The Fundamentals of the Christian Faith 2009-09-21 in our busy society many christians find it hard to take the time to read and understand larger systematic theology and apologetic defense of the faith books the fundamentals of the christian faith gives a clear and concise explanation of several essential bible doctrines to help ground believers in the christian faith and equip them with practical knowledge in basic apologetics this book is the result of many years of bible study evangelistic work and apologetic research and debate it will help to prepare anyone who wants to do the work of evangelism make disciples of christ and refute many false teachings that exist in our world today

5 Things Christians Must Do 2018-10-01 original title five musts of the christian life and other sermons this book is a refreshing interesting and yet challenging look at five essential aspects of healthy christian living these are not new of course as nothing can be added to what s been already recorded in scripture rather the topics as they are written are a breath of fresh air in simplicity of presentation yet striking to the core of what is necessary in order to truly follow christ 1 the must of the new birth 2 the must of sacrifice 3 the must of the decreasing self 4 the must of service 5 the must of spiritual worship and of the holy spirit included are chapters on the holy spirit god s faithfulness and more

Unity Without Compromise 2020-01-25 church unity what is it for many it s the belief that we serve the same god believe the same savior died for our sins and look to the same book for inspiration but beyond these affections things change rapidly how does the new christian convert find the right church why can t a seasoned believer attend any church in the world and

feel right at home something is terribly wrong never has the church body been more divided precisely at a time when society is crumbling under unwholesome worldly influences and political pressures the accepted norm of a divided church has catastrophically weakened the outreach of christian disciples to those who desperately need god but where do we start author steve latulippe offers a path to church unity without compromise of scripture by clearly defining the causes and effects of division and by offering solid biblical solutions for christian union in his new book unity without compromise a biblical basis for christian union steve boldly confronts the teachings beliefs and practices that commonly divide us and he proposes solid principles that can meld all christians into a unified body according to god s design backed by recognized bible scholars and theologians steve gives a straightforward analysis of how greatly the church has drifted from jesus s heartfelt prayer on his way to the garden of gethsemane that they all may be one christian union derives simply from a pure heart and a solid understanding of what the bible really says we therefore must learn how to make god s message say precisely what god meant so that we may observe these things only steve s hope is that readers will be awakened to the devastating consequences of a divided church and commit to placing god and the bible at the forefronts of their faith again if your goal is to be a true ambassador for christ read and see how you can actually be an answer to jesus s own prayer and then be that answer a church united is a powerhouse for good and the harvest is riper than ever to hear the truth of god s word steven a latulippe md is a practicing family physician a retired united states air force officer and aviator and an ordained minister he attended boise bible college and cincinnati bible seminary and has always focused on sound interpretation his yearning to bring christians together as a force for good in the world arises from visiting many churches across the nation and globe always seeing the unlimited potential of those who faithfully work to serve our mighty lord jesus christ

Baptism 1989 scripture is far from silent on the subject of baptism yet history is strewn with such a variety of perspectives that it becomes difficult to gain a clear view of what the bible itself actually has to say how would the original readers of acts romans or colossians

have understood the texts concerning baptism when they read them for the very first time how do readers of today understand the baptismal references of the new testament if they have no particular commitment to a certain theological point of view in thirteen chapters dr cottrell discusses the twelve major texts in the new testament and does so by examining the meaning of the original words the historical background and the comparative references the texts covered matthew 28 18 20 mark 16 15 16 john 3 3 5 acts 2 38 39 acts 22 16 romans 6 3 4 1 corinthians 12 13 galatians 3 26 27 ephesians 5 25 27 colossians 2 11 13 titus 3 5 1 peter 3 21 p 4 of cover

The Character of Christian Scripture 2011-10 an internationally renowned expert in canonical interpretation illuminates the two testament character of scripture and its significance for the contemporary church

