the lost tales of power is a collection of novels that describe an immense persistent multiverse the books are a mixture of standalone and miniseries all set in the same universe with overlapping and intertwining story lines included in this collection is the full text of enemy of an enemy the academy and rise of shadows in addition to the three complete novels included is a brief introduction to each book enemy of an enemy everything seemed to be going vedor s way until the dragon claw was sent on a rather unusual assignment to investigate a minor incident deep within the empire s space that would send vedor down a path filled with fantastically powerful enemies and extraordinary friends that would obliterate everything he ever understood to be true and threaten the very foundations of the empire itself the academy the empire had

fallen and the imperial navy was disbanded leaving james with nothing but his nightmares to remind him of the role he once played in the great war james must now face his new life in a new era where science and technology must share the stage with sorcery and wizardry and a new ever present shadow of evil lurks over the remnants of the once great empire rise of shadows in the enemy of an enemy darkness came to the empire and magic was born from the bowels of men s fears the great and mighty imperial navy had to face and overcome unspeakable horrors in the academy fledgling wizards were gathered and trained to fight back and keep the light while the darkness laid in wait biding its time and silently gathering its forces now as warriors of light those wizards must begin to make a stand against the rising tide of darkness or watch their realm be overcome the lost tales of power is an open ended series of science fantasy books set in a vast multiverse lost tales series volume i the enemy of an enemy volume ii the academy volume iii rise of shadows volume iv resurgence of ancient darkness volume v the sac a rith volume vi spectra s gambit volume vii sac a rith rebirth volume viii mage hunter keywords magic space space opera science fantasy space exploration military space future military sci fi science fiction series aliens adventure war navy series science fiction novels science fiction ebooks
