this work is motivated by and develops connections between several branches of mathematics and physics the theories of lie algebras finite groups and modular functions in mathematics and string theory in physics the first part of the book presents a new mathematical theory of vertex operator algebras the algebraic counterpart of two dimensional holomorphic conformal quantum field theory the remaining part constructs the monster finite simple group as the automorphism group of a very special vertex operator algebra called the moonshine module because of its relevance to monstrous moonshine

## ***Vertex Operator Algebras and the Monster***

a must read for all young adult fiction fans 5 star reviewer d c and michael pack a wealth of wonder and fantasy into this young adult adventure incorporating some of the most fascinating legends i found myself being drawn to the depth of the characters and enjoyed watching their bonds grow as they explored the gifts hidden deep within them as well as the evil that hunts for them i recommend this story for anyone who loves folklore and monstrous fun from vampires to dragons from witches to eerie ferrymen this tale has it all solomon j inkwell author of vickie van helsing the attack on hunter s grove high school by a greater demon and the bully donnie wickles delivered a crushing blow to charlie sullivan his friends their families and their once quiet peaceful community everyone soon discovers the demon terrorizing hunter s grove is only the beginning of their troubles a trail of destructive sinister activity including the theft of a dangerous artifact the release of a bloodthirsty greater from captivity and the threat of all six main portal cities coming under siege stretches charlie sullivan and a broken and tired team of monster hunters across the globe the first team lands in japan at the site of one of the most embarrassing events in the country s history rashomon the dragon gate there charlie sullivan faces the king of demons his vengeful lieutenant and an army of creatures rising from the worst of nightmares what happens next triggers a series of global cataclysmic events that some will not survive a new breed of monsters is released to level chaos against humanity as the master plan and purpose of evil in our world is revealed suffering loss exhaustion and being tested beyond the limits of human understanding charlie sullivan and the monster hunters face their most dangerous task as they set out to quell an ancient darkness that has now been awakened i picked this book up for my oldest daughter i thought she might enjoy it and asked her to let me know what she thought she loved it i ended up reading it with her and i have to say that i enjoyed the story as much maybe more than she did amazon reviewer the characters are real enough that i found myself cheering them on and hoping they succeed in their mission i look forward to reading the next installment amazon reviewer from the authors we began this journey together as father and son with the goal of writing a story that spoke to friendship overcoming obstacles and the ultimate evils in our world and of the power of working together to face the biggest challenges in our lives yes it s full of monsters peril and steeped in exciting mythology and folklore but it centers around the powerful bonds formed between an unlikely group of friends as they face a unique set of challenges we wanted to write a story that we would be proud to read aloud to our then newborn son baby brother who now years later has read them through twice more it has turned into the adventure of a lifetime as we are meeting people from all over the world who are falling in love with charlie sullivan darcy witherington nash stormstepper and the twins lisa liev vadinknov along with a wild often humorous and mysterious cast of humans and monsters alike charlie sullivan and the monster hunters the dragon gate book 4 is the next adventure in the series with rise of the ancients book 5 to be released soon and a total of 6 books in the series in my opinion this series deserves to be a huge hit i can guarantee you ll be hooked