Included in Christ 2017-06-06 a new kind of bible study after the success of her first two books heather holleman received many requests to write a bible study and as a college english instructor she wanted to make sure it really taught and didn't simply inform so she surveyed several women about what their dream study would look like then got to work the result is included in christ a narrative driven study where you can bring your life before scripture in the context of community together women will discern their personal shadow narratives ways they are living outside of their identity in christ and then rewrite those narratives according to biblical truth this in depth 8 week study in ephesians willequip women with six signature stories of god's work in their lives helping them combat exclusion loneliness weakness decay emptiness and silence designed to facilitate honest sharing and help you internalize biblical truth included in christ will provide community and connectedness as well as spiritual nourishment it will also guide you in how to share your story and the hope of christ with someone who doesn't yet know him

A Biblical and Theological Dictionary 1851 in the great omission respected missions thinker robertson mcquilkin answers the question how is it with so many unreached peoples there are so few christians going he investigates the reasons so few attempt to carry the message of christ

to the multitudes who have never heard of him not only is mcquilkin wellversed on trends and strategies in world missions he also knows how to present the challenge of world evangelism in an unforgettable way

The Great Omission 1984 who would you rather believe for the security of your soul god or man don t you really want to know what god says about the important things regarding the salvation of your soul and of the christian faith instead of hoping that what you believe or have been taught is really true in this powerful and insightful book ramirez plunges into the bible head first and presents the truths about the fundamental doctrines of the christian faith in an easy to read style through god s own words can anybody afford to rest his or her eternal soul on what anybody other than god has put forth as truth this book provides all the necessary answers that you need for the security of your soul and an eternity with god

Biblical Christian Fundamentals 2021-04-12 ten positive role models from the bible a few good men presents the reader with 10 positive role models from the bible from obedient noah to loyal onesiphorous these character sketches combine dramatic story telling with challenging and insightful comment what kind of man do you want to be who do you admire rugged sportsmen smooth film stars and wild rock musicians all compete for our admiration but are these men the role models that we should aspire to be solidly founded on biblical narrative these chapters will challenge and inspire readers to examine the struggles and temptations of these biblical men who face the same struggles that men still face today

A Few Good Men 2008-02-01 warning this book could make your life messy today s church is continually being confronted with the question what is the gospel many churches answer this through strong exposition of biblical truth others answer with a focus on community engagement but doesn t christ call us to do both the covenant of salvation demands a radical re patterning of relationships bryan lorritys a pastor in the heart of one of america s historically racially divided urban centers seizes the opportunity to engage god the church and culture in ways that may challenge your beliefs practices and relationships a cross shaped gospel clearly articulates the vertical dimension of the christian faith as well as looking at

the horizontal implications of salvation for growth service and community it provokes readers to think about the implications of living out their faith what does the gospel mean for issues of political engagement class distinctions race relations it is only by reaching upward that we can reach outward in power and with the proper motives so let a cross shaped gospel help you in crafting and communicating a biblical philosophy of engaging god and others well

A Biblical and Theological Dictionary 1842 groundbreaking author brian mclaren voice of the christian emergent movement and author of the new kind of christian series poses ten controversial questions that could lead to a radical redefinition of the christian faith what is the overarching storyline of the bible what is the gospel why is sexuality such a divisive issue among christians how should followers of jesus relate to people of other religions mclaren gives his own responses to these questions inviting the reader to a new and generous way of thinking about christianity

A Biblical and Theological Dictionary 1832 the gospel coalition 2022 book award winner academic theology southwestern journal of theology 2022 book of the year award honorable mention hermeneutics bible reference biblical backgrounds two experts in exegesis and dogmatics show how christology and the doctrine of the trinity are grounded in scripture and how knowledge of these topics is critical for exegesis the book outlines key theological principles and rules for the exegesis of christian scripture making it an ideal textbook for hermeneutics and interpretation courses the authors explore how the triune god revealed in christ shapes scripture and its readers and how doctrinal rules intrinsic to scripture help guide exegesis

A Cross-Shaped Gospel 2011-10-01 this monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of brevard child s lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation childs rejects any approaches that overstress either the continuity or discontinuity between the old and new testaments he refuses to follow the common pattern in christian thought of identifying biblical theology with the new testament s interest in the

old rather child's maps out an approach that reflects on the whole christian bible with its two very different voices each of which retains continuing integrity and is heard on its own terms

