if you love a rich detailed highland romance with a sexy scot as your hero and a strong willed heroine grab this series up addicted to romance an arranged marriage makenna dunstan has never needed a man s protection before but when her father s failing health places the safety of the clan in her hands she has no choice but to marry colin mctiernay fearing the emotions colin awakens within her she finds herself succumbing too easily to his lingering kisses and warm caresses yet she wonders if she can truly trust this highlander who is quickly stealing her heart ignites an insatiable desire a highlander from birth colin mctiernay knows the dunstan clan dislikes him especially the laird s youngest daughter but he is determined to save the lowlanders from their enemies even if that means marrying the willful and impetuous makenna taming this fierce tigress will be a challenge that colin is confident he can meet by seducing makenna and tantalizing her with a passion that will only leave her begging for more hot hot hot a passionate thrilling historical novel five blue ribbons i absolutely loved it and found it impossible to put down until i finished reading the last page romance junkies what a joy this novel will give you the ride of your life armchair interviews with her second novel sinclair demonstrates a talent for characterization strong plotting sensuality and deep emotional introspection that carries fans into the hearts and minds of her hero and heroine rt book reviews

The American Ephemeris and Nautical Almanac

1881

a critical reader of the history of marriage understands that it is an institution that has always been in flux it is also a decidedly complicated one existing simultaneously in the realms of religion law and emotion and yet recent years have seen dramatic and heavily waged battles over the proposition of including same sex couples in marriage just what is at stake in these battles license to wed examines the meanings of marriage for couples in the two first states to extend that right to same sex couples california and massachusetts the two states provide a compelling contrast while in california the rights that go with marriage inheritance custody and so forth were already granted to couples under the state s domestic partnership law those in massachusetts did not have this same set of rights at the same time massachusetts has offered civil marriage consistently since 2004 californians on the other hand have experienced a much more turbulent legal path and yet same sex couples in both states seek to marry for a variety of interacting overlapping and evolving reasons that do not vary significantly by location the evidence shows us that for many of these individuals access to civil marriage in particular not domestic partnership alone no matter how broad and not a commitment ceremony alone no matter how emotional is a home of such personal civic political and

instrumental resonance that it is ultimately difficult to disentangle the many meanings of marriage this book attempts to do so and in the process reveals just what is at stake for these couples how access to a legal institution fundamentally alters their consciousness and what the impact of legal inclusion is for those traditionally excluded
