help readers address their own needs or those of friends and family

Woman of Power 1990

this book explores how the next generation of teen and young adult heroines in popular culture are creating a new feminist ideal for the 21st century representations of a teenage girl who is unique or special occur again and again in coming of age stories it s an irresistible concept the heroine who seems just like every other but under the surface she has the potential to change the world this book examines the cultural significance of teen and young adult female characters the new heroines in popular culture the book addresses a wide range of examples primarily from the past two decades with several chapters focusing on a specific heroic figure in popular culture in addition the author offers a comparative analysis between the new woman figure from the late 19th and early 20th century and the new heroine in the 21st century readers will understand how representations of teenage girls in fiction and nonfiction are positioned as heroic because of their ability to find out about themselves by connecting with other people their environment and technology

Women and Mental Disorders 2011-11-08

one of the most rapidly growing religious movements in the united states feminist spirituality first came of age during the religious ferment of the 1960s it has since

emerged as one of the sturdiest survivors of that era of religious experimentation the goddess her worshipers and the myth of her reign over humankind's prehistory are becoming familiar features in the American religious landscape and are gradually spreading beyond there out into the cultural mainstream in spite of its increasing cultural presence feminist spirituality is poorly understood by those not participating in its development or privy to its secrets why do these women worship a goddess and who is she what do they do when they meet together what do they do alone what attracts them to feminist spirituality are they part of a passing cult or are they creating a new religion that will one day take its place alongside Judaism Christianity and Islam in the West what are their hopes for the world and what are they doing to see their dreams actualized living in the lap of the goddess answers these questions and more drawing on scores of interviews with spiritual feminists participant observation in feminist spirituality's rituals and retreats and a close reading of the movement's many texts sociologist of religion Cynthia Eller describes this innovative spiritual movement in detail among the topics covered are the origins of feminist spirituality its use of ritual myth and magic and the politics with which spiritual feminists determinedly intertwine their religion the feminist spirituality movement represents an important option for feminists the critical third choice available in the false dilemma between reforming patriarchal religions and giving up on religion altogether living in the lap of the goddess introduces the reader to this important option and the infinite variety that is the feminist spirituality movement memorable characters are met in the pages of this book and novel theories on gender deity human civilization and the universe are encountered throughout the key question guiding this venture into the alternative religious world is this who are these women and why are they doing what they do saying what they say thinking what they think the answers like the participants themselves are manifold and intriguing book jacket title summary field provided by Blackwell North America Inc all rights reserved

The New Heroines 2016-03-21

Spellbound Women and Witchcraft in America is a collection of twelve articles that explore crucial events in the history of witch hunting and its demonization of women in American and American women's own use of witchcraft as a source of identity and strength as well as the complicated relationship between the two beginning with the accused witches of colonial America Spellbound extends its focus through the nineteenth century to explore women's involvement with alternative spiritualities and culminates with examinations of the contemporary feminist Neopagan and Goddess movements

Living in the Lap of the Goddess 1993

Woman After Forty is a psychological journey in the life of every woman as well as a compass pointing to the future women readers over forty from the scientific studies from research centers as Harvard University Johns Hopkins University and the Mayo Clinic will find their own ways to understand and value their outward appearance and inner strength in order to feel healthy useful and fulfilled also they will draw strength from their maturity so that they can better serve and enjoy their personal goals at the various stages of their lives I like to think of it as a breath of optimism to help women confront the future with strength and energy

Feminist Periodicals 1990

Fourth wave feminism has entered the national conversation and established a highly visible presence in popular media especially in cutting edge science fiction and fantasy films and television series Wonder Woman The Wasp and Captain Marvel headline superhero films while Black Panther celebrates nonwestern power Disney princesses value sisterhood over conventional marriage this first of two companion volumes addresses cinema exploring how since 2012 such films as the Hunger Games trilogy Mad Max Fury Road and recent Star Wars installments have showcased women of action the true innovation is a product of the internet age though the web has accelerated fan engagement to the point that progressivism and backlash happen simultaneously new films increasingly emphasize diversity over toxic masculinity they defy net trolls to provide stunning role models for viewers across the spectrum of age gender and nationality