A New Kind of Christianity 2010-02-18 today many thoughtful and compassionate christians are addressing the challenge of alleviating poverty but while much progress has been made many well intentioned efforts have led christians to actions that are not only ineffective but leave the most vulnerable in a worse situation than before is there a better answer combining biblical exegesis with proven economic principles for the least of these a biblical answer to poverty equips christians with both a solid biblical and economic understanding of how best to care for the poor and foster sustainable economic development with contributions from fifteen leading christian economists theologians historians and practitioners it presents the case for why a multi faceted approach is needed and why a renewed focus on markets and trade are the world's best hope for alleviating poverty and serving those in financial need

Biblical Reasoning 2022-07-05 what is a christian this is a truly vital question because never ending happiness or everlasting horror hinges upon understanding the correct biblical answer to it yet few questions have provoked so much confusion ryan mcgraw lays out what it means to be a christian in terms of what one believes what one experiences and what one does a full orb'd christianity of head heart and hands if you are investigating what it means to follow jesus christ if you are wrestling with the question of whether you are truly saved if you desire to grow as a christian by getting back to the basics or if you are seeking to help others here are simple and clear answers from the holy scriptures

Biblical Theology of the Old and New Testaments 1992 a clear guide to help readers understand why they can trust the bible we are often told we can no longer assume that the bible is trustworthy from social media memes to popular scholarship so many attacks have been launched on the believability of scripture that many have serious questions about the bible such as did jesus actually live did the biblical writers invent their message how can we trust the gospels since they were written so long after jesus lived how can we believe a bible that is full of internal contradictions with itself and external contradictions with science aren't the

biblical manuscripts we have just copies of copies that are so corrupted they don't represent what the original authors wrote why should we believe the books that are in the bible since many good ones were left out like the gospel of thomas why trust the bible when there are so many contradictory translations of it if you find yourself unable to answer questions such as these but wanting to why i trust the bible by eminent bible scholar and translator william mounce is for you these questions and more are discussed and answered in a reasoned definitive and winsome way the truth is that the bible is better attested and more defensible today than it ever has been questions about the bible are perhaps the most significant challenge confronting christian faith today but they can be answered well and in a way which will lead to a deeper appreciation for the truth and ongoing relevance of the bible

For the Least of These 2015-04-21 lifechange bible studies train you in good bible study practices even as you enjoy a robust and engaging bible study experience learn the skill as you study the word your study of the scriptures will never be the same at its heart the christian life is about relationships loving god our neighbors and our brothers and sisters in christ in this lifechange topical bible study you'll learn what life is supposed to be like in god's family a life that is patterned after the eternal relationship between the father son and holy spirit social isolation has such a devastating impact because god created us for community a pandemic and the rise of social media has amplified this isolation this lifechange study guides you towards genuine biblical community the lifechange topical studies are optimized for small group use every study is broken down into 8-9 sessions of about 45 minutes each session includes questions interpretation and application of a passage to the topic personally focused your response question for further study section that gives readers another passage to explore around the topic callouts that include language study historical context and illuminating quotes from commentaries

Why I Trust the Bible 2021-09-14 the acclaimed bible scholar and author of the historical

jesus and god empire the greatest new testament scholar of our generation john shelby spong grapples with scripture s two conflicting visions of jesus and god one of a loving god and one of a vengeful god and explains how christians can better understand these passages in a way that enriches their faith many portions of the new testament introduce a compassionate jesus who turns the other cheek loves his enemies and shows grace to all but the jesus we find in revelation and some portions of the gospels leads an army of angels bent on earthly destruction which is the true revelation of the messiah and how can both be in the same bible how to read the bible and still be a christian explores this question and offers guidance for the faithful conflicted over which version of the lord to worship john dominic crossan reconciles these contrasting views revealing how different writers of the books of the bible not only possessed different visions of god but also different purposes for writing often these books are explicitly competing against another opposing vision of god from the bible itself crossan explains how to navigate this debate and offers what he believes is the best central thread to what the bible is all about he challenges christians to fully participate in this dialogue thereby shaping their faith by reading deeply reflectively and in community with others who share their uncertainty only then he advises will christians be able to read and understand the bible without losing their faith

