## Fishing Stories from Australia 2018-05

this book comprises a collection of popular folk stories from Guyana and other countries of the Caribbean region. The starring character in all of them is Nansi whose exploits form part of the folklore of these countries. Nansi, the starring character in all the stories, is also popularly known as Anansi, but in Guyana and some other Caribbean countries, Nansi, the shortened form of this name, is usually preferred. Nansi is a spider but who sometimes takes the qualities or form of a man or even half man and half spider. Originally the chief trickster among the Ashanti and Akan peoples of West Africa, when some of these peoples were forcibly brought to the Caribbean and the American continent as slaves from the sixteenth to the nineteenth centuries, they also brought with them the tales of the exploits of Nansi, who was and still is variably regarded as a folk hero, a cunning trickster, and also sometimes as a fool. The stories in this book are no different to the ones told in West Africa or other parts of the Caribbean and the South East United States. Even though the plots and the characters involved may vary slightly, they certainly provide tangible evidence that much of the oral traditions of people of African origin in the Americas remain intact despite the historical trauma caused by centuries of slavery. Nansi is always outwitting the forest creatures, humans, his own family, the community in which he lives, and sometimes even deities. His character assumes various patterns; in some cases, he is regarded as wise, but he can be greedy, cunning, gluttonous, stupid, and dishonest. Despite these varying characteristics, Nansi is generally admired for the manner in which he outwits others in Guyana and other countries of the English-speaking Caribbean. Particularly in rural areas, the exploits of Nansi are related by older people as a form of entertainment at wakes and other community gatherings. The stories are now no longer exclusive to people of West African ancestry since people of all ethnic origins in these countries regard Nansi as their folk hero as well. Interestingly, all stories told at these informal community gatherings are regarded as Nansi stories, even though Nansi may not be a character in any of them. The tales of Nansi are very imaginative and they are so embedded in the minds of people of Guyana and the Caribbean that sometimes any story that is far-fetched and hard to believe is dismissed as a Nansi story.

## Spenser's The Faerie Queene! 2013-09

Spenser's *The Faerie Queene* is one of the masterpieces of English poetry and certainly part of the literary pedigree that culminated in Tolkien. However, the original text is very difficult to follow for modern readers because of the archaic language and spelling. To the rescue comes Mary Macleod, her late Victorian retelling in straightforward modern English allows one to plow through Spenser's intricate and allegorical plot. If you are planning to read *The Faerie Queene* or want to understand the narrative but don't have the time or patience to tangle with an epic poem in early modern English, you've come to the right place.

## Stories from the Night Land Revised 1991

*School Days in Vietnam* is the third book in a trilogy that encompasses five years of teaching English in Thailand, Myanmar, and Vietnam. I only taught for a year in Hanoi and used the second year to travel and carry on with other missions in my life that included writing much of this book and other stories about travel. I had wanted to live in Hanoi since first visiting in 2004, but the opportunity didn't present itself until eight years later through employment as an English teacher in an international school. In my mind, I had high expectations and a goal of remaining in Hanoi for two years. Everything was more interesting and meaningful than I could have expected, and at the end of two years, I felt tied to my friendships and the amazing lifestyle that was simple yet lavish in humanity. I was totally enamored with Vietnam, the people, the natural beauty of its diverse geography, and the culture that separates it from all other nations. I

made more friends than i had in any other country and in north vietnam i enjoyed a weather pattern that was near to the tropics but decidedly four seasons
