Greek-Turkish Relations Since 1955 2021-11-28 bahcheli analyzes the dispute over cyprus from its emergence in the 1950s to the coup against president makarios which brought greece and turkey to war in 1974 he considers the cyprus issue within the narrow context of greek turkish relations and the broad context of international relations

Entangled Allies 1992 from the john holmes library collection

Greek-Turkish Relations and U.S. Foreign Policy 1997 in the lead essay for this volume joshua foa dienstag engages in a critical encounter with the work of stanley cavell on cinema focusing skeptical attention on the claims made for the contribution of cinema to the ethical character of democratic life in this debate dienstag mirrors the celebrated dialogue between rousseau and jean d alembert on theatre casting cavell as d alembert in his view that we can learn to become better citizens and better people by observing a staged representation of human life with dienstag arguing with rousseau that this misunderstands the relationship between original and copy even more so in the medium of film than in the medium of theatre dienstag s provocative and stylish essay is debated by an exceptional group of interlocutors comprising clare woodford tracy b strong margaret kohn davide panagia and thomas dumm the volume closes with a robust response from dienstag to his critics

The European Union and the Cyprus Conflict 2002 this account of turkish policy towards cyprus since the 1950s was first published in greece to considerable critical acclaim what makes the book of such particular interest is the author s detailed study often from primary sources of turkish ambitions to create a legal basis for the turkish cypriots demand for separate self determination and sovereignty the often painful consequences of cultivating mistrust between the turkish and greek cyriot population are fully explained the author also considers the implications of creating reunification of cyprus as a bi communal member state of the european union where the human rights of all cypriots are fully safeguarded

From the East 2003 for nearly 60 years the tiny mediterranean nation of cyprus has taken a disproportionate share of the international spotlight in the cyprus problem james ker lindsay recently appointed as expert advisor to the un secretary general s special advisor on cyprus offers an incisive even handed account of the conflict ker lindsay covers all aspects of the cyprus problem placing it in historical context addressing the situation as it now stands and looking toward its possible resolution

The Cyprus Problem 2011-04-21 in the troubled island of cyprus the national interests and rivalries of greece and turkey still collide the population remains divided between the greek and turkish communities and the country is still a cat s paw of outside powers especially the usa and the now resurgent russia as it has been since the acquisition of the island by britain in 1878 global rivalry between the great powers and cyprus s vitally strategic position in the eastern mediterranean a listening post in the cold war and even today has meant that the populations have never been free to shape their own destinies which have been constantly influenced by great power interests these are problems that have been brought into sharp focus by cyprus s entry into the european union william mallinson s book is a fast moving and incisive narrative history which portrays cyprus as a continuing source of international tension in the mediterranean and beyond it features the latest source material from the recently released national archive vivid interviews with key players even reports which raise awkward and embarrassing questions his critical eye uncovers the underlying story of american and british involvement in the island s affairs first as a key territory in cold war politics with its close proximity to the middle east and asia and now as a key asset in the war on terror mallinson s new insights and revelations on the period leading up to and following the turkish invasion in 1974 when greece and turkey both nato members were on the brink of war are fascinating and make essential reading henry kissinger is seen to be even more the master puppeteer pressuring britain not to give up her bases mallinson examines how after the turkish invasion kissinger planned the abortive annan plan to divide the island and how he regarded the retention of cyprus as vital for a future solution of the arab israeli problem for kissinger cyprus was the important square on the world chequer board while british influence continued to decline and her independence in foreign policy was virtually non existent mallinson also explores how turkey s drive to join the eu will affect not only stability in cyprus but also the whole region as russia s influence in the balkans and the eastern mediterranean expands so in william mallinson s words cyprus lies still at the epicentre of this whole geopolitical merry go round

Cyprus 2005-05-27 performing a political identity usually involves more than just casting a vote for left wingers in turkey greece and cyprus countries that emerged as the only non socialist constituents of south eastern europe after wwii political preference meant immersion to distinct ways of life to cultures in times of dictatorship or persecution the desire to find alternative ways to express themselves gave content to these cultures in times of political normality it was the echoes of such memories of precarity and loss that took the lead this book explores the intersection between the politics and cultures of the left since the sixties in turkey greece and cyprus with the use of 12 case studies the contributors expose the moments in which the left has been claimed and performed not only through political manifestos and traditional political boundaries but also through corporeal acts discursive practices and affective encounters these are all transformed into distinct modalities of everyday life and conduct which are commemorated narrated or sung versed painted or captured in photographic images and on reels of tape by focusing on culture and performance this book highlights the complex link between nationalism and internationalism in left wing cultures and illuminates the entanglements between the ways in which left wingers experienced transitions from dictatorship to democracy and vice versa as the first book to analyse cultures and performances of the left in the three countries the politics of culture in turkey greece and cyprus causes a rethinking of the boundaries of political practice and fosters new understandings of the formation of diverse expressions of the left as such it will be a valuable resource for students and scholars of cultural and social anthropology modern european history and political science