Spellbound 1998-06-01

the world's fearlessness teachings addresses the human fear problem in a truly unique and insightful way summarizing the teachings on fearlessness from around the world and throughout history the author then utilizes critical integral theory a la wilber as an approach to categorize the developmental and evolutionary spectrum of fear management systems known thus far the author has spent twenty years researching the timely topic of fear and how to best manage and transform it from this experience he offers an educational healing vision to address the challenges of a dangerous 21st century fear's empire has taken rule it is time to resist it using the best intelligence from both sacred and secular traditions as well as the transformational theories humanity has to offer fisher maps out ten fear management systems that will benefit future positive leaders everywhere

The Journey of Women After 40 2011-10-28

two psychotherapists present a supportive guide to coping with the emotional and psychological aftermath of abortion offering a step by step program that combines information reassurance and guidance to help women begin the process of recovery this is a book for any woman who feels psychological pain from her abortion this is not a book about judgment politics or religion from the authors introduction few women can walk away from the experience of abortion without some lingering emotional discomfort unresolved feelings of guilt shame and sadness may not surface until months often years after an abortion we may lead outwardly normal lives but these emotions can continue to cast a shadow having a negative impact on personal relationships coloring our moral or religious beliefs even causing anxiety when we deal with a planned pregnancy these feelings if ignored can possibly manifest themselves in more troubling ways resulting in unstable relationships self destructive and addictive behaviors depression and low self esteem now two experienced psychotherapists share their approach to dealing with sensitive and long overlooked issue of post abortion pain or trauma the healing choice breaks the silence surrounding a topic often clouded by debate and focuses exclusively on helping women chart a path toward emotional recovery through a step by step process complete with self tests exercises and interviews with women who share their own post abortion experiences dr candace de puy and dr dana dovitch will help you come to terms with your post abortion emotions and offer support as you begin the process of healing

Fourth Wave Feminism in Science Fiction and Fantasy 2019-10-15

why is the memoir genre so important what is it that drives us to tell our own stories the ancient greek myth of goddess memory and her daughters the muses offers new ways to re enter the stories of our lives and shape them in surprising ways mnemosyne's birthing of the muses underscores her commitment to express all of the facets of her personal story grief joy love body breath history spirituality reverie and humor the memoirist follows mnemosyne's imaginal lineage in crafting all memoirs memories live in matter in the very cells of our bodies writing our life stories allows us to consider the content of our experiences the plurality of perspectives from which we can choose to shape them and the use that we want to make of them we may choose to write for many reasons psychological physical and cultural healing being just a few this book suggests the exploration of an imaginable field is possible when we look at how figures from greek mythology continue to inspire contemporary life writing

The World's Fearlessness Teachings 2010

as portrayals of heroic women gain ground in film television and other media their depictions are breaking free of females as versions of male heroes or simple stereotypes of acutely weak or overly strong women although heroines continue to represent the traditional roles of mothers goddesses warriors whores witches and

priestesses these women are no longer just damsels in distress or violent warriors in heroines of film and television portrayals in popular culture award winning authors from a variety of disciplines examine the changing roles of heroic women across time in this volume editors norma jones maja bajac carter and bob batchelor have assembled a collection of essays that broaden our understanding of how heroines are portrayed across media offering readers new ways to understand perceive and think about women contributors bring fresh readings to popular films and television shows such as the girl with the dragon tattoo kill bill buffy the vampire slayer weeds mad men and star trek the representations and interpretations of these heroines are important reflections of popular culture that simultaneously empower and constrain real life women these essays help readers gain a more complete understanding of female heroes especially as related to race gender power and culture a companion volume to heroines of comic books and literature this collection will appeal to academics and broader audiences that are interested in women in popular culture