Christian Community 2022-09-06 call us a biblical christian family first published in 2006 addresses age segregated education system failings asks questions such as where should our children be found home or institution who does the word of god the bible hold responsible for raising and educating our progeny challenges twenty first century parenting mind sets and more in a world that is seeing increasing numbers of young people facing depression and dwindling feelings of self worth in an increasing pressurised education system something needs to change do we have the same worldview concerning our young ones as god we will not find a scripture stating parents home educate so what does the bible say it is time to read call us a biblical christian family antoinette and her husband have home educated their six children from birth to their application to tertiary for more than twenty five years

The Character of Jesus Portrayed 1866 american agnostic argues that the true worth of an american should not be based on an individual s faith or uncertainty in the reality of a biblical god american agnostic is an attempt by author raymond a hult to bridge the unfortunate gap of mistrust and disrespect that too often currently exists in america between members of the christian majority and the agnostic minority hult places the responsibility for achieving a mutually respectful understanding equally on the shoulders of both those who fervently believe in the christian god and those who are as yet still unsure he tries to show that moral behavior is more often than not unrelated to a person s religious persuasion american agnostic engages christians and agnostics in a frank discussion of the main differences of opinion that separate both groups in regard to the authenticity of the bible and the reality of the god as presented therein drawing on his transformation from a devout christina leader to a questioning agnostic the author recounts in detail the thought process that led to his gradual change of belief he respectfully defends this change as reasonable and deserving of serious consideration he seeks to portray the agnostic in a more favorable light and that there is nothing inherently evil with admitting that a sure knowledge of god may not be so sure after all

The Church in Gods Program 1974-08-21 who is god it is a question that has been asked throughout the expanse of human history and has been answered in a myriad of ways answers have ranged from the worship of inanimate objects nature s wonders and fictitious characters to the worship of the true and everlasting god as revealed in the bible however even using the bible as a common reference there have been a multitude of different interpretations of who god is what his character is what his desire is for us and how we relate to him this book draws from the biblical record a view of god that is supported by scripture rather than from conjecture and outside sources where there seem to be inconsistent perspectives present in the scripture i have tried to identify them but conclude with the predominate perspective as the most tenable it makes sense that god in communicating to people would help us by making the correct view predominate in drawing from the bible i have found that god is a loving father in heaven

that all people are his children that he loves his children and desires that all be saved that he has provided a means by which all may be saved through his son jesus christ that in our day god reveals himself through the holy ghost among other ways and that the father son and holy ghost comprise one god you will find that the bulk of this work is a quotation of scripture organized by topic in relation to the identity of god commentary has been added in an attempt to summarize the concepts i believe are conveyed in the scriptures however the commentary comprises a lesser portion of the work the work may almost be thought of as a topical concordance concerning the identity of god with limited commentary at any rate the reader is invited to review the cited scriptural references in addition to all others contained in the scriptures and draw his or her own conclusion based on the content and on the witness of the holy ghost the scriptures declare that the holy ghost is the testator of all truth and that when we sincerely seek the truth we shall find it i have found the references cited in this work helpful in aiding my own search for the answer to the question who is god i am confident that they will do the same for you

How to Read the Bible and Still Be a Christian 2016-07-26 this book is about stating gospel especially in the bible after surveying historical statements of gospel within their respective soteriology biblical contexts are explored that identify either 1 as gospel 2 promise forgiveness 3 promise everlasting life 4 promise kingdom or 5 promise resurrection with christ these five statements indicate the outcomes that are normally associated with the gospel across christendom this framework provides legitimate biblical gospel statements within exclusive salvation in christ this volume presents and appropriates biblical gospel patterns as a new reformation for fullness of salvation in christ and his earthly kingdom this variety of biblical gospel statements provoke 1 unity around jesus christ and god s gracious salvation 2 toleration concerning rival statements of christian gospel and 3 jettisoning unsupported traditional frameworks for example ticket christianity with little or no life change except past faith and an experience prepare jesus christ to say to a major section of the church depart from me i never knew you better to hear the eschatological christ say come blessed of

my father inherit the kingdom prepared for you from the foundation of the world because to the extent that you did to these brothers of mine even the least you did to me

