advisory note please be aware that the subject matter in this work contains occasional coarse language and includes scenes of a sexual nature in the shadow of the church yard that stands high on the hill are the remnants of the now diminished red light area carl butler died homeless and destitute showing no signs of the status he had once held as the millionaire porn baron who ran the city's dark and clandestine sex trade in the weeks leading up to his death investigative journalist simon baker had taken an interest in butler's story he got a deep insight into a world that once existed in the dimly lit back streets and underground cellars that now sit derelict beneath the pavements that line the west side of the city baker had no concept of the depths of depravity that human beings could sink to after meeting butler who was aptly named the baron he wished he still held that innocence he would uncover a seedy underground world involving drugs prostitution and seedy skin flicks which he would come to realise had no limits what the baron's customers wanted he got for them people apparently disappearing from the face of the earth was unfortunately not an uncommon occurrence he saw human beings as business commodities whose sole purpose was to satisfy his wants and needs with no regard to how badly his exploitation affected those who had had the misfortune of inadvertently stepping into his path
