Life In The Days Of Corona

2017-03-15

the ladder of his life is about air chief marshal idris latif and his varied experiences as a fighter pilot as chief of the indian air force governor of maharashtra and ambassador to france he is a scion of a family from which several members left eminent positions to devote their lives to follow mahatma gandhi always a topper during his education and as a flyer as recorded in his log book he was just 18 years old when he joined the air force on 1st september 1941 after his training he was sent to the uk during world war 11 for a year where he updated his skills on the latest fighters in 1978 he became chief of his beloved indian air force the book gives insights into these years particularly his assessment of challenges faced their priorities and his approach and actions in their resolution the book includes accounts of interesting interactions with leading personalities such as prime ministers smt indira gandhi shri morarji desai shri rajiv gandhi some ministers and respected national personalities such as mr b k nehru and some of our own air chiefs there are highlights when later as governor of maharashtra he was in a totally different environment and the problems that confronted him were also very different however the success that he achieved particularly as chancellor of the university of then bombay were no less meaningful as chairman of the committee for the celebration of the 25th anniversary of the state his proposal to focus on the top priority requirement of every district was appreciated both by the state government and citizens as ambassador to france the book stresses the heart warming and stimulating environment and the opportunities and achievements in the fields of culture defence and commerce for enhancing india s image and promoting collaboration for mutual benefit shortly before leaving france a suggestion by prime minister rajiv gandhi took him entirely by surprise the book concludes with an account of a few special post retirement involvements in matters of national significance

Cheers To Life

2021-04-20

in 2006 the comedian dominic frisby began to question the advice his financial advisers were giving him and began to look after his own money he was fascinated by the world of finance mad though his friends and family thought him at the time he put everything he owned into gold which subsequently appreciated by several hundred per cent soon moneyweek were asking him to write a weekly column and he began seven years of obsessive reading and study life after the state is the culmination of that process just as frisby saw the financial crash of 2008 coming he now sees another one even more calamitous headed our way only this one has serious political ramifications as well but not one high profile politician economist or journalist seems to get it because not one of them has correctly identified the cause of the problem for frisby the problem is the state in every instance where government gets involved in people s lives with a desire to do good it can always be relied on to make the situation much much worse yet despite this reality we all seem to imagine that a world without the state would be a wild and terrifying place with wit and devastating clarity of argument frisby shows that human nature proves the opposite to be true combining the paradigm busting wisdom of nassim nicholas taleb s the black swan with the readable charm of freakonomics life after the state is a book that will change the way you think about money education healthcare and social justice for ever

When Life Comes Early

2013-09-15

family relations are undergoing dramatic changes globally and locally at the same time certain features of family life endure this popular book now in a fully updated second edition presents a comprehensive assessment of recent research on family parenting childhood and interpersonal ties a sociology of family life queries assumptions about a disintegration of the family by revealing a remarkable persistence of commitment and reciprocity across cultures within new as well as traditional family forms yet while new kinds of intimate relationships such as friends as family and lgbtq intimacies become commonplace such personal relationships can still be difficult to negotiate in the face of wider structural norms with a focus on factors such as class gender race ethnicity and sexuality this new edition highlights inequalities that influence and curb families and personal life transnationally alongside substantial new material on cultural and digital transformations the book features extensive updates on issues ranging from demography migration ageing and government policies to reproductive technologies employment and care with a global focus and blending theory with real life examples this insightful and engaging book will remain indispensable to students across the social sciences

Fisheries Economics and Marketing

2013-11-07

while essentially bringing light to the theme of migration the book targets a more contemporary audience today s adolescents and young adults relocation especially amongst this age group can be a big change affecting both one s mental and physical health the book aims to offer support in terms of finding a sense of belonging making friends and dealing with homesickness in a new environment amongst many more issues that migrant children seem to grapple with through interactions with candidates from all over the world it can evidently be concluded that most migratory experiences are made better with some guidance and the knowledge that all struggles during this time are completely normal justified and understandable the book includes a few real life stories from migrant teenagers who have moved and their advice and coping mechanisms to deal with moving away that is often accompanied by several heartrending goodbyes and most importantly a loss of comfort the book is in its own special way a little like a how to aiming to offer some sort of support and reassurance that things in life fall into place eventually written in a very conversational tone by someone who has observed migratory experiences first hand the book hopes to spark discussion about the possibility of a creation of a new life away from home whilst also acknowledging all the difficulty that comes with relocation

