says these letters are intended to bring enlightenment to the world generally to enable humanity to construct a new consciousness during the next two thousand years these letters are the seeds of the future spiritual evolution of humankind for i tell you truly the more time and meditation you devote to these letters the more will it become possible for you to receive higher inspiration and instruction from me personally because with every reading of these letters the more will your own frequencies of consciousness be raised towards my spiritual consciousness frequencies and eventually we will be able to reach a true meeting place of consciousness then abundant will be the fruitage in your life each level of consciousness frequencies creates and manifests as different conditions of existence since the highest and lowest vibrational frequencies of consciousness are produced by the highest or lowest spiritual mental emotional patterns or forms of consciousness by high and low patterns i mean those which are closest and furthest from divine consciousness intent the higher the frequencies of vibration of consciousness the more beautiful harmonious joyous and fulfilled are the lives of those who reside within those frequencies the more spiritually loving and beautiful are their thoughts their creative imagination their ideals and beauty of colour and life forms and the closer and closer they are coming to the dimension of universal consciousness where the frequencies have become so heightened as to level out and enter into powerful equilibrium the all power of universal consciousness the source of all being love 48