Salvation History 1962 many people sense that there is something profoundly wrong with combining the christian faith with the philosophy of hedonism but few people are able to explain why christian hedonism is a false doctrine this short book sets out to evaluate john piper s teaching in the light of scripture we see how he amends the westminster shorter catechism to say that the chief end of man is to glorify god by enjoying him forever we see how he creates a new commandment delight yourself in the lord from psalm 37 4 and then tells christians that the vocation of their lives is to seek maximum pleasure in god we observe how he extols the worldly worship of a passion conference we learn of his new definition of love as holy divine eros we note how he cleverly digs up scripture to find a happy god we see how scripture is twisted to make the claim that the apostle paul and the lord jesus himself were christian hedonists this book provides clear evidence that antinomianism is the underlying error upon which christian hedonism is built

Call Us a Biblical Christian Family 2017-02-11 in this book donald mckim examines reformed beliefs on sixteen theological topics including scripture the trinity sin salvation the person of jesus and baptism he also discusses distinctive emphases of the reformed faith and shows how reformed beliefs relate to the broader ecumenical family of christian teachings

The Gospel 2017-10-26 this christian formation text combines insights from social science biblical studies and ethics to present a dynamic vision of human holiness and wholeness

Christian Hedonism? a Biblical Examination of John Piper's Teaching 2017-08-29 on the sixth day of creation god formed adam from the dust of the earth god then formed eve from adam s side from this day forward man was to leave his father and mother and cleave to his wife the two are joined together by god in a permanent one flesh relationship after man fell the sins of adultery fornication polygamy and divorce altered god s intention for marriage this was true of those both outside and inside god s covenant community by the time the lord jesus christ came in the flesh the traditions of judaism had either changed or nullified god s command for marriage the lord jesus christ came and stated god s original intent for marriage 1 permanence the husband and wife are one flesh they are permanently joined in a covenant relationship for life no person has the legal or moral authority to end what god has joined together no sin or legal document can dissolve the one flesh bond 2 forgiveness this is christ s emphasis in dealing with sin when one spouse fails the love of christ compels the other to forgive hardness of heart is the cause of unforgiveness and results in divorce because of the biblical teachings of jesus and paul the early church held to the permanence of marriage over the centuries christ s commands on the permanence of marriage have been either changed or nullified they have been replaced with the traditions of men in theory christians are taught

that they may divorce and remarry if their spouse commits adultery or deserts them in practice many evangelical christians are divorcing and remarrying for almost any reason the lord jesus christ taught god s original intentions regarding forgiveness and divorce the word of god has not changed what god has joined together let no man separate mark 10 9

Introducing the Reformed Faith 2001-01-01 every tribe and tongue offers a way first to rediscover biblical stories and principles that relate to questions about immigration and societal multilingualism and second to outline possible ways to guide thoughtful engagement in the discourse of the public square based on the biblical witness we will try to show that far from being an afterthought in the bible the call to love our neighbors and to gather people of every nation together in the worship of god is at the very core of the gospel message two powerful passions animate this book from beginning to end first this work is saturated in a deeply rooted love of the diversity of human languages that are one of god s gracious gifts to human beings second this book is dedicated to calling the north american church to take seriously its charge not simply to love the stranger and alien but to live as strangers and aliens within the american nation to which it has been called to witness to jesus christ

