40 star trek the motion picture the art and visual effects 1966-1969 sf 3 20 original works of art by a new artist publishing under the name star art will keep you busy for hours every picture is filled with details of real and imaginary creatures some human like some not so human each page can be colored and framed or left in the book as a completed project in the back of the book you ll find fascinating information about each drawing direct from the artist there s even hidden objects to search for whether you like to color with crayons pencil or ink whether you re a teen or other this is the book for you the author has been saved the trouble of searching for a title to his book from the simple circumstance that the articles of which the work is made up appeared in the columns of the new york independent with the signature of a star and having been familiarly called the star articles by way of designation they now become in a book form star papers only such papers as related to art and to rural affairs have been published in this volume it was thought best to put all controversial articles in another and subsequent volume the letters to europe were written to home friends during a visit of only four weeks a period too short to allow the subsidence of that enthusiasm which every person must needs experience who for the first time stands in the historic places of the old world an attempt to exclude from these letters any excess of personal feeling to reduce them to a more moderate tone to correct their judgments or to extract from them the fiery particles of enthusiasms would have taken away their very life the other papers in this volume for the most part were written from the solitudes of the country during the vacations of three summers the second art book in the last returning star series featuring character art from all three books in the series including the last returning star phantom cosmonaut the last returning star 2 zero hour and the last returning star 3 nuclear umbra bellum contained within is all the once thought to be lost concept art left over after a series of unfortunate events destroyed all the other art work and nearly lead to the books cancellation now after a fortunate and miraculous recovery of said thought to be lost art work and a three year wait volume 2 of the last returning star s art collection has now escaped the depths of development hell and lives to tell the rather short but tolerable tale 28 oban star racers is the hugely popular animated tv series which shows around the world in the year 2082 earth has been invited to compete in the great race of ban an intergalactic competition held every 10 000 years which promises to grant the winner any wish they chose eva molly wei joins her father s racing team incognito as the driver to compete in the galaxy s greatest race this art book is an in depth look at the development and making of the series oban star racers packed with beautiful full colour images this shows every stage from concept art through to finished animation 100 art review 2017 1 8 76 45 1980 draw me a star and the artist drew a star it was a good star draw me a sun said the star and the artist drew a sun and on the artist draws bringing the world to life picture by beautiful picture until he is spirited across the night sky by a star that shines on all he has made in draw me a star eric carle celebrates the imagination in all of us with a beguiling story about a young artist who creates a world of light and possibility a remarkable quintessentially simple book encompassing creation creativity and the cycle of life within the eternal kirkus reviews pointer review this book will appeal to readers of all ages an inspired book in every sense of the word school library journal a fable about the passage through life and its fullness of possibilities

children will like the cumulative effects of the tale the creation of the world through paints and carle s collages flaring with rainbow hues the bulletin of the center for children s books stars in my eyes is a revealing and entertaining collection of celebrity portraits rendered both in acute drawings and in finely observed prose in the 1970s and 1980s internationally known artist don bachardy made portraits from life depicting the actors writers artists composers directors and hollywood elite that he and his partner christopher isherwood knew he then made detailed notes about these portrait sittings in the journal he has kept for more than forty years the result is a unique document we enter the mind of the artist as he records the images and behavior of his celebrity subjects from ruby keeler and barbara stanwyck to jack nicholson and linda ronstadt during their often intense collaboration with him finalist lambda book award a complete and in depth look at the art of the newest star trek trilogy covering the creation of star trek 2009 star trek into darkness and star trek beyond this lavish art book contains never before seen concept art and designs as well as interviews with the key creatives who helped bring these exciting movies to life on the big screen best of star wars art 1 akira this catalogue is published on the occasion of the exhibition by the same name wendy red star a scratch on the earth is a mid career survey of the work of portland artist wendy red star born 1981 billings montana drawing on pop culture conceptual art strategies and the crow traditions within which she was raised red star pushes photography in new directions from self portraiture to photo collage and mixed media to bring to life her unique perspective on american history an enrolled member of