The HEALING CHOICE 2013-06-11

princess mononoke 1997 is one of anime s most important films hayao miyazaki s epic fantasy broke domestic box office records when it came out in japan keeping pace with the success of hollywood films like titanic 1997 princess mononoke was also the first of studio ghibli s films to be distributed outside japan as part of a new deal with disney subsidiary buena vista international coinciding with the 20th anniversary of the release of the film rayna denison curates this new collection to critically reflect on princess mononoke s significance within and beyond japanese culture the collection investigates the production and re production processes involved in the making of princess mononoke into a global phenomenon and reevaluates the film s significance within a range of global markets animation techniques and cultures in revisiting this undeniably important film the collection sheds light on the tensions within anime and the cultural and social issues that princess mononoke explores from environmental protection to globalization to the representation of marginalized groups in this remarkable new collection princess mononoke is examined as a key player during a major turning point in japanese animation history

Memory, Muses, Memoir 2009-12

science fiction and fantasy are often thought of as stereotypically male genres yet both have a long and celebrated history of female creators characters and fans in particular the science fiction and fantasy heroine is a recognized figure made popular in media such as alien the terminator and buffy the vampire slayer though imperfect she is strong and definitely does not need to be saved by a man this figure has had an undeniable influence on the hunger games divergent star wars the force awakens and many other more recent female led book and movie franchises despite their popularity these fictional women have received inconsistent scholarly interest this collection of new essays is intended to help fill a gap in the serious discussion of women and gender in science fiction and fantasy the contributors are scholars teachers practicing writers and other professionals in fields related to the genre critically examining the depiction of women and gender in science fiction and fantasy on both page and screen they focus on characters who are as varied as they are interesting and who range from vampire slayers to time travelers witches and spacefarers

Wildpfade 2012-12-21

what is behind outlander fever the hit television drama s popularity is it author diana gabaldon s teasing posts on social media is it the real history reimagined the highly emotional melodrama or is it the take charge heroine and the sweet hero in a kilt one of the show s biggest draws is its multigenre appeal gabaldon whose outlander novels form the basis of the series has called it science fiction fantasy romance historical fiction and military fiction depending on her audience this collection of new essays explores the series as a romance a ghost story an epic journey a cozy mystery a comedy of manners a gothic thriller and a feminist answer to game of thrones and considers the source of its broad appeal

Encyclopedia of Feminist Literary Theory 2009-03-23

over the past fifty years feminist literary criticism has become theoretical rather than practical severing any relationship between literary analysis and the real lived experiences of women an example of this disconnect is the way in which the madwoman in feminist literature has become a lauded icon of liberation when in reality her situation would be seen as anything but empowered finding the plot takes this example to task arguing that in fact any interpretation of women s madness as subversive reinforces the very gender stereotypes that feminist literary criticism should be calling into question

Simple Soulful Sacred 2019

lawyers today are in a moral crisis the popular perception of the lawyer both within the legal community and beyond is no longer the abe lincoln of american mythology but is often a greedy cynical manipulator of access and power in the lawyer s myth walter bennett goes beyond the caricatures to explore the deeper causes of why lawyers are losing their profession and what it will take to bring it back bennett draws on his experience as a lawyer judge and law teacher as well as upon oral histories of lawyers and judges in his exploration of how and why the legal profession has lost its ennobling mythology effectively using examples from history philosophy psychology mythology and literature bennett shows that the loss of professionalism is more than merely the emergence of win at all cost strategies and a scramble for personal wealth it is something more profound a loss of professional community and soul bennett identifies the old heroic myths of american lawyers and shows how they informed the values of professionalism through the middle of the last century he shows why in our more diverse society those myths are inadequate guides for today s lawyers and he also discusses the profession s agony over its trickster image and demonstrates how that archetype is not only a psychological reality but a necessary component of a vibrant professional mythology for lawyers at the heart of bennett s eloquently written book is a call to reinvigorate the legal professional community to do this lawyers must revive their creative capacities and develop a meaningful professional mythology one based on a deeper understanding of professionalism and a broader more compassionate ideal of justice
