Confessions of an AIDS Victim

1993

confessions of an english opium eater is an autobiographical account written by thomas de quincey about his laudanum opium and alcohol addiction and its effect on his life the confessions was the first major work de quincey published and the one which won him fame almost overnight from its first appearance the literary style of the confessions attracted attention and comment de quincey was well read in the english literature of the sixteenth and seventeenth centuries and assimilated influences and models from sir thomas browne and other writers arguably the most famous and often quoted passage in the confessions is the apostrophe to opium in the final paragraph of the pleasures oh just subtle and mighty opium that to the hearts of poor and rich alike for

the wounds that will never heal and for the pangs that tempt the spirit to rebel bringest an assuaging balm eloquent opium that with thy potent rhetoric stealest away the purposes of wrath and to the guilty man for one night givest back the hopes of his youth and hands washed pure of blood

Confessions of an Opium Eater

shocking bestseller the original version of this astonishing tell all book spent 73 weeks on the new york times bestseller list has sold more than 1 25 million copies and has been translated into 32 languages new revelations featuring 15 explosive new chapters this expanded edition of perkins s classic bestseller brings the story of economic hit men ehms up to date and chillingly home to the us over 40 percent of the book is new including chapters identifying today s ehms and a detailed chronology extensively documenting ehm activity since the first edition was published in 2004 former economic hit man john perkins shares new details about the ways he and others cheated countries around the globe out of trillions of dollars then he reveals how the deadly ehm cancer he helped create has spread far more widely and deeply than ever in the us and everywhere else to become the dominant system of business government and society today finally he gives an insider view of what we each can do to change it economic hit men are the shock troops of what perkins calls the corporatocracy a vast network of corporations banks colluding governments and the rich and powerful people tied to them if the ehms can t maintain the corrupt status quo through nonviolent coercion the jackal assassins swoop in the heart of this book is a completely new section over 100 pages long that exposes the fact that all the ehm and jackal tools false economics false promises threats bribes extortion debt deception coups assassinations unbridled military power are used around the world today exponentially more than during the era perkins exposed over a

decade ago the material in this new section ranges from the seychelles honduras ecuador and libya to turkey western europe vietnam china and in perhaps the most unexpected and sinister development the united states where the new ehms bankers lobbyists corporate executives and others con governments and the public into submitting to policies that make the rich richer and the poor poorer but as dark as the story gets this reformed ehm also provides hope perkins offers a detailed list of specific actions each of us can take to transform what he calls a failing death economy into a life economy that provides sustainable abundance for all

Confessions of an English Opium-eater

1822

the first literary addiction memoir featuring the autobiographical *suspiria de profundis* the inspiration for the 2018 horror film *suspiria* starring dakota johnson and tilda swinton and directed by luca guadagnino in this remarkable autobiography thomas de quincey hauntingly describes the surreal visions and hallucinatory nocturnal wanderings he took through london and the nightmares despair and paranoia to which he became prey under the influence of the then legal painkiller laudanum forging a link between artistic self expression and addiction *confessions of an english opium eater* and other writings seamlessly weaves the effects of drugs and the nature of dreams memory and imagination first published in 1821 it paved the way for later generations of literary drug users from baudelaire to burroughs and anticipated psychoanalysis with its insights into the subconscious this edition is based on the original serial version of 1821 and reproduces two sequels *suspiria de profundis* 1845 and *the english mail coach* 1849 it also includes a critical introduction discussing the romantic figure of the addict and the tradition of confessional literature and an appendix on opium in the nineteenth century for more than seventy years penguin has been the leading publisher of classic literature in the english speaking world with more than 1 800 titles penguin classics represents a global bookshelf of the best works throughout history and across genres and disciplines readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators

The Confessions of an English Opium-Eater

2015-12-17

confessions of an english opium eater being an extract from the life of a scholar by thomas de quincey *confessions of an english opium eater* 1821 is an autobiographical account written by thomas de quincey about his laudanum addiction and its effect on his life the *confessions* was the first major work de quincey published and the one which won him fame almost overnight first published anonymously in september and october 1821

in the london magazine the confessions was released in book form in 1822 and again in 1856 in an edition revised by de quincey the confessions maintained a place of primacy in de quincey s literary output and his literary reputation from its first publication it went through countless editions with only occasional intervals of a few years and was often translated since there was little systematic study of narcotics until long after his death de quincey s account assumed an authoritative status and actually dominated the scientific and public views of the effects of opium for several generations
