excerpt from how to take care of the baby a mother s guide and manual for nurses in presenting this little book to the public the author s aim is to give simple clear and complete directions especially as regards nursing and artificial feeding of infants and disorders of digestion the chapters are complete in themselves and the headings have been so arranged as to render a search for information on any subject an easy matter about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

First Year Baby Care (2016) 2009-04

this is not your typical child rearing book we have used a no holds barred approach to cover real life mom concerns from moms who have been there and done that sharing the collective wisdom and experiences of 185 plus years of mothering with a touch of wackiness essential for every mother for moms and dads who are wondering if they ll survive their three year olds ever go to the bathroom alone again or figure out why a preschooler had a sock in his lunchbox instead of a napkin this book is the compilation of emails from 12 moms sharing more than just practical advice the messages contain humor the foibles of being a mom and the confidence that you can trust your instincts more often than you think when gail goldman gave birth to her first baby lizzie the new mom turned to her aunts and cousins for advice and answers nine moms with different experiences ideas and ways of mothering became a virtual village of wise women to support gail through emails as she navigated the tricky and sometimes scary first year of her baby s life as we exchanged ideas and questions we soon found that we were doing more than help gail we were supporting each other as mothers and women over the course of the next four years the village grew adding three more pregnant daughters and five new babies as well as gail s second daughter lexi today the village includes five sisters who survived raising seventeen children and seven younger women their daughters step daughter and daughter in law currently engaged in the 24 7 parenting of seventeen kids together we have covered the gamut of opinions philosophies and experiences with childbearing and rearing no subject has been off limits although we might not identify certain spouses and no mothering concerns are too trivial or too difficult for our discussions we also don t always agree with each other especially on the subject of home birth but we do respect each other and value each other as women and mothers and we believe the central message of this book mothers are the experts when it comes to their children

Your New Baby's Instruction Book 1998-06
