as a boy in a small town in south central java indonesia i like to watch western cowboy movies usually in black and white looking at shiny american cars and reading about america and i hope some day i will see america myself after i graduated in 1958 from the medical school university of indonesia in jakarta i married my long time sweetheart laney ouw and the same year i moved to makassar to fulfill my obligation to the government the univ of hasannudin in makassar send me to a graduate course in 1961 in biochemistry at the university of tennessee memphis tn usa after living for one year in the usa my feeling to live in america is still my desire the murder of the six army generals of the indonesian army on october 1 1965 cause a turmoil in the country and demonstrations and rioting and looting took place in several cities in java and sumatra makes me more aware that i need to live in the usa to be free of this turmoil in august 1967 i left with my wife and 2 children meike and charles for birmingham al usa with a legal visa and started my internship in medicine and later my residency in pathology at the university of alabama in birmingham in 1970 i accepted a position at the dept of pathology indiana university in indianapolis indiana in 1973 i and my wife and meike and charles were sworn in as us citizen and peace came over me now i know that me and my family have a country that is democratic and free two more children were born in birmingham grace and david both and the older children give us much joy and feeling of settled in america climbing through the ranks i became professor and senior assoiate chairman and chief of service dept of pathology under dr nordschow the chairman who supported me through all those years in 1998 i retired fully and still live in indianapolis indiana

## **China's Reforms at 30 2005-06-01**

this is a collection of critical essays that integrate literature and ideas daniel fuchs presents the writer s individuality as artist and thinker focusing on the writer s interaction within a wide range of cultural political and historical periods and situations representative of the modern period the essays reflect a progression that goes beyond chronology or historical survey in the consistency and interrelation of the literary and cultural themes explored and the references within them the book is built around writers who are of central concern to the author it does not pretend to be a comprehensive framework for analyzing modernism fuchs first deals with high modernism in discussions of hemingway and stevens who in different ways critique tradition and collapsing values the essays that follow deal with the contemporary and here the focus is mainly on american jewish writers and their cultural impact after modernism the author s stance is in relation not only to these traditions but to others that might be thought antagonistic the formalism of the new critics and the deconstructionism that reduces the author to a replaceable variable in the dialects of cultural power relations fuchs pays tribute to the former illustrating wider points in literary socio cultural

and political history the overall emphasis on these extrinsic matters underscores the book's appeal to a wide audience
