the story of a tiny sea turtle who swims out to sea then returns after a few years to the beach where she was born to lay her eggs before returning to the sea includes many facts about sea turtles this lyrical and informative look at the elusive and endangered loggerhead turtle is sure to delight young nature lovers far far out at sea lives one of the world s most mysterious creatures the loggerhead turtle for thirty years she swims the oceans wandering thousands of miles as she searches for food until one summer night she lands on a beach to lay her eggs the very same beach where she herself was born nicola davies s lyrical text offers fascinating information about the journey of the tiny endangered loggerhead while charming paintings by jane chapman vividly illustrate one turtle s journey a story about sea turtles and how they live explore the wonderful world of loggerhead turtles through information music and story one tiny turtle has hatched from her egg and is on her way to find her family follow along and colour the pictures as she meets clams snails and even a whale annotation a children s book about a little turtle hatchling who is distracted to land by lights of a development he manages to escape a host of predators a mother duck takes tim under her wing mistaking him for a disadvantaged duckling until tim makes it back into the sea follow one tiny turtle in a story that explores the struggles of marine life as plastic and pollution invade their homes perfect for earth day and every day keep trying tiny turtle is one tiny turtle s story of overcoming his challenges and background to despite many nay sayers conquer his dreams a fabulously illustrated story which introduces children to the various creatures in the ocean

this is the story of one small turtle who s born with the odds stacked against him only one turtle in a thousand lives to be full grown with tiny flippers flapping the newborn is launched on a grand adventure when he s followed by a shark named tank it seems all is lost but fate intervenes after accidentally becoming attached to each other by a piece of floating plastic trash they form an unlikely friendship in tiny turtle tracks turtle learns that his heart is his inner compass and if he follows it he ll be guided by love

tired of being a turtle papa turtle decides to try to be an eagle one thanksgiving day but decides it isn t much fun today my mom and i are going to buy a turtle we have wanted a turtle for a very long time find out how we made a home for our little turtle tiny turtle loves his little shell join him as he tells the wonders of his shell and the great adventures he has as he travels through our yards this book is about the power of love love changes whatever it embraces love makes everything and everybody equal love gives you wings board book with tactile inserts birth to 3 yrs tiny the turtle loves to hang out with his friends and eat berries and mushrooms marine pollution makes him sad sometimes he also gets really mad but he has a secret strategy to manage his anger in this book tiny shares his secret technique to teach children how to handle big emotions

what if there was a lake in your town and in it swam jerry the tiny turtle with the yellow specks now follow the adventure of jerry s life as it takes an unexpected twist when his dear friend amanda gets him into perilous trouble with his entire world turned upside down how would jerry be able to forgive amanda great for nap time bedtime storytime or anytime the tiny turtle with the yellow specks provides a tender story of hope compassion and friendship to introduce family and friends to our father s unwavering love for us empowering us to start over again from scratch young readers will witness rare and extraordinary natural event as a baby loggerhead hatches from its shell with nothing but the light of the moon to act as a guide readers will follow the newborn turtles harrowing attempts to outpace a series of predators on their march toward the glistening shore after only narrowly avoiding hungry crabs owls and foxes the turtle rides ocean waves to a calm

clearing following a moment of peace in the still ocean water the turtle joins the rest of its pack on a dive into the moonlit sea to continue the voyage home told with a beautiful lyrical rhyming sequence this book introduces readers to the birth cycle of a loggerhead sea turtle through the newborn turtle s eyes both kids and adults will marvel at the majestic and sometimes dangerous seaside landscape from a perspective rarely seen before this is a tiny little story about a tiny little turtle with a big heart when tiny is washed away in a storm he gets lost and finds himself alone and disorientated until a kind stranger becomes a friend the tiny turtle found himself in a strange new land he was all alone thirsty hungry and afraid in a new home tuttle the turtle is a tiny little creature about the size of a large button he is snatched from a log in the woods while soaking in the sun and is taken to a strange new land and left all alone he is scared and unsure of what to do until he meets a tiny mouse named needles tuttle soon finds himself surrounded by new friends and thinks he has found a new home

little turtle battles to survive the perilous journey from his egg down the beach to the sea he has to overcome many dangers the smothering sand a diving seagull a fierce crab will little turtle reach the sea at last a lyrical text by sheridan cain is perfectly complemented by norma burgin s luminescent paintings how can you help students find meaning in informational texts and become independent strategic readers and thinkers nonfiction reading power gives teachers a wealth of effective strategies for helping students think while they read material in all subject areas using the best children s books to motivate students adrienne gear shows teachers how help students zoom in question and infer find the main idea make connections and transform what s on the printed page key introductory concept lessons for each of the five reading powers provide valuable insight into the purpose of each strategy the book also explores the particular features of nonfiction and offers lists of key books organized around strategies and subject areas the words in his head became stronger than ever to the sea to the sea the smallest turtle is the last of his family to set out on the journey to the sea the sand is hot and the danger is great will he make it to the safety of the ocean from lynley dodd the creator of the much loved hairy maclary and friends series

the words in his head became stronger than ever to the sea to the sea a tiny turtle is the last of his brothers and sisters to hatch and so he must leave the nest and make the dangerous journey down to the sea all by himself children are expected to read and comprehend texts in a variety of genres with increasing complexity then they must integrate the ideas and concepts from those texts into their own writing the book helps teachers meet those demands little turtle has a beautiful home but it s at risk this is a beautifully illustrated book for 4 8 year old readers proceeds from this sale benefit nonprofit organisation library for all helping children around the world learn to read in their first edition of mentor texts authors lynne dorfman and rose cappelli helped teachers across the country make the most of high quality children s literature in their writing instruction mentor texts teaching writing through children s literature k 6 2nd edition the authors continue to show teachers how to help students become confident accomplished writers by using literature as their foundation the second edition includes brand new your turn lessons built around the gradual release of responsibility model offering suggestions for demonstrations and shared or guided writing reflection is emphasized as a necessary component to understanding why mentor authors chose certain strategies literary devices sentence structures and words dorfman and cappelli offer new children s book titles in each chapter and in a carefully curated and annotated treasure chest at the end of each chapter a think about it stalk about it swrite about it section invites reflection and conversation with colleagues the book is organized around the characteristics of good writing sfocus content organization style and conventions the authors write in a friendly and conversational style employing numerous anecdotes to help teachers visualize the process and offer strategies that can be immediately implemented in the classroom this practical resource demonstrates the power of learning to read like writers a beautiful lyrical story which explores the problem of plastic in the ocean and the challenges facing marine life little turtle loves the ocean with her whole heart as the years pass she repeats an incredible journey across the world to the beautiful coral reefs but

one day she finds that plastic has invaded her beloved ocean could turtle s journey be over forever
