The Freedom Writers Diary 2014-07-01 in a world where every person is exposed daily through the mass media to images of violence and suffering as most dramatically exemplified in recent years by the ongoing tragedy in darfur the question naturally arises what responsibilities do we as bystanders to such social injustice bear in holding accountable those who have created the conditions for this suffering and what is our own complicity in the continuance of such violence indeed how do we contribute to and benefit from it how is our responsibility as individuals connected to our collective responsibility as members of a society such questions underlie stephen esquith s investigation in this book for esquith being responsible means holding ourselves accountable as a people for the

institutions we have built or tolerated and the choices we have made individually and collectively within these institutional constraints it is thus more than just acknowledgment it involves settling accounts as well as recognizing our own complicity even as bystanders

The Political Responsibilities of Everyday Bystanders 2011-02-28 the revival of translation as a means of learning and teaching a foreign language and as a skill in its own right is occurring at both undergraduate and postgraduate levels in universities in this book sara laviosa proposes a translation based pedagogy that is grounded in theory and has been applied in real educational contexts this volume draws on the convergence between the view of language and translation embraced by ecologically oriented educationalists and the theoretical underpinnings of the holistic approach to translating culture it puts forward a holistic pedagogy that harmonizes the teaching of language and translation in the same learning environment the author examines the changing nature of the role of pedagogic translation starting with the grammar translation method and concluding with the more recent ecological approaches to foreign language education translation and language education analyses current research into the revival of translation in language teaching and is vital reading for translators language teachers and postgraduate students working in the areas of translation studies and applied linguistics

Translation and Language Education 2014-08-01 a brilliantly conceived and long overdue opening up or deconstruction of the anne frank story james clifford professor emeritus history of consciousness department university of california as millions of people around the world who have read her diary attest anne frank the most familiar victim of the holocaust has a remarkable place in contemporary memory anne frank unbound looks beyond this young girl s words at the numerous ways people have engaged her life and writing apart from officially sanctioned works and organizations there exists a prodigious amount of cultural production which encompasses literature art music film television blogs pedagogy scholarship religious ritual and comedy created by both artists and

amateurs these responses to anne frank range from veneration to irreverence although at times they challenge conventional perceptions of her significance these works testify to the power of anne frank the writer and anne frank the cultural phenomenon as people worldwide forge their own connections with the diary and its author this collection of brilliant essays offers fascinating and unexpected insights into the significance of anne frank s iconic holocaust era diary from many disciplinary perspectives in the arts and humanities jan t gross the norman b tomlinson professor of war and society princeton university this volume is a major contribution to scholarship regarding anne frank s diary and its cultural influence highly recommended choice engrossing the overall aim is to provide a greater understanding of the general and particular engagement with anne frank as a person a symbol an icon an inspiration and perhaps most polarizing as one victim not the victim of the nazi holocaust broadside

Anne Frank Unbound 2012-10-25 the cage busting teacher adopts the logic of cage busting leadership and applies it to the unique challenges and opportunities of classroom teachers detailed accessible and thoroughly engaging it uncovers the many ways in which teachers can break out of familiar constraints in order to influence school and classroom practice education policy and school reform cage busting is concrete precise and practical writes frederick m hess this invaluable book helps teachers understand why and how to revisit their assumptions and enables them to have greater impacts upon their schools and beyond based on interviews with hundreds of teachers teacher advocates union leaders and others hess identifies the challenges teachers face seeks concrete and workable solutions and offers recommendations to put those solutions in place a uniquely practical and inspiring book the cage busting teacher is for educators who want to shape the schools and systems in which they work

Neoliberalism, Pedagogy, and Human Development 2012 this study explores the shifting boundaries and identities of historic and contemporary jewish communities the contributors assert that geographically speaking jewish people rarely lived in ghettos and have never been confined within the borders of one nation or country whereas their places of residence may have remained the same for centuries the countries and regimes that ruled over them were rarely as constant and power struggles often led to the creation of new and divisive national borders taking a postmodern historical approach the contributors seek to reexamine jewish history and jewish studies through the lens of borders and boundaries

Borders and Boundaries in and Around Dutch Jewish History 2011 this book is motivated by our experiences in working with students and their families in urban communities we are particularly concerned about the urgent

imperative to address the endemic educational and societal challenges that pervade the lives of urban students particularly those who live in poverty are of minority and immigrant backgrounds and are otherwise marginalized within the current educational discourses and practices in spite of the fact that over the last 3 decades policy makers educators and communities across the globe have called for in depth structural changes this is rarely evidenced in the discourses practices and structures within academic and practitioner spheres this reluctance despite articulations to the contrary can be directly linked to normative theoretical and practical perspectives that are defined by assumptions that constrain urban students within restrictive boundaries these narrow outsider worldviews based on notions of what ought to be combined with ignorance of the realities of students lives focus on deviance and deficits they blind prospective change agents to the strengths and richness that students bring and they delimit the transformative potential of social justice praxis within urban environments the resulting discourse in the form of deficit beliefs thoughts actions and dialogues shapes urban research theory and practice we contend that in order to counteract the debilitating impacts of these harmful constructions of urban and social justice it is important to clarify this terminology

Inclusion in Urban Educational Environments 2006-06-01 each chapter includes photographs sidebars and fascinating facts about these groundbreaking women maria montessori founder of the montessori method of self directed learning helen keller and annie sullivan helen s miracle worker christa mcauliffe high school teacher who died in the space shuttle challenger disaster dorval onesime a native metis educator in the early 1900s from saskatchewan denise fruchter a special education teacher with tourettes syndrome from toronto malalai joya campaigning for girls' education in afghanistan Erin gurswell founder of freedom writers usa raden ayu kartini campaigned for the education of women in indonesia marva collins african american teacher dedicated to improving schools in us cities
