Any future biographical work on Richard Wright will find this bibliography a necessity. Academic or public libraries supporting a program of Black culture will find it invaluable, and it belongs in any library supporting American literature studies. Richard Wright has truly been well served. This is the most comprehensive bibliography ever compiled for an American writer. This book contains 13,117 annotated items pertaining to Richard Wright. It includes almost all published mentions of the author or his work in every language in which those mentions appear. Sources listed include books, articles, reviews, notes, news items, publishers' catalogs, promotional materials, book jackets, dissertations, and theses, encyclopedias, biographical dictionaries, handbooks, and study guides, library reports, best seller charts, the Index Translationum, playbills, and advertisements, editorials, radio transcripts, and published letters and interviews. The bibliography is arranged chronologically by year. Each entry includes bibliographical information, an annotation by the author, and information about all reprintings, partial or full. The index is unusually complete and contains the titles of Wright's works, real and fictional characters in the works, entries relating to significant places and events in the author's life, important literary terminology, and much additional information. The fourth edition of *Unfair Dismissal* has been written for those who want to locate and read a summary of one or more of the many topics within this particular area of employment law, together with a summary of the relevant line of case authorities and the relevant legislation.