Greece and Turkey, Adversity in Alliance 1984 in today s world the issue of cyprus is notable for all the wrong reasons because of the duration of the divisions in cyprus itself between greek cypriots and turkish cypriots formalized since 1983 by a disputed international border across the island because of the involvement of greece and turkey for which the hyphenated cyriot communities form proxy battalions and because of the failure of the united nations longstanding efforts to resolve the conflict much of the discussion in the book revolves around the difficulty of producing viable constitutional and civic arrangements in an

The Cyprus Conflict 1976 the year 2009 may well be a make or break year for the protracted cyprus conflict while strategic assessments and elite incentives bode cautiously well for a settlement ultimately an agreement will have to be approved by the two cyriot communities and above all it will have to be implemented by them on the ground in view of the centrality of the people in this peace process ceps in collaboration with greek cyriot and turkish cyriot partners launched a project in late 2007 investigating through successive opinion polls what cypriots think of each other of the peace process and of possible solutions to the conflict in this book the authors present the results of their second survey conducted simultaneously in the southern and northern parts of the island in january and february 2009 it delves into the cypriots views on the thorniest questions of the conflict and assesses whether and how once we leave the abstract level of labels and slogans and enter into the specifics of a package deal convergence between greek and turkish cypriots is possible

The Politics of Culture in Turkey, Greece & Cyprus 2017-03-27 the theme of this book is the interplay between realism and human rights in the formulation of us policy towards greece and turkey with respect to the cyprus and the aegean disputes and the domestic politics of the two countries from the truman to the carter administration the policies of successive administrations and those of johnson and nixon in the 1960s and 1970s were formulated upon the requirements of containment as this was conceived in 1946 47 by the truman administration realpolitik dominated the agenda and issues related to values and norms

were secondary although not unimportant whenever a choice had to be made between realpolitik and human rights the former was the main consideration of american policy makers although committed to the recalibration of us foreign policy toward human rights the carter administration did not depart from these premises in the formulation of its policy in the eastern mediterranean

Contemporary Social and Political Aspects of the Cyprus Problem 2016-08-17 major topics covered in this volume include 1 u s efforts to maintain the cohesion of the nato alliance by avoiding outbreaks of violence on cyprus that would provoke clashes between greece and turkey 2 attempts of u s policymakers to devise a compromise solution for cyprus that would meet the requirements of its major regional partners 3 a growing u s involvement in greece s internal politics as a result of a major constitutional crisis between political forces led by george and andreas papandreou on one side and a conservative coalition under the leadership of king constantine ii on the other and 4 the u s reaction to the greek military coup of april 1967 and imposition of a dictatorship in greece coverage of bilateral u s turkish relations focuses on the cyprus issue overview

People's Peace in Cyprus 2009 this book is an extraordinarily sensitive and balanced analysis of an international crisis whose most recent phase was created in 1974 when turkey invaded and occupied 37 percent of the island this scholarly assessment could be useful in the hands of those who honestly seek to understand the nature of the cyprus question and those who may strive toward its solution theofanis g stavrou general editor

