# The Genius of Bob's Burgers

2016-12-07

given the limitless freedom of animation why would anyone use it to make a sitcom about a struggling family owned burger place and why would audiences embrace this greasy fantasy not just by tuning in but by permanently decorating their legs and arms with images from the show and writing detailed backstories for its minor characters this book length critical study of bob s burgers examines the moments in which the animated sitcom exposes the chasms between generations explores gender and sexual identity and allows fans to imagine a better world essays cover how the show can be read as a series of critiques of steven spielberg s early blockbusters a rejection of freudian psychology or an examination of the artificiality of gendered behaviors through the cross casting of characters like tina and linda by tracing the ways that the popular reception of bob s burgers reflects changing cultural attitudes the essays provoke broader questions about the responsibility of popular entertainment to help audiences conceive of fantasies closer to home fantasies of loving and

accepting parents of creative self assured children and of menus filled with artisanal puns

## **Bob's Burgers Vol. 5: Charbroiled**

2021-03-16

you ll lick your lips with this latest helping of the belcher family the stars of fox television s fan favorite animated sitcom those delightful little scamps tina gene and louise are always daydreaming of a life far from the reality of the family restaurant whether they become boy crazy martial artists mutated chinchillas or the knights of king arthur s court satisfy with ample portions of hilarity cooked to perfection by the fine folks at the emmy award winning studio bento box entertainment
