Kinney 1995-01-01 chinese in the twentieth century intent on modernizing their country condemned their inherited culture in part on the grounds that it was oppressive to the young the authors of this pioneering volume provide us with the evidence to re examine those charges drawing on sources ranging from art to medical treatises fiction and funerary writings they separate out the many complexities in the chinese cultural construction of childhood and the ways it has changed over time listening to how chinese talked about children whether their own child the abstract child in need of education or medical care the ideal precocious child or the fictional child lets us assess in concrete terms the structures and values that underlay chinese life patricia buckley ebrey university of illinois

ELDERLY ALCOHOLISM 2002-01-01 this text is the first of its kind to substantively integrate alcoholism aging and grief theories into an easy to understand format for interdisciplinary undergraduate and graduate students in the behavioral and physical sciences written to prepare students in working with an elderly clientele the reader is provided with elder specific practice methodology derived from experiential and theoretical content chapters 1 through 4 alert the readers to the nature of elderly alcoholism and accompanying aging theories chapter 5 underscores the challenges faced by professionals in identifying elderly alcoholism because the symptoms often mimic other diseases namely acute dementia chapter 6 is a comprehensive study of elder specific populations including people of color lesbians gays and the homeless chapters 7 through 13 are essentially practice intervention chapters that include in depth discussions of such issues as strategies to encourage elderly alcoholics to enter treatment practice values and attitudes intervention strategies spirituality relapse and suicide prevention strategies also provided are on site interviews with professional counselors at elder specific alcoholism treatment programs and summaries of these interviews appear in chapter 13 as well as actual case studies each chapter includes study questions the glossary of terms and a comprehensive bibliography of research specific to the issues this book will also be useful to professionals who provide services to an elderly population including nurses physicians social workers and alcoholism counselors

Supreme Court, Kinney Tobacco Company vs. Oscar Miller 1888 while attempting a rescue aspen is caught in a compromising position knowing she has to do whatever it takes to finish her mission forces her hand into trading favors with the notorious kinney fallon kinney fallon mc president ruthless deadly unforgiving he also never turns his back on a challenge and when he sees aspen he instantly knows her worth will doubt interfere with trust will loyalty be as tainted as the blood that connects a family neither kinney nor aspen know how to back down and will fight till their last breath the question is will they fight together or against each other

The Fallon Brothers: Kinney 2020-04-21 offers an approach to understanding alcohol its physical and psychological effects on an individual as well as its emotional impact on the family this book covers the range of psychological factors physical complications treatment options and family concerns easy to read it is suitable for academics students or families of alcoholics

Loosening the Grip 2006 the sale and consumption of alcohol was one of the most divisive issues confronting america in the 19th and early 20th centuries according to many historians the period of its prohibition from 1919 to 1933 marks the fault line between the cultures of victorian and modern america in this study murdock argues that the debates surrounding prohibition also marked a divide along gender lines for much of early american history men generally did the drinking and women and children were frequently the victims of alcohol related violence and abuse as a result women stood at the fore of the temperance and prohibition movements carrie nation being the crusade s icon and as murdock explains would effectively use the fight against drunkenness as a route towards political empowerment and participation at the same time respectable women drank at home in a pattern of moderation at odds with contemporaneous male alcohol abuse

Domesticating Drink 1998 at the time of the civil war cullman county did not exist it was carved mostly from the east side of winston and the west side of blount in 1877 this book attempts to identify all of the confederate soldiers originating from the area which became cullman county as well as those who migrated to the county after the war the book also contains rare first person accounts of the war as told by cullman county residents george martin holcombe and elijah wilson harper and printed in the cullman alabama tribune this book is important to the genealogy and history of cullman county and contains much previously unpublished information on the old soldiers it contains service records pension applications births deaths marriages and obituaries
