Yorkshire tales: sketches of Yorkshire life, in dialect 1886

mary taylor charlotte bront e s closest and lifelong friend did indeed fulfill bront s prediction in both her life and her writings recently however the authenticity of taylor s feminist classic miss miles has been put into question a controversy is now raging among experts and scholars of victorian fiction over the true authorship of miss miles did mary taylor labor over this novel from her early womanhood until the end of her life and offer it as her last great act of friendship to women or is it the last work of charlotte bront e taken from her home to prevent its destruction then published posthumously under taylor s name regardless of its authorship miss miles is a passionate and compelling novel well deserving of its literary status on its own terms and fascinating as a part of the bront e world in this the only edition of miss miles available taylor breaks with tradition by creating a profoundly feminist and morally intense novel which depicts female friendships as sustaining life and samity through the vicissitudes of victorian womanhood set in the small yorkshire village of repton against the backdrop of starvation in the wool districts and the rise of chartism in the 1830s this extraordinary work chronicles the lives of four socially disparate women as they learn to find their own voices and support one another taylor s own courage and allegiance to her friends is wonderfully reflected in each of these individually ambitious women while the novel s emphasis on the healing power of women s friendships echoes the relationship between bront e and taylor herself originally published in 1890 miss miles continues to stand as an eloquent polemic in favor of a women s personal obligation to support herself it is a classic that will delight all lovers of fine literature

Miss Miles, Or, A Tale of Yorkshire Life 60 Years Ago 1990

Miss Miles 1991-03-07

the historic county of yorkshire lasted for about 1 000 years its administrative structure was swept away in 1974 but its distinctive identity is still clearly recognised by its own people and by outsiders yorkshire was the largest english county the three ridings of yorkshire covered about an eighth of the whole of the country stretching from the river tees in the north to the humber in the south and from the north sea to the highest points of the pennines in such a large area there was a huge diversity of experience and history life on the pennines or the north york moors for example has always been very different from life in low lying agricultural districts such as holderness or the humberhead levels and the fisherfolk of staithes or whitby might not readily recognise the accents ways or customs of the cutlery makers of hallamshire still less perhaps of the farmers of wensleydale or craven in some ways this diversity makes yorkshire the most interesting of england s historic counties a microcosm of the country as a whole its variety and beauty also help to explain why yorkshire is now such a popular tourist desination until quite recently people felt that they belonged to their own local area or country few people travelled very far and it was not until the late nineteenth century that the success of the yorkshire county cricket club seems to have forged the idea of yorkshire as a singular identity and which gave its people a sense of their superiority this single volume describes the broad sweep of yorkshire s history from the end of the last ice age up to the present day to do so professor hey has had to tell the story of each particular region and of each town he talks about farming and mining trade and industry fishing and ways of life in all parts of the county having lived worked researched taught and walked in the county for many years he has amassed an enormously detailed knowledge and understanding of yorkshire the fruits of his work are presented here in what has been described as a bravura performance by one of the yorkshire s finest historians with a particular emphasis on the richness of landscape places and former ways of life this important book is a readable informative and fascinating overview of yorkshire s past and its people

Transactions of the Yorkshire Dialect Society 1898

this new thoroughly updated third edition of yorkshire dales slow travel part of bradt s series of distinctive slow travel guides to local uk regions remains the most comprehensive guide to the area and covers the whole of the yorkshire dales national park and nidderdale area of outstanding natural beauty plus nearby slow and historic towns and villages the yorkshire dales could have been invented for modern travel the region s cinematic caves valleys waterfalls and limestone geology are famous round the world within a short walk are filmset perfect traditional pubs and cafés where you are as likely to chat to shepherds as celebrities the dales have never been places to hurry in the new travel world where slow sustainable and local are many people s watchwords this remarkable english region offers much to savour at leisure like one of its renowned artisan cheeses or beers written and updated by two yorkshire residents and outdoors enthusiasts bradt s yorkshire dales complements well known honeypots aysgarth falls malham grassington with off piste gems that you ll have to yourself whether wild swimming spots hidden caves dark skies sites or traditional stone villages with hundreds of square kilometres of open access land to explore the dales are one of the uk s premier hillwalking destinations hosting much loved routes such as the pennine way three peaks dales way and the recently upgraded coast to coast the dales have also become known as one of england s finest places for cycling whether for family trips e bikers or hardcore road racers prompting hopes that the tour de yorkshire will return drop in to the tan hill inn britain s highest pub where sheep regularly warm themselves by the roaring fire journey into the depths of gaping gill one of britain s largest underground chambers visit book loving sedbergh where even the bus stops have bookshelves or take a scenic rail trip on the famous settle carlisle line crossing the country s longest railway viaduct history buffs will love medieval castles including skipton and richmond while

Handbook for Travellers in Yorkshire 2023-07-21

lord hawke called tom emmett the greatest character who ever stepped on to the field born in halifax in 1841 emmett worked as a mill hand and did not make his yorkshire debut until 1866 almost at once he was part of the most destructive fast bowling partnership in england with george freeman in the 1860s he once took 16 wickets for yorkshire in an afternoon in the 1870s only one other player scored over 4 000 runs and took over 400 wickets in english cricket w g grace emmett had his best ever season with the ball in the 1880s aged nearly 45 in all

2023-06-07

first class cricket he took over 1 500 wickets at under 14 bowling in an idiosyncratic style which included wides and balls which no man had ever seen or dreamed of before for three decades emmett travelled endlessly to appear in club and county matches and went to australia three times in five years appearing in the first test match he set records and won games but also played in a style which at one time made him the most popular professional in england he pleased cricket followers with his wit and enthusiasm but his life had a large share of tragedy how he handled those highs and lows made him the true spirit of yorkshire cricket