The Ladder of His Life (Biography of Air Chief Marshal Idris Hasan Latif, PVSM)

2022-05-13

in musicophilia in mumbai tejaswini niranjana traces the place of hindustani classical music in mumbai throughout the long twentieth century as the city moved from being a seat of british colonial power to a vibrant postcolonial metropolis drawing on historical archives newspapers oral histories and interviews with musicians critics students and instrument makers as well as her own personal experiences as a student of hindustani classical music niranjana shows how the widespread love of music throughout the city created a culture of collective listening that brought together people of diverse social and linguistic backgrounds this culture produced modern subjects

niranjana calls musicophiliacs whose subjectivity was grounded in a social rather than an individualistic context by attending concerts learning instruments and performing at home and in various urban environments musicophiliacs embodied forms of modernity that were distinct from those found in the west in tracing the relationship between musical practices and the formation of the social subject niranjana opens up new ways to think about urbanity subjectivity culture and multiple modernities

Life After the State

2021-11-30

ever wondered what life is what does it mean to be alive why did we came into this world and where are we heading there are so many questions we ask ourselves every now and then we try to answer them through our perspective but every time when things change when we step upon something new when we change our perception it forces us to rethink about all the answers

Launch Your Life To The Next Level

2021-04-29

a comprehensive account of how india fought the war against the covid 19 pandemic stop predicting revisit life offers a 360 degree account of the unprecedented health crisis brought on by the pandemic from the reverse migration of millions of migrant workers to the debilitating impact of a lockdown that led to the biggest annual contraction of the indian economy since 1952 it is based on deep analysis of official data and documents released by the government and international institutions the debates in indian parliament official reports tabled therein and information collected from the ground during the pandemic while offering new policy and legislative measures to combat a covid 19 like pandemic in the future stop predicting revisit life explores in detail issues of how we perceive life what it takes to be resilient and how we can work together as society

everything from a decent cup of coffee from our favourite barista to the energising rush of enthusiasm that flows across a beach on a hot day comes to mind life after all is made up of millions of small moments that make it worthwhile to live life is full of little moments which are indeed beautiful and appreciable we often count our life in few categories and forget to enjoy the moments like the sunset a walk in the park going through our old albums watching rainbow handwritten letters and unexpected presents or watching the raindrops on the window a little bit of life consists of several co authors from all over the globe who have dedicated their inked verses as a poem quote micro tale or a short story which revolves around the different themes we are hoping for the great success of this book a free anthology launched by writer's abode publication in which none of the co authors are charged a single penny throughout the publishing process

The Journey of Life & Death

2009-06-08

in india a child is born every two seconds and 90 minor girls get raped every day according to ncrb reports 2023 due to our illiterate politicians we fight with each other in the name of religion and are busy protecting our religion this work of fiction was created by our politicians to prevent our society and its people from questioning them about our country's development if we are preoccupied with our own lives we have no time to ask or question them about the development of our country i have written eight different stories that discuss our biased society and its so called terms and conditions through this book i aim to encourage every girl in our country to break free from the backward thinking that a girl is only meant to cook and dress according to the dress codes set by men in our country no girl is weak because in india i have observed that when a girl is born she is cherished by her father until she turns 12 her mother becomes her best friend until she reaches 25 and from 26 onwards she is expected to be a housewife and raise children until her death does she have her own life as a child she is told that the entire family's honor rests on her young shoulders and she should keep her distance from others as she grows up she is instructed to be home before the street lights come on because her parents are concerned about society the

