Sustainable Entrepreneurship *2021-02-10*

the cases contribute to the understanding of a systemic change from a linear economy to a circular economy and how businesses and organisations can transform their businesses and practices towards a sustainable future through innovations and creating sustainable business opportunities sustainable and social aspects of the cases within the organisation and with the stakeholders draw a clear picture of staying competitive profitable and show the ability to create sustainable value the cases provide insight into different cultural and societal aspects in the ever changing business environment by creating an understanding of the circular economy social entrepreneurship and competitive leadership and effective performance

The One Who Stood By My Side *2019-05-01*

a teenager arrogant ignorant busy with himself yet focused like almost all teenager in town finds being a parent is no big deal mothers are meant to care and that s their given job slowly life unfolds the secrets of itself he was to soon find out the ordeal of life most importantly the ordeal of being a mother in a word spread equality following india would he be able to endure the unaware facts around him brimming with suspense laughter and emotions the one who stood by my side is an iconic book by vedant bhrambhatt this book can make you laugh will certainly make you cry and above all this will make you think on issues that really matter it s on a topic that matters more than any topic you can think of as stated by a great philosopher love and respect are sub set of the economy it simply means that if we are receiving love and respect from someone it s our duty to deliver back the same but in this modernising and westernising india of kalyuga this philosophical concept is just limited to its inference and argument this concept in kalyuga holds no place between the world s purest and selfless relationship of a mother a child this book is trying to draw the reader s attention on a topic that holds the highest priority in the list of human conduct with respect to humanity as here the concern is about the relationship that develops with the onset of one s very first breath

Gujarat Under Modi *2024-03-01*

state of the indian union his stewardship as chief minister of gujarat being the longest in that state s history modi and his bjp supporters explained his achievement by pointing to economic growth under his leadership yet detractors point out that modi has been more business friendly than market friendly to the benefit of large industrial corporations and at the cost of great social polarization in 2002 an anti muslim pogrom of

unparalleled ferocity occurred in gujarat leading to the biggest number of muslim deaths since partition the state s hindu majority immediately rallied around modi no serious riot has occurred in gujarat since but polarization was key to modi s strategy there and he has deployed that strategy again and again since he became prime minister of india in 2014 for modi has cultivated a communal image a marketing genius his messaging combines the politics of hindutva with economic modernization to the clear appreciation of gujarat s middle class christophe jaffrelot s revealing book shows how modi s gujarat served as the laboratory of modi s india not only in terms of hindu majoritarianism and national populism but also of caste and class politics

Open and Distance Learning in Secondary School Education in India 2019-11-19

this book examines the state of the open and distance learning odl based secondary education in india odl based education has been a key resource for children in india who can neither cope with nor avail of regular schooling opportunities due to economic health and disability or other constraints the volume uses large scale empirical data collected from various indian states and a sensitive theoretical framework to study the equity efficiency and effectiveness of the national institute of open schooling nios and the state open school sos highlighting the roadblocks and barriers in terms of its reach inclusion and delivery particularly to the marginalised this book explores whether odl has a potential of being a sustainable and effective option at the secondary and senior secondary level in india thus it seeks to generate policy discourse around delivery mechanisms and effectiveness of odl in developing countries first of its kind this comprehensive volume will be useful for scholars and researchers of education education policy public policy and political studies

Farmer Management of Groundwater Irrigation in Asia 1994-12

selected proceedings of the 11th stockholm water symposium water security for the 21st century building bridges through dialogue held in stockholm sweden 13 16 august 2001 the 11th stockholm water symposium had the theme water security for the 21st century building bridges through dialogue the aim was to actively contribute in building bridges between different groups involved in societal planning and in economic decision making on the one hand and between the experts involved in water resources development and management in food and industrial production and in protection of ecological services on the other hand the overarching goal was to contribute to facilitation of a sustainable development by linking water visions to economic political and ecological visions how to influence globalization and other remote driving forces were crucial perspectives under discussion the symposium introduced a new workshop format allocating ample time for the building of bridges

through dialogue only a limited number of oral presentations were given and more than half of the time was used for dialogue and discussion the dialogues were conducted by moderators and the discussions were summed up by chairmen and rapporteurs the future oriented multi disciplinary stockholm water symposia are convened annually by the stockholm international water institute siwi a scientific technical and awareness building organization that contributes to international efforts to combat the escalating global water crisis siwi facilitates research raises understanding and stimulates action on world water issues

Urja 1990

this book is about gujarat development in the last decade though most of the other states have grown gujarat has shown all round development the author feels this should be the template for growth in whole of india
