Nuremberg Diary 1995-08-22 in 1945 after his capture at the end of the second world war hermann göring arrived at an american run detention center in war torn luxembourg accompanied by sixteen suitcases and a red hatbox the suitcases contained all manner of paraphernalia medals gems two cigar cutters silk underwear a hot water bottle and the equivalent of 1 million in cash hidden in a coffee can a set of brass vials housed glass capsules containing a clear liquid and a white precipitate potassium cyanide joining göring in the detention center were the elite of the captured nazi regime grand admiral dönitz armed forces commander wilhelm keitel and his deputy alfred jodl the mentally unstable robert ley the suicidal hans frank the pornographic propagandist julius streicher fifty two senior nazis in all of whom the dominant figure was göring to ensure that the villainous captives were fit for trial at nuremberg the us army sent an ambitious army psychiatrist captain douglas m kelley to supervise their mental well being during their detention kelley realized he was being offered the professional opportunity of a lifetime to discover a distinguishing trait among these arch criminals that would mark them as psychologically different from the rest of humanity so began a remarkable relationship between kelley and his captors told here for the first time with unique access to kelley s long hidden papers and medical records kelley s was a hazardous quest dangerous because against all his expectations he began to appreciate and understand some of the nazi captives none more so than the former reichsmarschall hermann göring evil had its charms

The Psychology of Dictatorship 1979 the holocaust holds a unique place in american public culture and as jeffrey shandler argues in while america watches it is television more than any other medium that has brought the holocaust into our homes our hearts and our minds much has been written about holocaust film and literature and yet the medium that brings the subject to most people television has been largely neglected now shandler provides the first account of how television has familiarized the american people with the holocaust he starts with wartime newsreels of liberated concentration camps showing how they set the moral tone for viewing scenes of genocide and then moves to television to explain how the holocaust and the holocaust survivor have gained stature as moral symbols in american culture from early teleplays to coverage of the eichmann trial and the holocaust miniseries as well as documentaries popular series such as all in the family and star trek and news reports of recent interethnic violence in bosnia shandler offers an enlightening tour of television history shandler also examines the many controversies that televised presentations of the holocaust have sparked demonstrating how their impact extends well beyond the broadcasts themselves while america watches is sure to continue this discussion and possibly the controversies among many readers

The Nazi and the Psychiatrist 2013-09-10 he was evil incarnate a main perpetrator of the holocaust standing at six foot four inches and with deeply grotesque facial scars he instilled fear as hitler s top executioner of death this thoroughly researched book takes you into the twisted psyche of one of the most vile and murdering figures of the nazi regime ernst kaltenbrunner was a high ranking austrian ss official a driven anti semite and fanatical hitler

loyalist rising quickly in the ranks he was personally appointed as chief of the reich security main office rsha which included the gestapo kripo and sd by himmler himself under kaltenbrunner s command the genocide of jews greatly intensified as the process of extermination throughout the occupied countries picked up incredible pace over seventy years later arthur birago stumbles upon a mind blowing forty page letter by kaltenbrunner that was hidden away in a safe of the state archive of upper austria written secretly in nuremberg prison while waiting to be executed the letter is addressed to his children and was smuggled out in the bra of a female visitor it s a sentimental and mendacious account of his childhood memories and upbringing in the countryside from where he climbed to the zenith of power in the nazi ranks and ultimately enjoyed the privilege of having direct access to hitler the letter is kaltenbrunner s legacy to his children and a potential blueprint of a future all powerful fourth reich k kaltenbrunner is a meticulously researched and powerfully written book based on the historical facts surrounding ernst kaltenbrunner s last months of life the prose masterfully draws you deeper and deeper into his distorted and abysmal psyche until you re sitting face to face with the nazi monster inside his cell on death row a riveting historical creative nonfiction k kaltenbrunner brings to life little known facts about the former lord of the concentration camps never published before it s perfect for readers interested in the holocaust world war two historical nonfiction wwii war criminals and the nuremberg trials order your copy now and get ready to delve into the distorted mind of a war criminal who ordered in the morning the killing of thousands of innocent people in the gas chambers of the concentration camps and was in the evening at home a loving father to his children

The Nuremberg Diary 1971 reporting the nuremberg trials is steeped in reverence for an era in journalism faintly lit by modern history despite its many parallels to today fletcher again and again reveals lessons for today s real time news cycles including the perils of misinformation professional subterfuge and abbreviated ethics jesse garnier journalism chair and associate professor san francisco state university for the first time journalists who shared details about nazi crimes from the international military tribunal better known as the nuremberg trial have their own story told as world war ii in europe drew to a close in 1945 the allies prepared to hold nazi leaders accountable for crimes against humanity and selected nuremberg as the site for the trial the u s military took the lead in refurbishing a courtroom and making accommodations for 325 journalists and 23 defendants plus allied judges prosecutors translators and administrative staff because publicity was a main consideration the latest innovations and technology were incorporated into the courtroom to enhance news coverage of the trial press passes were in demand worldwide for courtroom seats a press pool was selected to witness the executions in which 10 criminals were hung on oct 16 1946 famous war correspondents and young journalists who later became household names were headquartered in a castle explored bombed ruins and faced dangers as a lingering spirit of nazism seethed within the city the lengthy trial became an excruciating endurance test for journalists by the time it ended far longer than expected on oct 1 1946 setting a precedent for coverage of subsequent justice at nuremberg the author a long time journalist and former foreign correspondent provides an insider s look at

how the news was gathered and conveyed the book is based on extensive research and insights gathered from nuremberg including at the location where the journalists were housed and at the courtroom itself

