Entertaining Unplugged Children 2016-10-14

entertaining unplugged children was written to assist parents and children in their quest to find entertaining things to do when children are unplugged from the various technologies outdoor play with a lot of kids and indoor things with a few children are covered being unplugged does not necessarily mean doing physical activities so quiet activities are also explored from kids songs to nursery rhymes and prayers there are even a few arts and craft activities but that would be another book in itself have fun learning sharing or revisiting things that you might have done growing up

Rainbows Stories and Poetry for Children 2019-04-11

the many adventures of many characters all which are waiting to meet your child the book has over 200 fun-filled pages for bedtime stories to last a lifetime poems to make you laugh stories that take you to another world hours of fun

Parenting Beyond Pink & Blue 2014-04-08

a guide that helps parents focus on their children's unique strengths and inclinations rather than on gendered stereotypes to more effectively bring out the best in their individual children for parents of infants to middle schoolers reliance on gendered stereotypes negatively impacts kids studies on gender and child development show that on average parents talk less to baby boys and are less likely to use numbers when speaking to little girls

without meaning to we constantly color code children segregating them by gender based on their presumed interests our social dependence on these norms has far reaching effects such as leading girls to dislike math or increasing aggression in boys in this practical guide developmental psychologist and mother of two christia spears brown uses science based research to show how over dependence on gender can limit kids making it harder for them to develop into unique individuals with a humorous fresh and accessible perspective parenting beyond pink blueaddresses all the issues that contemporary parents should consider from gender segregated birthday parties and schools to sports sexualization and emotional intelligence this guide empowers parents to help kids break out of pink and blue boxes to become their authentic selves

(Re)conceptualising Children's Rights in Infant-Toddler Care and Education *2022-10-11*

this book brings together researchers from a variety of national contexts to examine and explore the conceptualisation reconceptualisation and translation of children s rights for infants and toddlers in early childhood education and care settings it brings together authors from various national contexts to examine changing understandings and manifestations of infant and toddler rights in early childhood education and care the book aims to engender trans national dialogue through the contributions through such dialogue both authors and readers are challenged to recognise the specificity of their own cultural contexts and thereby envision a more expansive view of infant and toddler rights by drawing together reflections on infant toddler rights from key early childhood researchers across the world this book will extend readers understandings of rights not only in terms of how rights are re conceptualised but also how to meaningfully translate the rights afforded in policy to practice

Coal Town Kids 2022-06-09

duane radford and his friends from childhood reminisce about growing up in crowsnest pass alberta lovingly called the pass when the area s coal mines were active set on the edge of the canadian rockies in southwestern alberta the pass includes the small towns of bellevue hillcrest frank

blairmore and coleman all along highway 3 in the 1950s the pass was a hard place for people to make a living and most faced adversity relying on their own resourcefulness to survive the community itself was largely made up of immigrants from many different countries some of whom were escaping their war torn homelands despite the hardships of working in the mines the pass offered an idyllic lifestyle one of outdoor adventures clubs social engagements and excursions built around a strong sense of community though several people have contributed stories to the book it is largely narrated by duane as he follows his family's arrival to bellevue after world war ii and his experiences living there until 1963 when his family moved to calgary alberta with not much written about the area coal town kids is the first substantive nonfiction account dealing with the pass since 1952

Memories of a Small-Town Cop 2012-01-10

author g douglas ward was sworn in as a police officer in the small north carolina town of tarboro at the age of twenty one he was about to embark on a ten year career that he would never forget in this collection of memoirs he shares his recollections about adventures that will leave you on the edge of your seat make you laugh and make you think join him as he recalls what it was like growing up as the son of a deputy sheriff what it meant to go through basic and on the job training what could happen when dealing with drunken individuals what it feels like to lose a best friend being a police officer in a small town that never grows means something especially when your grandfather is a preacher and your father is one of the most well known people in town in memories of a small town cop you ll discover what it means to protect and serve a close knit community

Learning English with Chris & Friends 2012-09-27

Margarita Borukaeva has a romantic profession she is a microbe hunter and she pursued her prey with great ardor in some of the most prestigious laboratories of the Soviet Union then fate willed her to the front lines of microbiology in the United States of America undoubtedly the riddles of this science seemed to her fantastically fascinating in light of the romantic nature of her soul which from her earliest adolescence manifested itself in its pull to find self-expression in poetry thus arose her first collection of poems published in Moscow poems from those giving a lyric voice to important social issues to poems that chronicled the joys the vicissitudes and the sorrows of love and sought to embody the beauty of nature were written throughout her entire life these poems appear regularly in the Russian speaking American newspapers Margarita also took a great interest in prose her essays stories and short novels have been published in American in English and Russian American in Russian magazines and newspapers recently she has published this book in Russia the book is based on autobiographical events but includes stories about people involved in Margarita's life and reflects conflicts she experienced in the Soviet Union the content of some of the stories in this book is dramatic but the style is so lyrical that it reminds one of verse in prose form the book was instantly absorbed and disseminated by her readers I found to reading this book

effortless entirely engrossing since in it is reflected all of the facets of margaritas character her openness towards new people and new experiences her friendliness her unlimited capacity for compassion and understanding margarita has a remarkable ability understand of the core of a person and then to describe it with such affection and sympathy that as a reader i felt i shared not just her adventures but also her friendships i advise you to read this book as a long time friend and an old admirer of margaritas talent i am certain that like me once you begin it will capture your imagination until you reach the final paragraph and like me long after you close the cover you will still reflect on the extraordinary events you will have found there and the unpredictable twist of fate that can be expected us all r oy medvedev
