Hidden Treasures of Blackston Lake

2012-07-18

an inopportune panic attack brings carla sharp into craig jones life the two co workers are only separated by a wall growing into friends but that wall wont stop the magnetic attraction thats developing in their lives entwining them in a passion like no other working closely while remodeling craigs ancestral family home their love grows while finding hidden treasures of his family helping to give him his missing family history answers while strengthening the love they have found for each other

Shatter the Silence

2017-09-23

i lie in bed fearing the sound of footsteps on the stairs footsteps now in the hall the door opens the door closes quietly then the sound i fear the most the click of the lock as the signal my nightmare is about to begin again adult survivors of abuse and molestation and those with mental illness are often told to remain silent to discuss their lives in dark corners and in hushed tones shatter the silence seeks to break that cycle as ld smith candidly and eloquently tells the story of her own journey and it is not pretty it is not a fairy tale and unfortunately it is reality for so many she invites you to join her and learn what being strong really entails know that it is possible to stand proud and speak loudly the story of survival

What Dumbass Doctors Tell You: A Patient's Perspective

2021-03-18

from a young age we are taught to seek guidance from those who are more knowledgeable than ourselves doctors surgeons and nurses have all been educated in their specific fields but this doesn t always make them experts over the past five years theresa errante parrino has dealt with cancer here she records her breast cancer story sharing behind the scenes details of her personal experiences from dealing with difficult doctors to adjusting to a new lifestyle and new routines the author gives insight into what having cancer is really like having learned from her own trials errante parrino hopes to encourage others to take control of their medical situations as their own advocate speaking out when they believe something isn t going to help them with formal medical training as a certified medical assistant pharmacy technician paramedic and x ray technician theresa has the knowledge to recognize when medical conclusions are not truthful or correct educate yourself and raise your voice because no one knows your body like you do

Roundtable Discussion

2005

johns hopkins patients guide to leukemia is a concise easy to follow how to

guide that puts you on a path to wellness by explaining leukemia treatment from start to finish it guides you through the overwhelming maze of treatment decisions simplifies the complicated schedule that lies ahead and performs the task of putting together your plan of care in layman s terms empower yourself with accurate understandable information that will give you the ability to confidently participate in the decision making about your care and treatment the johns hopkins patients guide to leukemia is a concise easy to follow how to guide that puts you on a path to wellness by explaining leukemia treatment from start to finish it guides you through the overwhelming maze of treatment decisions simplifies the complicated schedule that lies ahead and provides valuable tools to help you to put together your plan of care empower yourself with accurate understandable information that will give you the ability to confidently participate in the decision making about your care and treatment about the series learning that you or someone you love has cancer is devastating and feeling lost and powerless is a common immediate response the johns hopkins patients guides are designed to alleviate your anxiety empower you with information and enable you to fully understand your treatment options each book in this series is dedicated to a specific type of cancer the information is there to help lighten your burden and to assist you in becoming an active participant in your care cancer rarely allows us to take a diversion from life and offering guidance on how to continue to live life while

Johns Hopkins Patients' Guide to Leukemia

2010-08-06

cindy snyder shares her deepest thoughts feelings and experiences in this diary journal in hopes to encourage others and for her to never forget where her god has brought her being warned by her physicians that her life was at stake she knew she did not have the willpower to deliver herself from this bondage this book is the personal journal of cindy s journey out of obesity you will be led through this journey as to what life is like for the super morbidly obese person and is filled with descriptive and explicit hardships that the super morbid obese must daily live with cindy has tried to be as open and honest as possible and in some instances very detailed and graphic as to what life had become cindy not only shares the battles but also lets everyone experience the victories with her throughout her journey she shares biblical teachings humor and the joy that only god can give during trials in our lives her journal covers everything from menus and recipes surgery and exercise measurements and weights personal care before and after pictures to her most inner thoughts and feelings her documentations will encourage all that read them from the most slender person with their own struggles to the very obese through her journey faith will be strengthened to believe that with god all things are possible

My Journey out of Super Morbid Obesity

2011-02-23

leila was a young mother a vibrant passionate and beautiful woman she enjoyed a full busy life and adored her young daughter but slowly her physical health declined at first ignored and then misdiagnosed by medical professionals she found herself on a debilitating journey toward increasing pain and worsening illness through everything from cruel and callous caregivers to miraculous angels who saved her life multiple times from spending the last year of her life being moved from one hospital to another she never gave up her desire to be a loving mother to her daughter she spent as much of her energy and remaining lifetime providing her little girl a strong nurturing base from which to grow and live her own life in the whole wide world author robin amiri offers a true story of her daughter to help those who find themselves in similar circumstances battling a serious and debilitating illness and the bureaucracy and red tape of the medical field insurance industry and governmental assistance it s an exhortation to anyone in this situation to advocate on their

own behalf and on behalf of loved ones it s a recommendation to face the truth of medical realities while also bringing love and hopefulness into those realities this biography is about love commitment honesty and truth about recognizing what s most important and about hope loss grief devotion and ultimately life

The Whole Wide World

2022-07-12

the revealing events in the book are compelling and intriguing they are powerful intense and realistically experienced the author shares her personal experiences about two beloved family members who cannot tell their story about surrendering to dying it is no secret that losing loved ones to death can be agonizing and challenging but the death described in the book made an entrance in a beautiful manner death revealed moments of no defeat yet demanded attention from the author to grasp different perspectives about each beloved one the captivating occurrences of how each beloved one expired are unique revelations that will ignite discussions the author shares how she came to forgive the young man who murdered her brother and how the spiritual insight from god opened that door to forgiveness the shared supernatural encounters that started during the author s childhood are regarded as hidden treasures beyond human knowledge some of those encounters were not of the great divine but because of curiosity the author got on a path leading to demonic practices unaware the dreams in the book are phenomenal and another discussion piece for those who desires the interpretation of dreams the hereafter is described dramatically and in the book points evidently to there being a life afar from the earthly realm the childhood memories are remarkably described with love and no regrets those memories echo experiences and an environment that shaped the author s world the strong belief system and faith in god is the pillar that gets the author through those life challenges and devastating situations pertaining to her beloved ones and the medical issues leaving her non childbearing the experiences with fibroids and how they formed in the uterus from a natural and spiritual side leave pondering thoughts the fact of never having children is accepted by the author

People with Psychiatric Disabilities, Employment, and the Americans with Disabilities Act

1995
