a wonderful story about leadership in this little book you will find the tools necessary to enhance your leadership journey thanks patrick for giving us such a gift howard behar former president of starbucks international discover how to become a highly effective leader in this inspiring leadership story whether you are a startup founder an entrepreneur a manager who has just been promoted into a leadership position or a senior executive your success will depend on others if you cannot lead people groups and organizations effectively your teams will fail and you will fail as a leader in contrast if you know how to transform a set of strong individuals into a thriving cohesive team the sky is the limit if you know how to lead effectively you will achieve the extraordinary but how do you become an effective leader if you are anything like the many leaders patrick flesner has enjoyed working with you also look for answers to this question but the answers you get are often dissatisfying because they come pieces at a time in fact leadership advice comes in piecemeal fashion there is no leadership framework you can follow systematically to become an effective leader therefore you end up doing what you ve always been doing you lead using your gut feeling in the leadership house patrick flesner provides the answers you ve been looking for in this leadership story about a ceo who walks the challenging path to becoming an effective leader he shares the long missing framework he shares a leadership framework that will enable you to systematically develop your leadership skills and become the leader you want to be a highly effective leader who leads with ease in the leadership house you will learn why trust is the foundation of effective leadership that a strong team is more than great talent in the right positions how to ensure your team members collaborate and embrace teamwork why the accountability concept is key for leadership success how to empower your team members how to execute your plans wherever you are on your particular walk of life in your career and in your organization you will benefit from and find value in this leadership guide wrapped in an inspiring leadership story great storytelling alongside with the simultaneous communication of

Everyday People, Extraordinary Leadership 2021-01-20

the impact of the global financial crisis is still being felt today and the deeply unethical behaviour of the top level leaders at those economic and financial organizations that were at the heart of the crisis has served to highlight the importance of integrity and in particular the need for servant leadership if we are to avoid another major catastrophe in the management of both commercial and non profit organizations servant leadership has many features in common with transformational leadership but is primarily focused on caring about employees and their personal development ethical behaviour is one of the most important components of successful leadership yet this remains insufficiently investigated especially from an interdisciplinary perspective with the help of theory empirical analysis and the relevant methodological apparatus the authors fill the gap in the analysis of integrity and its impact on leadership and locate the significant factors which affect integrity in general they develop and assess the forces that impact servant leadership style as well as the ability to engender trust as a starting point they make two assumptions an important element in leading is the ethical dimension of leadership the ratio of factors that affect leading and the servant leadership style is complex but the integrity of leaders is the most important among them the authors examine four integrated scientific areas ethics and business ethics human resource management and psychology and focus on the analysis of the process of leadership and the factors within that process of leading that influence its success and its ethical dimension

The Leadership Challenge 2012-06-18

today it is essential for leaders to interact closely within an organization s community to effectively promote its organizational development understanding trust at the individual level allows for business improvement servant leadership styles and strategic decision making provides the relevant theoretical framework and the latest empirical research on servant leadership styles and cognitive styles from an eastern perspective featuring coverage on a variety of topics including autocratic leadership leadership effectiveness and organizational support this book explores decision making theories as moderators and mediators for leadership effectiveness this book is designed for managers professionals researchers educators and administrators seeking current research on participative leader decision making and philosophy
