IGCSE Business Studies 2011

this book contains mcqs with answers and model test questions based on igcse business studies syllabus these mcqs and the model tests are designed to help students revise and understand the topics of igcse business studies each chapter has three sections first two sections focus on the content and definitions related to a specific chapter the third section provides a model test these assessments facilitate a student to develop a better understanding of the business studies topics and prepare for the exam at the end of the mcq sections there are 20 paper 1 and 2 combined exam style model tests
