Inspector Morse: The First Three Novels

1954

featuring the first three books in colin dexter s classic crime series starring inspector morse last bus to woodstock last seen wearing and the silent world of nicholas quinn last bus to woodstock the death of sylvia kaye figured dramatically in thursday afternoon s edition of the oxford mail by friday evening inspector morse had informed the nation that the police were looking for a dangerous man facing charges of wilful murder sexual assault and rape but as the obvious leads fade into twilight and darkness morse becomes more and more convinced that passion holds the key last seen wearing morse was beset by a nagging feeling most of his fanciful notions about the taylor girl had evaporated and he had begun to suspect that further investigation into valerie s disappearance would involve little more than sober and tedious routine the statements before inspector morse appeared to

confirm the bald simple truth after leaving home to return to school teenager valerie taylor had completely vanished and the trail had gone cold until two years three months and two days after valerie s disappearance somebody decides to supply some surprising new evidence for the case the silent world of nicholas quinn morse had never ceased to wonder why with the staggering advances in medical science all pronouncements concerning times of death seemed so disconcertingly vague the newly appointed member of the oxford examinations syndicate was deaf provincial and gifted now he is dead and his murder in his north oxford home proves to be the start of a formidably labyrinthine case for chief inspector morse as he tries to track down the killer through the insular and bitchy world of the oxford colleges