Realism and Human Rights in US Policy toward Greece, Turkey, and Cyprus 2018-10-15 a century of greek turkish relations is an important handbook written by leading authorities from both shores of the aegean sea greek and turkish scholars present in a balanced and objective way as well as in a graspable and meaningful manner the main periods in which key events brought the two sides into dispute or even conflict these events which are integrated in parallel and conflicting national narratives fuel the historicity of the two national rivals a century since the end of the greek turkish war the trauma of the greek military defeat and the disaster of the asia minor greeks the establishment of the republic of turkey and the emblematic treaty of lausanne render this kind of handbook undoubtedly essential it opens the discussion to the wider audience in a rational and composed way and most importantly the reader can follow through the pages the dialogue between turkish and greek scholars a book of this kind was missing from public history prof sia anagnostopoulou panteion university as an expert on the subject of minorities for the past fifty years with a number of publications in turkish english and french and based on the experts that are participating in the a century of greek turkish relations a handbook there is no doubt that this will become an indispensable tool and above all an objective account of the greek turkish relations for both experts and the wider public prof emeritus baskin oran ankara university as editors of this important and timely book nikos christofis and anthony deriziotis assert that uneducated narratives have perpetuated misunderstandings within turkish greek relations in their enlightening work they dismantle these misconceptions offering a nuanced exploration of the historical and contemporary complexities between the two nations by featuring insights from leading experts this book provides a crucial resource for anyone seeking a deeper understanding of turkish greek relations presenting new historical insights and analytical viewpoints on bilateral relations prof evren balta Özyeğin university a comprehensive and insightful survey of greek turkish relations a number of distinguished academics have offered their expertise succeeding in the formidable task of touching upon several sensitive issues avoiding stereotypes and easy readings of problems that are burdened by history a must read for students and experts alike prof sotiris roussos university of peloponnese contents preface nikos christofis and anthony deriziotis the uses and abuses of history in greece and turkey nikos christofis and kerem Öktem the greek turkish war of 1919 1922 charalampos minasidis the 1923 greco turkish population exchange an assessment of its history and long shadow at its centennial aytek soner alpan agreements and friendship between greece and turkey in 1930 multifaceted official nationalist discourses and opposing voices anna vakali anti rum politics in turkey 1923 1946 alexandros lamprou the state will always pursue you a history of greeks in the republic of turkey kutay onayli muslim minority of greece from lausanne to the greek civil war samim akgönül greek turkish relations in the shadow of world war ii zuhal mert uzuner realpolitik with a twist the united states and greek turkish relations ekavi athanassopoulou rum polites in the context of turkish greek relations ilay romain Örs the muslim minority of western thrace 1945 1999 a strained saga georgios niarchos the troubled triangle greece turkey and cyprus 1940s 1990s nikos christofis greek turkish relations during the junta regime in greece 1967 1974 melek firat and Özge Özkoç the aegean dispute alexis heraclides greek turkish relations and civil society healing the wounds leonidas karakatsanis greek turkish relations the helsinki moment in greece s strategy to turn the eu into a catalyst for conflict resolution panayotis j tsakonas greek turkish relations and the refugee question anthony deriziotis reciprocal minorities in greece and turkey A century of adversity konstantinos tsitselikis energized geopolitical turmoil in the endangered eastern mediterranean towards anthropocene geopolitics emre İşeri hawks and romantics the role of media in turkish greek diplomatic seesaw emre metin bilginer with or without you turkish greek relations from the perspective of securitisation theory başak alpan the prospects and challenges for cooperation in cyprus ahmet sözen and devrim Şahin greek turkish encounters in the city who meets who in kadıköy kerem Öktem post script anthony deriziotis and nikos christofis

Foreign Relations of the United States, 1964-1968 2002-08 nationalism in the troubled triangle is the first systematic study of nationalism in cyprus greece and turkey from a comparative perspective bringing scholars from greece turkey and both sides of cyprus and beyond together the book provides a critical account of nation building processes and nationalist politics in all three countries

U.S. Policy in the Eastern Mediterranean 2001 greek turkish conflict ridden relations have long occupied a problematic position in the western alliance first in nato then more dramatically within the context of the newly developing european union and its defence initiatives following three major earthquakes on both sides of the aegean the two countries have now experienced firstly a public empathy towards each other and secondly a significant diplomatic rapprochement this rapprochement though has failed to resolve the cyprus conflict and is now at risk of reverting back to a series of conflicts this book addresses the crucial issues between greece and turkey from a critical perspective and provides an up to date assessment of the current state of the greek turkish rapprochement and its future development this book was previously published as a special issue of the journal turkish studies

Greek-Turkish Relations and U.S. Foreign Policy 1997 cyprus island in the storm an individual encircled by violence becomes a voice for reconciliation and peace by stahis s panagides ph d editor i started reading his book around 10 am and i could not put it down until i finished it hours later eliséos paul taiganides phd in this english edition of the original greek book by dafnis panagides Πικροδάφνες bitter leaves of laurel a significant life is revealed set in cyprus during the turbulent years from 1954 to 1974 this remarkable book uncovers how dafnis evolved from being a patriot terrorist to an internationalist humanist his religious awareness evolved beyond the confining borders of the orthodoxy of cyprus to the engaging values of broader christianity his patriotism shifted from ethnocentric narrow fanatic greekness to an appreciation of the hellenic culture s universality the important message from this book comes from dafnis life journey his encounter between violence and peace and his revealing of how from the violence and distrust between the cyriot greek and turkish communities it is possible to reach peaceful coexistence and cooperation as cyriots while maintaining their distinct identities there are lessons for the turbulent eastern mediterranean and especially for greek turkish relations and beyond stahis solomon panagides the author of this edition is dafnis brother he is an economist with extensive experience in international development and conflict resolution having

