of filing a corporate tax return the best ways to create tax free medical benefits and pension and retirement plans this quick reference manual lets you help clients take full advantage of their s corporation status and minimize their taxes it leads you directly to authoritative information on every aspect of the s corporation enabling you to arm the s corporation against the potential tax traps hidden in the small business tax protection act maximize the tax benefits of s corporation status make a qualified subchapter s subsidiary qs sub election identify dispositions that will trigger the built in gains tax avoid added tax liability or loss of s corporation status from passive investment income capitalize on the permissible differences in stock rights to facilitate estate planning and ownership transfers determine allocation of income losses and deductions in the termination year of the s corporation plus there are citations to the controlling rules regulations and court decisions that will save you hours of research s corporations at present are the largest tax filer in the united states of america this book provides in a single volume a complete guide and reference tool for the tax practitioner to solve the many problems arising in regard to s corporate taxation code sec 199a generally allows shareholders of an s corporation a 20 deduction on s corporate income plus special rules for tangible property acquisitions because there were ambiguities in the statute on august 8 2019 the treasury issued proposed regulations to interpret code sec 199a this 8th edition at 725 provides an extensive detailed discussion of the proposed regulations with many examples to explain the

operation of code sec 199a while this book does not cover every single case ruling or procedure on a particular point the reader is provided with the main case or point in a particular area so that this situation can be understood quickly to assist the reader tax planning situations are presented throughout the book as an example majestic star casino 2013 1 ustc 50 338 3rd cir 2013 discussed at various points in the book held that the s election is a personal right in bankruptcy not a property right thus if the shareholders of an s corporation revoke the s election just before filing the corporation s bankruptcy petition it is not a transfer in fraud of creditors and the shareholders are not responsible for the s corporation s debts unless they personally guaranteed them in re health diagnostic laboratory inc 578 b r 552 126 aftr 2d 2017 6736 bankr ed va 2017 sustained this same result in the 4th circuit scott singer installations inc tc memo 2016 161 discussed at 904 10 involved a case where a shareholder claimed his contributions of cash into his s corporation were loans but there was no documentation of the loans on the corporate books the contributions were made during a period of both corporate profitability and loss the court felt that during profitable periods the contributions were loans but during losses were contributions to capital this book is organized into sixteen chapters chapter 1 discusses the tax considerations in electing s corporate status as well as the advantages and disadvantages of s corporate taxation chapters 2 10 detail operations of an s corporation discussing the statutory requirements to be an s corporation the types of taxpayer who can qualify as shareholders considerations that one must make before converting a c corporation to s status etc chapter 11 sets forth income and estate planning situations for s corporations chapter 12 covers changes which could occur in the life of an s corporation namely termination and revocation of the s corporate status sale of s corporate stock reorganization of the corporation etc chapter 13 provides the reader with a comparison of s corporations to other business entities such as one person limited liability companies partnerships and c corporations chapter 14 discusses s corporation subsidiaries chapter 15 employee stock ownership plans esops for s corporations and chapter 16 a detailed discussion of the final and proposed regulations under code sec 1411 the author attempts to keep this book current and up to date thus 724 in chapter 7 discusses the final tangible property regulations which went into effect as of january 1 2014 and as aforesaid 725 discusses in detail code sec 199a and its proposed regulations further the appendices provide practical information for the tax practitioner to utilize in his or her practice this book is not intended to apply to all circumstances and the forms contained herein may not be applicable in every situation further the law is constantly changing in the field of s corporations accordingly it is strongly urged that the current status of all statutes case law rulings regulations revenue procedures announcements notices forms and or applications thereof be confirmed before relying on the information set forth in this book it should be noted that in writing this book the author has attempted to make the table of contents read like an index the reader has three easy means to solve a problem or locate a topic the contents contents in detail on page xiii and the index in addition the author has provided a table of cases statutes treasury regulations rulings and procedures so that the reader will have an easy to use method to solve a specific problem to assist the reader in practice the appendices supply sample language for various situations regarding s corporations this book is intended to remove some of the mystery surrounding s corporations and their complexities because of its thoroughness multitudinous examples and tax pointers this book should provide the reader with a unique resource tool to be utilized as a major addition to a tax library the book features a detailed analysis of the regulations on eligibility requirements a discussion of the passive activity rules and a valuable chapter on financially distressed s corporations distributed to some depository libraries in microfiche everything you need to know about forming an s corporation or limited liability company this new second edition of how to start your own s corporation provides small business owners with the real facts about forming an s corporation newly updated this one of a kind guide tells you everything you need to know on the subject with step by step guidance savvy insider tips and a wealth of hard to get information on s and every other type of corporation your business may qualify for this second edition updates the many changes in income tax laws since the original publication including the expansion of the allowed number of stockholders the new rule that s corporations can own subsidiary corporations new rules for medical

