The New Domestic Automakers in the United States and Canada 2015-12-16 v 1 source country v 2 industry sector standard industrial classification v 3 state location

Foreign Direct Investment in the United States ... Transactions 1985
This book provides a comprehensive survey of foreign direct investment in the United States from 1970 to 1984. It covers the source countries, the industries, and the states. The book is organized into three volumes: Volume 1 covers source countries, Volume 2 covers industries, and Volume 3 covers states. Each volume provides detailed data on the amount of investment, the types of companies, and the economic impact of the investment.

Foreign Direct Investment in the United States: Source country 1985 today every international transaction has potential antitrust implications before you risk anything in foreign trade consult the fifth edition of wilbur l fugate s foreign commerce and the antitrust laws fugate offers expert analysis of how the u s antitrust laws affect companies abilities to import and export goods invest in foreign companies and enter into joint ventures and other trading arrangements it provides in depth discussion of current statutory and case law as well as expert analysis of the latest developments including areas like these foreign licensing of intellectual property transnational mergers and acquisitions transportation restrictions and other problems of international distribution and everything else you ll need to ensure protection under and compliance with today s far reaching antitrust and competition laws

Computerized Manufacturing Automation 1984 the uaw s southern gamble is the first in depth assessment of the united auto workers efforts to organize foreign vehicle plants daimler chrysler mercedes benz nissan and volkswagen in the american south since 1989 an era when union membership declined precipitously stephen j silvia chronicles transnational union cooperation between the uaw and its counterparts in brazil france germany and japan and documents the development of employer strategies that have proven increasingly effective at thwarting unionization silvia shows that when organizing unions must now fight on three fronts at the worksite in the corporate boardroom and in the political realm the uaw s southern gamble makes clear that the uaw s failed campaigns in the south can teach hard won lessons about challenging the structural and legal roadblocks to union participation and effectively organizing workers within and beyond the auto industry

Scouting 1998-11 the internationalization of japan provides the english speaking reader with the opportunity to

hear what some of japan s leading social scientists and other commentators have to say about the internationalization of their country as well as their country s impact overseas the topic is of extreme importance now as the international community demands a greater japanese contribution to international society as well as changes in japan to facilitate foreign access the book discusses the internationalization of politics economy and society topics of special interest include the internationalization of japanese capital the response of japanese society to foreign workers local level initiatives for internationalization and the internationalization of education to place the internationalization of japan in comparative perspective there are chapters on britain and the united states from a leading british and a leading american political scientist respectively these two and the editors aside all the contributors are highly regarded japanese scholars or commentators

U.S. Auto Trade Problems 2005-12-22 v 1 source country v 2 industry sector standard industrial classification v 3 state location

Foreign Direct Investment in the U.S. 2012-10-04 this study looks at the experiences of european and american companies that have collaborated with their japanese competitors in the fields of computers consumer electronics automobiles and aero engines by forming joint ventures designing products together and pursuing complementary marketing strategies it examines why these companies have chosen to collaborate rather than compete whether the japanese companies have proved to be reliable partners whether the non japanese have been left behind and what the future of such collaboration may be the book concludes by pointing to a growing interest among non japanese companies in investing and collaborating within japan itself

Working Mother 1999-01 in 2018 almost half of all vehicles made in north america were produced at foreign owned plants and the sector was on track to monopolize the market despite this the industry has been overlooked compared with its domestic counterpart both in scholarship and popular memory redressing this neglect america s other automakers provides a new history of the foreignowned auto sector the first to extensively draw on archival sources and to articulate the human agency of participants including workers managers and industry recruiters timothy j minchin challenges the view that the industry s growth primarily reflected incentives stressing human agency and the complexity of individual stories instead deeply human in its approach the book also explores the industry s impact on grassroots communities showing that it had more costs than supporters acknowledged drawing on a wide range of primary and secondary sources america s other automakers uncovers significant tensions over unionization reports of discriminatory hiring and unease about the industry s rapid growth critically exploring seven large assembly facilities and their impact on the communities in which they were built
