World History 2000 in this innovative and original collection people are seen as active agents in the development of new ways of understanding the past and creating histories for the present chapters explore forms of public history in which people's experience and understanding of their personal national and local pasts are part of their current lives

People and their Pasts 2008-12-11 a textbook on the various periods in history beginning with ancient civilizations

People and Nations 1987 moments in history ii is similar in format to moments in history but each book stands alone in that one does not have to read one in order to enjoy the other they each contain chapters that examine a historical event and then look at the life of the individual at the center of that event these people are sometimes famous sometimes obscure sometimes heroic and sometimes scoundrels but they are always interesting

World History 1990-01-01 it's a wonderful splendid book a book that should be read by every american student or otherwise who wants to understand his country its true history and its hope for the future howard fast author of spartacus and the immigrants it should be required reading eric foner new york times book review library journal calls howard zinn's iconic a people's history of the united states a brilliant and moving history of the american people from the point of view of those whose plight has been largely omitted from most histories packed with vivid details and telling quotations zinn's award winning classic continues to revolutionize the way american history is taught and remembered frequent appearances in popular media such as the sopranos the simpsons good will hunting and the history channel documentary the people speak testify to zinn's ability to bridge the generation gap with enduring insights into the birth development and destiny of the nation

People and Nations 1987 the birth of a nation and her life today read free with kindle unlimited act now before it's gone from humble beginnings to the united states we know today the story of any nation tends to be long and typically full of growing pains that present as conflicts or wars the formation of what we know today as the united states of america was no different from her humble beginnings as a series of colonies to the world power that she is today america is not without her controversies while it seems impossible to include the history of an entire nation in one book there is no doubt that certain events are pivotal enough to include as key event of america's history while this is not a complete history the important ideas are met with thoughtful analysis examining not only the event but the circumstances surrounding the event in a way that even the most novice historian can understand in the colorful history of the united states there are examples of honor of rebellion and of mistakes the best way to honor and learn from that history is to learn about that history through this book you can do just that here's just a few things you'll learn about the anarchy that may have sparked a revolution the real deal on slavery and freedom what happened when the market crashed events that will shape the history books of the next generation american history will take you through a side of history that some novice historians may be unaware of and put you in a front row seat to the formation of our nation download now scroll up to buy with one click

Moments in History Ii 2022-03-16 this edition of a ground breaking book weaves together the complex interaction of social political and historical forces that have shaped the united states and from which the american people have evolved it tells stories of people and of the nation and emphasizes that american history has never been the preserve of any particular region

traditional turning points and watershed events are integrated with the stories of the nation's many diverse communities the book's trademark continental approach incorporates great hemispheric perspective while a strong theme of community and memory analyzes the role and the conflicts of historical memory in shaping communities understanding of the past for american history buffs

The Americans, the History of a People and a Nation 1982-01-01 excerpt from italy her people and their story a popular history of the beginning rise development and progress of italy from the time of romulus to that of victor emanuel iii italy is one of the most discussed subjects of the day both on account of the great number of americans who visit the country each year and also because it has recently come into notice as a kingdom in process of large development which is likely to result in its finally assuming a place as one of the leading nations more and more is written each year concerning italy's aims aspirations probabilities and chances hence the necessity of a work telling the deeds of the people from earliest times has become most urgent this is especially the case since of late early roman history with its captivating legends has been relegated for the most part to the latin authors while people in general have grown rusty with regard to the old classic tales which formerly were household words with reference also to modern italian history for the past few decades little concerning it has been put into concise readable form and a great demand has all at once sprung up for a bright brief entertaining authentic account of events in italy since her consolidation as a united kingdom in 1870 about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A People's History of the United States 2010-01-26 as majestic in its scope as the country it celebrates johnson's theme is the men and women prominent and unknown whose energy vision courage and confidence shaped a great nation it is a compelling antidote to those who regard the future with pessimism henry a kissinger paul johnson's prize winning classic a history of the american people is an in depth portrait of the american people covering every aspect of u s history from politics to the arts the creation of the united states of america is the greatest of all human adventures begins paul johnson's remarkable work no other national story holds such tremendous lessons for the american people themselves and for the rest of mankind in a history of the american people historian johnson presents an in depth portrait of american history from the first colonial settlements to the clinton administration this is the story of the men and women who shaped and led the nation and the ordinary people who collectively created its unique character littered with letters diaries and recorded conversations it details the origins of their struggles for independence and nationhood their heroic efforts and sacrifices to deal with the organic sin of slavery and the preservation of the union to its explosive economic growth and emergence as a world power johnson discusses contemporary topics such as the politics of racism education the power of the press political correctness the growth of litigation and the

influence of women throughout history sometimes controversial and always provocative a history of the american people is one author s challenging and unique interpretation of american history johnson s views of individuals events themes and issues are original critical and in the end admiring for he is above all a strong believer in the history and the destiny of the american people

American History 2016-08-23 a textbook of american history from the arrival of the indians through the 1980 s and the presidency of ronald reagan

Out of Many 2005 a concise people s history of europe spanning from the first world war to today

Italy, Her People and Their Story 2018-02-06 what difference do individuals make to history are we all swept up in the great forces like industrialisation or globalisation or is the world we inhabit shaped just as much by real people leaders for example and the decisions that they make for better or for worse the personalities of the powerful can affect millions of people and the future of countries it matters who is in the driving seat and who is making plans equally important how is history itself made by those who keep the records in history s people margaret macmillan explores the lives of the great and lesser known figures of the past men women explorers rulers dreamers politicians observers campaigners she looks at the concept of leadership from bismarck to franklin delano roosevelt but also at the role of observers such as babur first mughal emperor of india and asks how explorers and visionaries such as fanny parkes and elizabeth simcoe managed to defy or ignore the constraints of their own societies and in doing so she uncovers the important and complex relationship between biography and history and between individuals and their times like all the best history this book will change the way you see the past as well as your own times and perhaps introduce you to some people you didn t know

A History of the American People 2009-06-30 this edition of a ground breaking book weaves together the complex interaction of social political and historical forces that have shaped the united states and from which the american people have evolved it tells stories of people and of the nation and emphasizes that american history has never been the preserve of any particular region traditional turning points and watershed events are integrated with the stories of the nation s many diverse communities the book s trademark continental approach incorporates great hemispheric perspective while a strong theme of community and memory analyzes the role and the conflicts of historical memory in shaping communities understanding of the past for american history buffs