expense benefits and new IRS rules for LLC classification the second edition of how to start your own S corporation includes up to date information on recent changes in tax law affecting S corporations LLCs and stockholder rules the latest updated IRS forms clear explanations of the advantages and disadvantages of S corporations LLCs partnerships C corporations and other legal forms of assistance dozens of eye opening real life examples new information when tax law changes at robertcooke.com so whether you are thinking about starting your own business or you already own a small business the second edition of how to start your own S corporation will give you all the insider information you need to take full advantage of current tax law the LLC S corp or C corp question is one of essential importance make the right decision and you will be paying less tax you will know your personal assets are protected from lawsuits against your business and you might even save yourself some money on accounting and legal fees make the wrong decision and you will be paying an unnecessary amount of tax you will be wasting money on legal bills and you will be only a lawsuit away from losing your home and other personal assets find the following explained in plain English with no legal jargon the basics of sole proprietorship partnership LLC S corp and C corp taxation how to protect your personal assets from lawsuits against your business when the protection offered by an LLC will work and more importantly when it will not which business structures could reduce your federal income tax or self employment tax how to form an S corporation and maximize the benefits complete with ready to use forms this problem set is designed to accompany the casebook federal income tax of partnerships and S corporations 5th edition although the problems can be used with any text the problems are organized to correspond with the chapter and section headings of the casebook and in general the solutions can be found within the material presented in those sections seeing your small business start to succeed and grow into a well established company is a dream come true for entrepreneurs but as your company grows your tax rate tends to grow too growing companies face a variety of complexities during tax season and that's why when your company starts growing you may want to consider forming an S corporation otherwise known as an S corp the S corp is a business entity that offers significant tax advantages while still preserving your ownership flexibility this book covers S corp is how to set one up and how it can save you a lot of money this second edition details how to set up an S corporation and gain maximum personal benefits through tax benefits from losses loans salaries and wages medical and dental plans early retirement etc describes how an S corporation functions and how to administer one contains forms to convert to an S corporation maintain legal corporate records and protect yourself your corporation and other shareholders with essential agreements the S corporation is the most popular entity for closely held businesses but the rules that regulate S corporations and make them a popular choice are complex confusing and in a state of flux CCH's popular S corporation taxation offers an in depth and comprehensive analysis of S corporation taxation and uses extensive examples to illustrate both simple and complex situations in areas where authorities do not provide clear guidance the author constructs plausible courses of action with appropriate analysis published annually S corporation taxation focuses on the rules of subchapter S of the internal revenue code and integrates these rules with other portions of the tax law that can have substantial impact on S corporations and their shareholders at the end of each chapter are pertinent checklists worksheets and sample election letters to help apply the concepts discussed to the reader's actual real life situation corporations are one of the fastest growing business types accounting for nearly 4 million businesses in 2006 however long standing problems with S corporation compliance produce revenue losses in individual income taxes and employment taxes GAO was asked to 1 describe the reasons businesses choose to become S corporations 2 analyze types of S corporation noncompliance what IRS has done to address noncompliance and options to improve compliance and 3 further analyze the extent of shareholder compensation noncompliance and identify options for improving compliance GAO analyzed IRS research and examination data interviewed IRS officials examiners and other knowledgeable stakeholders and reviewed relevant literature congress should require S corporations to calculate and report basis for their shareholders ownership shares GAO also

recommends that irs research options for improving the performance of professional tax preparers provide additional guidance to new s corporations on calculating basis and compensation require examiners