worked with the world bank the organization of american states the ford foundation and the university of california berkeley he served as the resident country director of the millennium challenge corporation in cape verde a u s federal development agency he is a founding member of esquel group foundation an institution dedicated to civil society participation and sustainable development with affiliates in latin america in 1954-56 he served as the eoka national organization of cyprriot fighters youth leader of his high school during the cyprus liberation struggle against british colonial rule and for its union with greece

Greece, Turkey, Cyprus 1998 the volume examines one of the most sensitive issues in the contemporary diplomatic history of the eastern mediterranean namely the nexus between greece turkey the cyprus problem and nato in the crucial period between 1973 and 1988 beginning with the emergence of the aegean dispute in 1973 and ending with the most comprehensive attempt to date to solve the greek turkish conflict in the wake of the davos rapprochement process in 1988 the analysis in this book goes back to developments that occurred in the first half of the 20th century

Cyprus 2006 attempts to resolve the cyprus problem and reunify the island have undergone various levels of negotiation for over 45 years on october 3 2010 after almost two years of intense negotiations between greek and turkish cyprriot leaders attempts to reach an acceptable solution for reunification had failed and the republic of cyprus celebrated its 50th anniversary as a divided country with a permanent solution far from being achieved contents of this report background annan plan the christofias talat negotiations 2008-2010 a new era christofias and eroglu issues eu trade with north cyprus assessment map this is a print on demand edition of an important hard to find publication

A Century of Greek-Turkish Relations A Handbook 2024-03-02 as ambassador to turkey during the cyprus crisis 1965-1968 parker t hart provides an insider's view of the management of that crisis in nato and greek turkish relations greece and most greek cypriotics favored enosis union with greece but turkey and the turk cypriotics were prepared to go to war to prevent such an annexation a massacre of turk cyprriot villagers in november 1967 focused the anger of turkey which was prepared to send troops to cyprus to equalize the preponderance of forces led by general george grivas the determined mediation of special presidential envoy cyrus r vance prevented the initiation of all out hostilities vance engineered a withdrawal of mainland greek forces in excess of existing treaty levels in exchange for a standdown of turkish forces the vance mission diffused the crisis and salvaged the integrity of nato and a greek turkish agreement to sponsor and encourage intercommunal negotiations followed hart has relied on his own papers from the period as well as on united nations sources from the lyndon b johnson presidential library and on the papers of the other key participants in the crisis ambassador to greece phillips talbot ambassador to cyprus taylor g belcher and cyrus vance to provide a rare play by play analysis of the crisis and its resolution

Nationalism in the Troubled Triangle 2010-02-01 the relationship between the history culture and peoples of greece turkey and cyprus is often reduced to an equation which defines one side in opposition to the other the reality is much more complex and while there have been and remain significant divisions there are many and arguably more areas of overlap commonality and common interest this book addresses a gap in the scholarly literature by bringing together specialists from different disciplinary traditions history sociology anthropology linguistics literature ethnomusicology and international relations so as to examine the relationship between greeks and turks as well as between greek cypriotics and turkish cypriotics since the founding of the republic of turkey in 1923 when greeks and turks meet aims to contribute to current critical and comparative approaches to the study of this complex relationship in order to question essentialist representations stereotypes and dominant myths and understand the context and ideology of events processes and experience starting from this interdisciplinary perspective and taking both diachronic and synchronic approaches the book offers a fresh coverage of key themes including memory history and loss the politics of identity language and culture discourses of inclusion and exclusion contributors focus on the geographical areas of greece turkey and cyprus and on the modern historical period since 1923 up to the present day offering in some cases an informed perspective that looks towards the future when greeks and turks meet will be essential reading for students and researchers working on the cross roads of greece turkey and cyprus on south east europe and the middle east more generally it will also be a valuable resource for students and researchers in inter cultural communication cultural and media studies language and education international relations and politics refugee and migration studies conflict and post conflict studies