stories below serve as inspiration and prompt you to think and act wisely 1 lachchi a karma that haunts this story talks about a 12 year old child lachchi getting married to a 40 year old man the story explores the consequences of child marriage and karma showing how she haunts her son before he can marry his sister i wanted to tell people about the trauma a child goes through when she is pushed into nuptial ties at an early age 2 jennet the tale of a courageous young woman this tale revolves around a physically challenged girl who was subjected to gang rape at a young age and her subsequent entry into the police force with an iq of 190 surpassing that of einstein she embarks on tackling the most significant human trafficking case after joining the police force 3 the last ship to london this narrates the journey of british born suzzain bradshaw during the india and pakistan partition she must board the final ship to london before its departure the account follows her from her residence to the vessel where she experiences the traumatic event of being raped resulting in memory loss this narrative conveys the message that when a flame is ignited it not only consumes the forest but also affects the individuals who sparked the fire 4 eternal love sometimes it can be a curse this is a horror tale of a solitary superstar and his deceased fan it delves into the tale of the eccentric wife of a monarch and how following her passing she anticipates his rebirth whether she will triumph or face losing him once more is the essence of this narrative 5 vidya an abandoned child this concerns a girl named vidya who is detained at dubai airport during her exit immigration the narrative explores her parents who have forsaken her it delves into how she developed feelings for a man over the phone and whether she will be released from the uae prison to reunite with him will she have the opportunity to encounter her estranged parents and the individual she has never met 6 confession of a ritual man this is a confession by a 94 year old man who used to give the last bath to dead bodies it is about him discussing the circumstances of his raping a dead girl while carrying out the last bath and his life journey while on his deathbed 7 an archaeologist s adventure in the mystic city on the sand islands this is a sci fi fantasy tale that continues from my initial novel did you see my family they have been missing for the last two years it is the emotional roller coaster life of an archaeologist who discovered the mystic city in misr 8 resilience in relationships a woman s journey through marriage and transformation the life of a woman who got married for the first time at the age of 14 and later went on to marry three more times after losing her first child with her second husband is a complex and compelling story that sheds light on the challenges and resilience of women in relationships this story will explore the experiences of this woman examining the societal norms and pressures that influenced her decisions as well as the personal growth and transformation she underwent throughout her marriages through an analysis of historical context cultural expectations and personal narratives this story will delve into the reasons behind the woman s early marriage at 14 years old exploring how societal norms and familial pressures may have played a role in shaping her choices additionally this story will examine the impact of losing her first child with her second husband on her subsequent marriages considering how grief and trauma may have influenced her relationships furthermore this story will explore the woman s personal growth and resilience throughout her marriages examining how she navigated challenges and setbacks to ultimately find happiness and fulfillment by analyzing her experiences through a feminist lens this story will highlight the agency and strength of women in navigating complex relationships and societal expectations overall this story aims to shed light on the complexities of women s experiences in marriage highlighting how societal norms personal trauma and individual agency intersect to shape their lives through an exploration of this woman s story we can gain a deeper understanding of the challenges faced by women in relationships and celebrate their resilience in overcoming adversity 9 the colonial legacies in the rich tapestry of india s history some threads weave together the complex narrative of colonialism resistance and the quest for independence among these threads are the profound impacts of the english language and christian missionaries in india the evolution of the indian education system and the insidious strategy of divide and conquer as we delve deeper into the layers of history we uncover the legacy of the three colonial gifts and their lasting influence on modern india these gifts though presented as benevolent gestures carried with them a hidden agenda of control and exploitation amidst this backdrop of colonial rule and cultural upheaval 10 the exploitation of north india in a land rich with history and culture the people of north india have endured centuries of exploitation at the hands of invaders seeking to conquer and control their region from the opulent rule of the mughals to the cunning tactics of the british colonizers the lands of north india have witnessed the plundering of resources the imposition of heavy taxes and