While America Watches 2000-09-21 the holocaust has been the subject of countless books works of art and memorials fiftyfive years after the fact the world still ponders the enormity of this disaster the holocaust encyclopedia is the only comprehensive single volume work of reference providing both a reflective overview of the subject and abundant detail concerning major events policy decisions cities and individuals up to date and designed for easy access the encyclopedia presents information on the major aspects of the holocaust in essays by scholars from eleven countries who draw on a number of sources including recently uncovered evidence from the former soviet bloc to provide in depth studies on the political social religious and moral issues of the holocaust as well as short entries identifying events sites and individuals the book also has more than 250 photographs many of them rare and 19 maps the volume includes raul hilberg on concentration camps and gypsies ruth bondy israel gutman and dina porat on major ghettos roger greenspun on the holocaust in cinema and television richard breitman on american policy michael berenbaum on theological and philosophical responses saul friedlander on nazi policy michael hagemester on the protocols of the elders of zion michael r marrus on historiography christopher r browning on the madagascar plan robert s wistrich on holocaust denial james e young on holocaust literature

Kaltenbrunner 2021-07-05 though three of his four grandparents were from america and the first language he learned at home was english baldur von schirach became one of the third reich s most influential individuals he joined the nazi party as early as 1925 at the age of eighteen and three years later became a member of its national leadership he also married henriette the daughter of hitler s personal photographer heinrich hoffmann von schirach continued to rise through the ranks of the nazi party reaching the rank of sa gruppenführer it was as the leader of the hitler youth organization however for which von schirach is best remembered becoming reichsführer of the hitler youth on 16 june 1932 and the following year was given responsibility for all youth organizations in germany he also became a member of the reichstag as a representative of the party despite his influential position he was called up for military service and served in the french campaign of 1940 following this he became reich governor and the nazi s gauleiter reichsstatthalter in vienna powerful positions he retained until the final collapse of the third reich in may 1945 his responsibilities as gauleiter and reichsstatthalter included overseeing the deportation of vienna s jews to ghettos and concentration camps in occupied poland though a confirmed anti semite later in the war he pleaded for a moderate treatment of the eastern european peoples and criticized the conditions in which jews were being deported this caused a breach with hitler and the nazi leadership though he managed to retain his position in vienna following his capture by us troops von schirach was among the major war criminals put on trial at nuremberg found guilty of crimes against humanity on 1 october 1946 von schirach was sentenced to twenty years imprisonment he served out his time in the company of rudolf hess and albert speer in spandau prison he admitted his crimes and his role in the deportations and in his

autobiography i believed in hitler he explained how he was drawn into the world of the nazis he also said that his aim was destroy any belief in the rebirth of nazism as well as blaming himself for not having done more to prevent the concentration camps this detailed and balanced analysis of baldur von schirach reveals the true and ambivalent nature of a complex and fascinating individual who played a key role in the events leading up to and during the second world war

General Catalogue of Printed Books 1969 the best single volume available on the torturous life and savage reign of adolf hitler time a bestseller in its original german edition and subsequently translated into more than a dozen languages joachim fest s hitler has become a classic portrait of a man a nation and an era fest tells and interprets the extraordinary story of a man s and nation s rise from impotence to absolute power as germany and hitler from shared premises entered into their covenant he shows hitler exploiting the resentments of the shaken post world war i social order and seeing through all that was hollow behind the appearance of power at home and abroad fest reveals the singularly penetrating politician hypnotizing germans and outsiders alike with the scope of his projects and the theatricality of their presentation perhaps most importantly he also brilliantly uncovers the destructive personality that aimed for and achieved devastation on an unprecedented scale as history and biography this is a towering achievement a compelling story told in a way only a german could tell it dispassionately but from the inside time Reporting the Nuremberg Trials 2024-08-30 in 1965 five years after the capture of adolf eichmann in buenos aires one of his mossad abductors was sent back to south america to kill another fugitive nazi the so called butcher of riga latvian herberts cukurs cukurs was shot on his corpse the assassins left pages from the closing speech of the chief british prosecutor at the international military tribunal at nuremberg after this ordeal to which mankind has been submitted mankind itself comes to this court and cries these are our laws let them prevail years later the latvian prosecutor general began investigating the possibility of redeeming cukurs for his past actions researching the case linda kinstler discovered that her grandfather boris had served in cukurs s killing unit and was rumored to be a double agent for the kgb the proceedings which might have resulted in cukurs s pardon threw into question supposed facts about the holocaust at the precise moment its last living survivors the last legal witnesses were dying rich with scholarly detective work and personal reflection come to this court and cry is a fearlessly brave examination of how history can become distorted over time how easily the innocent are forgotten and how carelessly the guilty are sometimes reprieved
