provides a comprehensive reference to short fiction from great britain ireland and the british commonwealth featuring some of the most popular writers and works

The Penguin Book of the Contemporary British Short Story

2018-10-04

a spectacular treasury of the best british short stories published in the last twenty years we are living in a particularly rich period for british short stories despite the relative lack of places in which they can be published the challenge the medium represents has attracted a host of remarkable subversive entertaining and innovative writers philip hensher following the success of his definitive penguin book of british short stories has scoured a vast trove of material and chosen thirty great stories for this new volume of works written between 1997 and the present day

BEST BRITISH SHORT STORIES 2019

2019

this anthology is in many ways a best of the best containing gems from thirty four of britain s outstanding contemporary writers it is a book to dip into to read from cover to cover to lend to friends and read again it includes stories of love and crime stories touched with comedy and the supernatural stories set in london los angeles bucharest and tokyo above all as you will discover it satisfies samuel butler s anarchic pleasure principle i should like to like schumann s music better than i do i daresay i could make myself like it better if i tried but i do not like having to try to make myself like things i like things that make me like them at once and no trying at all

2011

excerpt from the best british short stories of 1922 i do not suppose that a hundred years ago such a question could have occurred to any one then all that a story was and could be was implied in the simple phrase tell me a story we all know what that means how many stories published today would stand this simple if final test of being told by word of mouth i doubt whether fifty per cent would surely the universality of the printing press and the linotype machine have done something to alter the character of literature just as the train and the telephone have done not a little to abolish polite correspondence most stories of today are to be read not told hence great importance must be attached to the manner of writing in some instances the whole effect of a modern tale is dependent on the manner of presentation henry james is possibly an extreme example has any one ever attempted to tell a tale in the henry james man ner by word of mouth even when the manner pretends to be conversational i for one have yet to experience this pleasure though i have listened to a good many able and experienced tale tellers in my time now there is a great connection between the manner or method of a writer and the matter upon which he works his manner or method henry james was not an accident life as he found it was full of trivialities and polite surfaces and a great deal of ma nner style if you like is needful to give life and meaning to trivial things about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Best British Short Stories of 1922

2020-05-20

this book represents a contribution to both border studies and short story studies in today s world there is ample evidence of the return of borders worldwide as material reality as a concept and as a way of thinking this collection of critical essays focuses on the ways in which the contemporary british short story mirrors questions and engages with border issues in national and individual life at the same time the concept of the border as well as neighbouring notions of liminality and intersectionality is used to illuminate the short story s unique aesthetic potential the first section geopolitics and grievable lives includes chapters that address the various ways in which contemporary stories engage with our newly bordered world and borders within contemporary britain the second section examines how british short stories engage with ethnicity and liminal identities while the third animal encounters and metamorphic bodies focuses on stories concerned with epistemological borders and borderlands of existence and identity taken together the chapters in this volume demonstrate the varied and complex ways in which british short stories in the twenty first century engage with the concept of the border

Great British Short Stories

1974-01-01

excellent entertaining and ingenious from oscar wilde to arthur conan doyle this fine anthology celebrates one of the richest moments in britain s literary history sunday times the quarter century between 1890 and the outbreak of the first world war saw an extraordinary boom in the popularity and quality of short stories in britain fuelled by a large eager new magazine readership the great writers of the age produced some of their finest work and literary genres the ghost story science fiction took shape this richly varied endlessly entertaining anthology brings together authors from katherine mansfield to rudyard kipling james joyce to saki h g wells to rebecca west it celebrates a teeming innovative world of literary achievement edited with an introduction by philip hensher
