Principles of Business Law 2001 3 things to know about the focus of dynamic business law 2e emphasis on ethical decision making in chapter 2 the authors introduce a framework for making ethical business decisions that students can use on a regular basis following each case there are questions designed to train students to apply this approach then repeatedly throughout the chapters questions about business ethics are raised in the text this framework is designed to help improve the learning process of students and to give a sense of relevancy to the ethical decision making process emphasis on critical thinking neil browne one of the co authors of this text has written a successful text on critical thinking his framework is included in dynamic business law as well to help students learn how to frame and reframe a question issue critical thinking questions are also included at the end of each case to further tie in this component emphasis on the business in business law dynamic business law emphasises the tie of legal issues back to the core business curriculum this will help both students and faculty students need to understand how the concepts they learn in this course tie into their business careers instructors can easily show that the study of business law is best seen as a foundational component of the larger study of business administration dynamic business law now includes connect business law as a packaging option connect includes interactive applications for each chapter of the textbook and helps students apply legal concepts to business stimulates critical thinking and reinforces key topics overview dynamic business law 2e is appropriate

for the two term business law course emphasis on the business in business law dynamic business law emphasizes the tie of legal issues back to the core business curriculum this will help both students and faculty faculty need to know how this is integrated as they are constantly defending the inclusion of this course in the business curriculum and students need to understand how the concepts tie to their future business careers emphasis on teaching many professors teaching this course are attorneys first and academics second they do not have a lot of time to prepare or think about how to apply this information effectively for their business students dynamic business law contains a helpful instructor s manual particularly for the many adjuncts teaching this course emphasis on critical thinking neil browne one of the co authors of this text has written a successful text on critical thinking his framework is included in dynamic business law as well to help students learn how to frame and reframe a question issue critical thinking questions are also included at the end of each case to further tie in this component instructor s supplements the online learning center contains the complete im test bank powerpoint image library and video clips instructor s manual the instructor s manual provides a clear outline of how to begin using this text and is especially helpful to adjuncts who teach business law sample syllabi are included as well as detailed lecture outlines incorporating powerpoints and other materials professors can bring into their lectures exciting and new examples from outside the text are also included and can be discussed in class to help generate excitement and involvement in the course from students test bank the test bank developed by vonda laughlin of carson newman college contains a variety of true false multiple choice and essay questions as well as scenario based questions which are application based and use a situation described in a narrative with 3 5 multiple choice test questions based on the situation described in the narrative we ve aligned our test bank with the new aacsb guidelines tagging each question according to its knowledge and skills areas categories include global ethics and social responsibility legal and other external environment communication diversity group dynamics individual dynamics production and it designations aligning questions with learning objectives features and case exist as well powerpoint presentation slides developed by jeff penley at catawba valley community college we offer two different sets of slides for professors the basic set consists of an outline of each chapter the premium set expands on this outline to include hypotheticals and ethical dilemmas allowing the instructor to incorporate application into the lecture instructor video dvd isbn 0077339118 13 digit 9780077339111 the instructor video dvd contains video clips from cbs that highlight current legal issues instructor notes located on the olc give insight into how to incorporate segments into the classroom and offer questions to stimulate discussion most of these videos are also part of premium content a big plus for instructors teaching online hybrid courses

Essentials of Business Law 2015-02-16 excerpt from the elements of business law with illustrative examples and problems an effort has been made in this book to state as concisely and clearly as possible the leading and fundamental principles of business law and in place of extended abstract explanations of them to substitute simple concrete examples showing them in their actual application to business transactions in order that the conclusions

drawn in these examples may be verified and not rest upon mere conjecture the examples have for the most part been taken from cases decided in the courts at the end of each chapter are given a number of concrete problems without the conclusions intended to afford an exercise in the application of the principles drawn from the text and the examples these also have been taken mainly from the decided cases the drill in the examples and problems should be constant and thorough and will be found far more interesting and instructive and far better calculated to develop intelligent thinking and reasoning than the memorizing and repeating of abstract dogmatic statements the arrangement of the book has kept in view a logical analysis and unfolding of the subject but if for any reason it should be thought desirable to deal with negotiable instruments earlier in the course it would do equally well to interchange parts ii and iii giving the latter first should the book prove too extended for the time allotted parts v and vi may be omitted although it would be well to cover if possible the chapter on partnership about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Business Law Journal 1929 excerpt from the essentials of business law with forms of legal and business documents prepared for the use of schools and colleges as a book of reference for business men law of property and civil rights the law of property and civil rights is divided into two branches the law of contracts and the law of torts about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
