The North Korean Nuclear Weapons Crisis 2014-05-06 jina kim investigates how north korea rationalized its pursuit of nuclear weapons programs for more than two decades by exploring the dialectical development of the nuclear crisis and the obstacles generated by complex internal korean dynamics and conflicting interests amongst the major players concerned

International Politics and Security in Korea 2007-01-26 this comprehensive book explains that while world politics has entered the post cold war era since the late 1980s the korean peninsula has not diplomatic relations have yet to be established between north korea the us and japan while conventional military confrontation has persisted pyongyang s nuclear weapons programme has further increased tensions and the possibility of war has frequently been considered publisher

Disarming Strangers 1999-07-01 in june 1994 the united states went to the brink of war with north korea with economic sanctions impending president bill clinton approved the dispatch of substantial reinforcements to korea and plans were prepared for attacking the north s nuclear weapons complex the turning point came in an extraordinary private diplomatic initiative by former president jimmy carter and others to reverse the dangerous american course and open the way to a diplomatic settlement of the nuclear crisis few americans know the full details behind this story or perhaps realize the devastating impact it could have had on the nation s post cold war foreign policy in this lively and authoritative book leon sigal offers an inside look at how the korean nuclear crisis originated escalated and was ultimately defused he begins by exploring a web of intelligence failures by the united states and intransigence within south korea and the international atomic energy agency sigal pays particular attention to an american mindset that prefers coercion to cooperation in dealing with aggressive nations drawing upon in depth interviews with policymakers from the countries involved he discloses the details of the buildup to confrontation american refusal to engage in diplomatic give and take the carter mission and the diplomatic deal of october 1994 in the post cold war era the united states is less willing and able than before to expend unlimited resources abroad as a result it will need to act less unilaterally and more in concert with other nations what will become of an american foreign policy that prefers coercion when conciliation is more likely to serve its national interests using the events that nearly led the united states into a second korean war sigal explores the need for policy change when it comes to addressing the challenge of nuclear proliferation and avoiding conflict with nations like russia iran and iraq what the cuban missile crisis was to fifty years of superpower conflict the north korean nuclear crisis is to the coming era

Department of Defense appropriations for fiscal year 1990 1989 why does north korea routinely turn to provocation to achieve foreign policy goals are the actions of the volatile kim regime predictable based on logical responses to the conditions faced by north korea this book an examination of the hermit kingdom over the past 50 years explains why the democratic people s republic of korea uses hostility and coercion as instruments of foreign policy using three case studies and quantitative analysis of more than 2 000 conflict events the author explores the relationship between north korea s societal conditions and its propensity for external conflict these findings are considered in light of diversionary theory the idea that leaders use external conflict to divert attention from domestic affairs analyzing the actions of an isolated state such as north korea provides a template for conflict scholarship in general

Daily Report, East Asia 1996 aidan moran provides the first textbook to combine an explanation of the theoretical foundations of sport and exercise psychology with critical reviews of contemporary research and practical suggestions for relevant independent research projects

North Korea and the Science of Provocation 2016-01-20 annotation this textbook combines an explanation of the theoretical foundations of sport psychology critical reviews of contemporary research and practical suggestions for relevant independent research projects

Engineering & Services 1980 the official magazine of united states army logistics

Prospects for the Reunification of the Korean Peninsula 1989 the failure of foreign banks to penetrate japanese financial markets is often blamed on stringent japanese protectionist policies brown takes a broader view arguing that the ineptitude of foreign banks has also played its part

US Department of State Dispatch 1994 the purpose of this book is to introduce readers to indopacom which is responsible for u s military operations in a region covering approximately 50 percent of the earth from the pacific ocean to the indian ocean indopacom has not received much attention in japan compared to usfj or the us seventh fleet this book shines a spotlight on indopacom in an effort to promote an understanding of its various aspects the mission of indopacom is to protect u s territory people and national interests however it also includes protection of the countries within its geographic scope that are u s allies and security partners indopacom and its precursor pacific command established in 1947 have always been major contributors to the peace and safety of japan in the post world war ii era in view of the importance of u s interests in northeast asia the region also has two sub unified combatant commands called united states forces japan usfj and united states forces korea usfk each of these organizations strives to strengthen the relationship with the japan self defense forces and the republic of korea armed forces together the united states japan and our partners around the globe will continue to safeguard the rules based security order that has underpinned peace and prosperity for decades

Daily Report 1992 first published in 1998 this volume examines east asia especially northeast asia which has been a region of considerable political security of importance for several key reasons it features several great and medium powers china japan and russia as well as north and south korea even though no arms race is yet discernible among these states with the partial exception of the two koreas it is conceivable that one might commence if it did the level of militarization could become quite alarming if only because of the tremendous and rapidly growing economic potential of the regional states even though relations among regional sates except the two koreas are currently peaceful the region features several unresolved issues e g concerning territory and a historical legacy of enmity between several states to prevent such conflicts of interest from erupting into armed conflict is of the utmost importance a stabilizing factor is that the military potentials in the region are still predominantly defensively oriented i e most states lack the requisite power projection or invasion capabilities to inflict serious harm on each other however this might change in the not so distant future hence the importance of confidence building measures of an institutionalization of regional relations and of a strengthening of commitments to defensive military strategies and postures

United States Army Aviation Digest 1993 donald gregg s career would make a great spy novel this autobiography makes an even better book tim weiner pulitzer prize winning reporter and bestselling author of enemies pot shards is a memoir based on the author s unforgettable experiences he served as a cia agent on the island of saipan during ten years in japan and a tour in burma he then spent four years tied up in

the vietnam war two tours in korea the second time as ambassador and spent ten years in the white house where he worked for jimmy carter ronald reagan and george h w bush don gregg is that authentic and admirable thing a great american he spent most of his life serving his country in the cia at the white house and as a us ambassador he has stories to tell many of them gripping and they are beautifully and movingly recollected here in this memoir of a splendid life christopher buckley a personal witness to decades of largely hidden intelligence and diplomatic history donald gregg recounts his unlikely and amazing career as a cia officer national security advisor and us diplomat his adventures and insider knowledge of us relations with east asian nations over many decades make for a lively narrative entertaining for the general reader and useful for serious scholars alike through it all ambassador gregg expresses a natural warmth and concern for humanity that makes his story a truly personal journey nicholas dujmovic phd cia staff historian center for the study of intelligence

Air University Library Index to Military Periodicals 1987 getting organized while having fun seriously do you think it is impossible to create and reach peak performance within a team while having fun wrong this is perfectly possible and you can do it for your own team our team building inside booklets collection will prove it discover energizing and playful activities which will help you to create and live the team spirit we have more of a decade of experience organizing and facilitating dozens of team building events involving hundreds of participants for groups ranging from 7 to 500 people adults and youth we wish to share with you our useful knowledge and pro tips to help you advance your team with cheap info and tools you will find activities that will stimulate the participants and encourage them to reveal their qualities and their pleasure to work together n 7 organization in this seventh issue you will find 4 funny activities created to stimulate organization within participants what will you find in this team building inside 4 energizing and seriously playful activities pictoskills icons with specific skills emphasized within each activity 20 photos illustrating the activities detailed description required material and all the necessary stages in order to easily organize and debrief the exercise our pro tips so are you ready to create and live the team spirit yes let's do it kind regards cristina olivier rebiere