Issues Facing Christians Today 2011-04-19 today s christianity is broken and ineffective as seen by the fact that generations of people don t want anything to do with the jesus they see in christians the reality is that a christian worldview simply doesn t work in the real everyday world in which they live jesus however not only came to give people eternal life but also to radically change and give them life today how this happens was the question posed by the author who had a personal challenge that was destroying his family and his career as a pastor the christian solutions were not working forcing him to ask jesus outside of a miracle how do you change a life the answer he discovered was the set free nowww principles the basis of a biblical worldview when believers in jesus meet their needs in their own or society s way follow unbiblical ways of processing daily life or rely upon christian clichés they ll experience disappointment disillusionment and disaster processing daily life through a biblical worldview will change their life from the inside out bringing with it peace love

significance and security each day not just on sunday more than a sunday faith is not more whats but the how to s of living with a biblical worldview it is not a book just to be read but principles to be lived each day the author gives a number of practical tools to have and practice real faith throughout the week as this happens not only will christians experience the life jesus offers but the generations who don t want anything to do with him just might want the jesus they see in them

The Grace of Giving 1972 what happens to christians when they die does heaven really exist and what is the eternal future of god s people heaven life beyond the grave a biblical christian view of victory over death tackles these fascinating and many other questions most books about heaven are airy fairy they are derived more from imagination and speculation than clear biblical teaching nor do most books about heaven offer any explanation about what heaven truly is or is all about within the framework of a coherent worldview this book seeks to remedy that by setting forth scriptural truths relating to the biggest questions about heaven and life throughout eternity especially for christian believers especially for christian believers this is important non christians are certainly welcome to read this book but just know that it is written entirely from a biblical christian perspective is the bible a reliable source of information about heaven or any other topic this question is addressed along with a great free resource provided for even more information about why the bible is true the focus in this book however is really on heaven what makes this book different from others about heaven it presents a view of heaven that logically fits within the entire biblical story of god s redemptive plan for mankind it simply and biblically lays out the story of the eternal future of god s people as taught in the bible discover why the bible is a sure word from god about the existence of heaven how heaven fits into the entire scheme of god s redemptive plan for mankind why the book of genesis gives us a glimpse of the glories awaiting god s people in heaven the mistake of thinking heaven is the ultimate eternal destination of christians when sin and death entered the world and god s great plan to fix the cosmos the real underlying sin committed by adam and eve and why it s still the root of all sins a biblical definition for

death it s probably different than what most people think it is how death figures into your existence and the various stages of god s plan of redemption how god is planning a paradise but not in the heaven that now is why those who die in this life are not disembodied spirits for all of eternity are nde near death experiences proofs of a biblical view of the afterlife what the bible says happens when we die the biblical reason why physical death is an unnatural separation of a soul from its body how god s people are presently comforted in paradise heaven the reality that heaven now is simply a foretaste of amazing events yet to come the one thing that will not be included in the resurrection bodies of god s people when death is permanently destroyed for god s people does the bible teach there will be a brand new physical world in the future plus will time exist in the future how could anyone be happy if they have loved ones in hell are evildoers really punished for all of eternity and if so does that make god unfair do our beloved pets go to heaven if you really want to understand the biggest truths regarding what the bible teaches about heaven then this book is for you with heaven life beyond the grave a biblical christian view of victory over death you can both understand or even teach others essential scriptural truths about heaven put your mind forever at rest know the essential truths about the eternal destiny of god s people and understand heavenly truths from a truly biblical perspective using this book

Becoming Whole and Holy 2011-02 the new testament has much to say about the day when christ will evaluate his bride the church when all true believers in christ will see him just after the resurrection of dead believers and the rapture of living believers according to the bible this event could even occur today are you ready for it for many centuries christians have been confused about the timing participants seriousness purpose and final outcome of this great divine evaluation of the church is it the next revealed event on god s calendar will all christians be involved or only leaders is this event distinct from god s judgment of unbelievers is this a judgment to determine a person s eternal salvation or eternal reward will this event be essentially positive or will it involve punishment for disobedience what effects will this judgment have afterwards in christ s kingdom the judgment seat of christ was

originally written as dr samuel l hoyt s doctoral dissertation and has now been revised and updated to answer these relevant questions from scripture with careful balanced and thorough exegesis the judgment seat of christ addresses a vital subject of eternal significance for every christian
