Stanford University Publications 1954 with the many additions to the campus of stanford university since the publication of our book including the frances arrillaga alumni center by hoover associates the swa group the james h clark center for bio sciences bio engineering by foster and partners peter walker and partners and the carnegie institution by esherik homsey dodge and davis it is time for a revised edition of our guide the original 1891 campus conceived by frederick law olmsted and executed by architects shepley rutan and coolidge balances architecture landscapes and the natural surroundings in a composition of classic formal beauty stanford is a model of university design from the nineteenth century memorial court and main quad to twentieth century buildings and restorations that respect the historic campus while contributing to modern design this revised edition features 16 new pages on the additions to the campus and many updated entries with new photography

Stanford University, a Description 1941* provides a look at stanford university from the students viewpoint
Stanford University 2006 no university affiliations no half truths no out of touch authors who haven t been in school for decades a class project turned company college prowler produces guidebooks that are written by actual college students and cover the things students really want to know unlike other guides that jam everything into a five pound book and devote only two pages to each college our single school guidebooks give students only the schools they want and all the information they need from academics and diversity to nightlife and sports we let the students tell it how it is in addition to editorial reviews and grades for 20 different topics more than 80 percent of each guide is composed of actual student reviews of their school whether readers are looking for best and worst lists did you knows or traditions college prowler guides have it all our books are the only place for local slang

urban legends and tips on the best places to find a date study or grab a bite to eat

Stanford University 2005 the stanford album brings together some 600 photographs largely unpublished and an interpretive text to tell the story of the community life of stanford university from the university s creation in 1885 through the second world war it is a fitting coincident that at the same time stanford is celebrating its centennial years 1985 91 the art of photography has reached its own anniversary of 150 years since the birth of the daguerreotype the founders of the university jane and leland stanford sat for their wedding portraits in 1850 and these daguerreotypes were just the beginning of the stanfords fascination with patronage of the new art form leland stanford s perception of the value of the camera as a medium of documentation resulted in a superb pictorial record of the planning construction and dedication of the university some of which is reproduced in the stanford album by the turn of the century technical advances in photography made possible the small handheld camera and at stanford the snapshot image of campus life began to proliferate commercial photographers mainly concentrated on athletic events drama productions student parades and other campus rituals students who owned cameras intruded everywhere with the mysterious little boxes into dormitories fraternities and sororities classrooms dances picnics and beer busts the book revisits a bygone stanford through the magic of the camera lens a vanished world of college life comes alive again and we can see the community that existed yesterday under the same arcades where those at stanford today study work and stroll

The School of Education, Stanford University 1981 contains annual financial report reports of schools departments committees other administrative offices and publications of the faculty