the suppression of indigenous traditions as the once prosperous land faced the heavy burden of foreign rule families struggled to make ends meet landowners were reduced to mere tenants and the education system suffered under oppressive policies despite these hardships a spirit of defiance and determination burned bright in the hearts of the people as they sought to reclaim their financial independence educational opportunities and land rights through acts of resistance and solidarity the people of north india began to rebuild their shattered communities and reclaim their rightful place in the land they called home the legacy of exploitation may have left scars that ran deep but it also forged a bond of unity and resilience among the people of north india as they stood together in the face of adversity and worked towards a brighter future for themselves and generations to come echoes of resilience the exploitation of north india tells the story of a region s enduring spirit in the face of adversity and the strength found in unity 11 rajan the temple trader whose journey from trader to survivor to revolutionary embodies the indomitable human spirit and the power of resilience in the face of adversity standing alongside his comrades in the fight for a future free from oppression rajan s story becomes intertwined with the larger narrative of india s struggle for independence a tale of courage sacrifice and the enduring quest for freedom join us on this exploration of history as we unravel the complexities of india s past and witness the transformative power of individuals like rajan whose unwavering determination shapes the course of a nation s destiny

Work and Life in the Global Economy

2014-07-31

u g krishnamurti famously described enlightenment as a neurobiological state of being with no religious psychological or mystical implications he did not lecture did not set up organizations held no gatherings and professed to have no message for mankind known as the anti guru the raging sage and the thinker who shuns thought u g spent his life destroying accepted beliefs in science god mind soul religion love and relationships all the props man uses to live life having taken away all support systems from those who came to him he refused to replace them with those of his own always insisting that each must find his own truth and when u g knew that it was time for him go he refused all attempts to prolong life with medical help he let nature and his body take their course on the afternoon of 22 march 2007 u g krishnamurti passed away in vallecrosia italy

Life Balance Sheet

2015-05

the story of suhanto is a social drama about his friends and their journey involves an acute display of emotions relationships and imperative intricacies of a common life in a country like india the main protagonist in the story is suhanto and primarily the story revolves around him and covers integral aspects of human life such as friendship struggle success defeat giving back compromises inter personal relationships and culmination of life the story involves different shades of a common life as it unfolds it brings forth some of the imperatives challenges of a human life at micro and macro level and even tries to provide for some answers the geographic setting of the novel is urban but important characters from rural and western world are also highlighted the novel would appeal to young readers as they can relate to most of the content whether it is the description of a village ambience or a person s struggle to adapt urban culture the young generation would like it also there are segments in the novel for people in other phases of life to which they can also relate the most important feature of the novel is the inclusion of the concept of giving back to the society which can be related to masses it is a pure work of fiction with traces of business fiction the story unfolds in the form of narration of past events and some conversations are depicted in the present times the book is written in a very simple language using commonly used jargon and few local terms and thus will be a literary treat to read and enjoy

A Little Bit of Life

2024-03-18

if one can safely assume something many of us who love reading are unable to do so due to lack of time to read a full novel running into a number of pages life in different colours offers the readers short and captivating stories which focus on some facets of life as seen by the author woven into a world of fiction each story in this book can be read within a maximum of thirty to forty minutes but that is not all the author hopes that through his imagination captured in these stories these stories will not only make for a good read but also help the readers in some manner

The Painful Lessons of Life

life is a choice and choice is what drives life is what the poet speaks about life in life of soul its journey of human beings to being human poems would gently appeal to readers to listen to their subconscious inner voice the book professes that the universal way to eternal peace flows through love kindness and compassion every being is a unique and integral part of nature and have equal right to live in the universe is central thought this book is for you if you think that we can make the world a better place to live poet believes that the path of karma truth and seva is immortalizing nectar

A Taste of Life

the book a journey of life with divine blessings is an autobiography of prof dr g k roy a pioneer teacher professor and engineer in technology education in odisha the biography depicts his life and times along with his memories and takes on important events in odisha india and the global technical space spanning a period of over five decades through the second half of the twentieth century the book goes beyond the scope of a biography to a chronicling of events in the building of

a technical institute and thus is as much about the author's professional journey as that of the story of the making of technical institution of global repute an avid traveller the book also offers some personal vignettes on the author's many pilgrimages across india covering almost every major shrine in the hindu pantheon of religious places