the apsaalooke crow tribe red star works across disciplines to explore the intersections of native american ideologies and colonialist structures with 60 works highlighting red star s production from 2006 to 2019 the exhibition includes photography textiles and film and sound installations at the heart of the exhibition a new immersive video will be screened inside a sweat lodge constructed by the artist the indigenous roots of feminism the importance of family crow mythology the history of the montana landscape and the pageantry of crow fest are among the subjects red star explores in her work a scratch on the earth also highlights how boundaries between cultural racial social and gender lines are reinforced in america and how these lines blur across time and place over the past few decades john eaves has had a major impact on the look of the star trek universe and played a pivotal role in shaping gene roddenberry s vision starting with his work on star trek v the final frontier eaves has worked as a production designer illustrator and model maker across the franchise he has been responsible for creating many of the props and ships and helped develop the federation design from the u s s enterprise ncc 1701 e to the u s s discovery ncc 1031 star trek the art of john eaves represents the most extensive collection of designs and illustrations created by eaves across the star trek universe featuring fascinating pencil sketches and stunning concept art this visually dynamic book gives fans a unique in depth look into eaves creative vision and the wealth of his remarkable work at the center of this spectacular franchise the toronto neighbourhoods bundle presents a collection of titles that provide fascinating insight into the history and development of canada s largest and most diverse city beginning with histories of canada s longest street and the early days of what was once called york the yonge street story 1793 1860 a city in the making opportunity road the titles in the bundle go on to examine the development of particular unique neighbourhoods that help give the city its character willowdale leaside finally mark osbaldeston s acclaimed award winning unbuilt toronto and unbuilt toronto 2 go beyond history and into the arena of speculation as the author details ambitious and possibly city changing plans that never came to fruition for lovers of toronto this collection is a bonanza of insights and facts includes a city in the making leaside opportunity road unbuilt toronto unbuilt toronto 2 willowdale the yonge street story 1793 1860 showcasing his entire star trek career to date this visually stunning retrospective celebrates the inventiveness of neville page s designs during a career spanning over twenty years visionary creature designer neville page has applied his considerable expertise to the creation and development of the aliens of the star trek universe from the movies star trek 2009 through to star trek beyond 2016 as well as the shows star trek discovery and star trek picard page s incredibly detailed and intricate work has yielded some of the franchise s most memorable characters featuring captivating concept art and detailed sketches star trek the art of neville page provides exclusive insight into page s creative process this is essential reading for star trek fans as it includes a vast collection of illustrations from his remarkable work plus an exclusive foreword and insightful afterword by award winning filmmakers alex kurtzman and michael westmore covers all aliens developed by page for the recent entries in the star trek franchise including the klingon redesign and the kelpiens from the public s first glimpse of the original starship enterprise to the brave new worlds explored in star trek voyager the never ending phenomenon that is star trek has treated generations of

viewers to a dazzling barrage of unforgettable images of the future bizarre alien beings breathtaking extraterrestrial landscapes exotic costumes state of the art special effects and remarkably convincing futuristic sets and props and equipment have brought gene roddenberry s inspiring vision to life before the public s awestruck eyes the art of star trek is a one of a kind gallery of star trek artwork as well as tribute to the many artists designers and technicians whose diverse talents and imagination created the distinctive look of the star trek universe every incarnation of star trek is explored the original series the animated series star trek the next generation star trek deep space nine and star trek voyager and the films with the complete behind the scenes story of star trek s design history with hundreds of full color illustrations and photographs many from private collections readers will at last be able to linger on star trek s rich visual legacy and trace the evolution of and images from their initial conceptions to their final form on television and film screens like all great works of art the many sights and visual surprises of star trek have been built from scratch through a combination of inspiration and painstaking effort the art of star trek covers the entire universe of star trek artwork and production design to reveal how in all of its various forms star trek has allowed us to look boldly into the future and see what no one has seen before the art of star trek is the art of pure imagination the art of a bright hopeful future and the art of three remarkable decades on nonstop action and adventure lavishly illustrated it is a book to be read and referred to time after time as well as one that will become a cherished chronicle fo star trek s first thirty years
