the circle of knowledge is an informative book that was
designed in 1917 to be both inspiring and entertaining the book
represents the modern progressive spirit which fits that time in
its forms of expression and its editorship the purpose of this
work is to answer the why who what when where how of the
wide majority of curious minds both young and adult and
encourage them to raise further questions special measures were
taken in creating this work to isolate essentials from non
essentials to differentiate human interest subjects of universal
significance from those of little concern to deliver living truths
instead of dead vocabulary and finally to bring the whole within
the knowledge of the intermediate reader without regard to age
in an acceptable and exciting form the use of visual outlines and
tables maps drawings and diagrams the illustrated works of great
painters sculptors and architects all are used to give the reader
the valuable and cultural knowledge of past and present
