*The Wrath of Gods* 2000-09-22 from cape wrath to finisterre is a travelogue and an homage to celtic lands and waters from their northern to their south western landfalls cape wrath points towards the arctic circle at scotland s furthest northerly limit perhaps i was looking for a homeland perhaps not or at any rate a place where it would be worth trying to live for a while as well as one can for as long as it lasts

finisterre the furthest point in galicia in northern spain was so named for being the end of the earth larsson s contemplative musings on life as seen from the cockpit and deck of his yacht enliven this journey from denmark around scotland through the irish sea and onwards to brittany and spain yes i admit to rootlessness and impermanence he admits but restlessness on the other hand is a scourge it and its modern variant stress the futility of running round in circles are to be avoided at all costs it is far from certain of course that this way of life would suit everybody but if it instils in someone the desire to experiment with alternatives i shall be happy
