Who Do You Want to Be When You Grow Old? 2021-07-13 grow old on purpose this book invites readers to navigate a purposeful path from adulthood to elderhood with choice curiosity and courage everyone is getting old not everyone is growing old but the path of purposeful aging is accessible to all and it s fundamental to health happiness and longevity with a focus on growing whole through developing a sense of purpose in later life who do you want to be when you grow old celebrates the experience of aging with inspiring stories real world practices and provocative questions framed by a long conversation between two old friends the book reconceives aging as a liberating experience that enables us to become more authentically the person we always meant to be with each passing year in their bestseller repacking your bags richard j leifer and david a shapiro defined the good life as living in the place you belong with people you love doing the right work on purpose this book builds on that definition to offer a purposeful path for living well while aging well

2014-04-20 integrating technological innovations into our daily lives has helped to modernize and improve the way we learn the way we do business the way we communicate with one another and ultimately the way we live but in these modern times which some refer to as the electronic gadgets and app age it has become difficult to know everything about the old and new electronic devices that continue to make the wheels of industry turn in society new innovations appear and then just as quickly become antiquated and obsolete technological advances from the past blend with the present and then like ripples in a lake fade in this fast paced world how can anyone hope to keep up with those changes the breadth of knowledge required is daunting but technology impacts the choices we make for better or worse revolutionary technologies educational perspectives of technology history covers what has been invented who invented what and how technology has made our lives more efficient enjoyable and meaningful