Greek-Turkish Relations in an Era of Détente 2020-05-04 when abduallah ocalan leader of the kurdistan workers party pkk was arrested in february 1999 it marked a turning point in relations between greece and turkey as the country's most wanted man his arrest was greeted with jubilation throughout most of turkey however it also led to a public outcry when it emerged that he had been captured leaving the greek embassy in nairobi kenya this was seen as definitive proof that the greek government had been aiding and abetting the pkk in the days and weeks that followed the arrest relations between the aegean neighbours sank to their lowest level since the summer of 1974 when athens and ankara had come to the brink of war over cyprus however by the end of the year the picture could not have been more different an improbable series of events that included a regional conflict two major disasters and the death of a senior greek politician had led to a complete transformation in the relations between the two countries the crowning moment of this change came in december when greece dropped its long standing opposition to turkish candidacy for eu membership how did this remarkable change come about who should take the credit and what did it mean for diplomatic relations in the eastern mediterranean this is the story of how two countries started down a path to peace after decades of tension and hostility and how over the course of one monumental year relations between greece and turkey went from the brink of conflict to an unprecedented affirmation of friendship and solidarity

CYPRUS 2022-01-07 for many years greece and turkey have been involved in aggressive rivalry over large areas of the aegean sea as well as cyprus their conflicts endanger the peace between these two nato allies and have even brought the two nations to the brink of war but no agreement has been reached despite their mutual assistance in the aftermath of the earthquakes suffered by both countries in the summer of 1999 this work provides an in depth discussion of how the conflicts began the matter of cyprus and international law disputes and near war situations over the aegean the dynamics of and prospects for a new greek turkish partnership and current developments in disputes and relations

Greece, Turkey, NATO and the Cyprus Issue 1973-1988 2024-03-26 this book first published in 1978 examines the local and international aspects of the struggle for greek union with cyprus enosis the revolt against the british colonial power was a struggle in which guerrilla warfare political action and international diplomacy were integrated to bring about union with greece under the camouflaged objectives of self determination and anti colonialism this book traces the origins of the dispute from the greek war of independence of 1821 and then deals in depth with the revolt and its international repercussions up to independence in 1960 and the turkish military intervention of 1974

Cyprus 2011-04 drawing upon anthropological studies that document culturally specific ways of perceiving ethnic others in greece and cyprus this book explores the cultural boundaries of the categories greek and turk and compares views on what it means to be one of these ethnic groups or both the contributors examine the opinions of diverse social groups such as ordinary middle class citizens intellectuals army officers children villagers refugees from asia minor and greek and turkish cypriotics they also investigate the local attitudes to international politics and highlight the contextual as opposed to immutable and essentialist meaning of evaluations about nations such as greece turkey and cyprus and their citizens when greeks think about turks carefully unpacks the cultural meaning of popular metaphors stereotypes and versions of history as these are articulated in the context of discussions about the turks in greece it sets the template for understanding how local perceptions of resemblance and

difference provide a conceptual framework for defining and negotiating ethnic identity at the local national and international level it sheds valuable light on the politics of identity making and the constitution of nationalism in greece and cyprus this book was previously published as a special issue of south european society and politics

Two NATO Allies at the Threshold of War 1990 cyprus is a case study in the debate on the future of european identity responsibility and integration book jacket

When Greeks and Turks Meet 2016-02-11 the present volume attempts to underline the interactions among turkey cyprus greece and europe from a historical vantage point it brings forward the salient points in the inextricably intertwined web of their cultural economic and social connections affinities similarities common interests and interdependencies in the context of international relations it may contribute to a better understanding of the past present and future of a region which has played a vital role in the evolution of world affairs and continues to influence our times in an undeniably essential manner

Crisis and Conciliation 2007-10-24 the causes of the current greek turkish rapprochement progress are explored in this book in relation both to the international environment which is increasingly conducive to this progress and significant domestic changes Greece, Turkey and the Aegean Sea 2017-07-06 in 1974 the greek colonels ousted the greek cypriot leader of cyprus archbishop makarios and turkey retaliated by invading and seizing a third of the island cyprus remains split in two like berlin before the wall came down bristling with troops and spying bases and permanently policed by the united nations henry kissinger claimed he could do nothing to stop the coup because of the watergate crisis but this book presents evidence to support the view that it was no failure of american foreign policy but the realization of a long term plot the authors describe the strategic reasons for washington s need to divide the island their account encompasses an international cast of characters that includes eden eisenhower nixon kissinger wilson callaghan grivas and the leaders of the two halves of the divided island clerides and denktas
